

DEAR OLD WESLEYAN

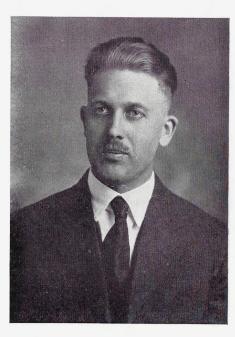

# Missouri Wesleyan College The Oml 1922

CHCKSKIM M·W·C MAKAKAMO

VIICASSAN M·W·C 11/18/18/2011

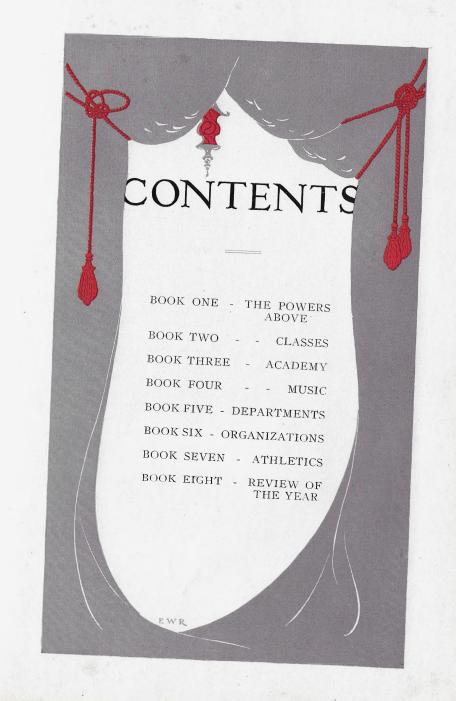

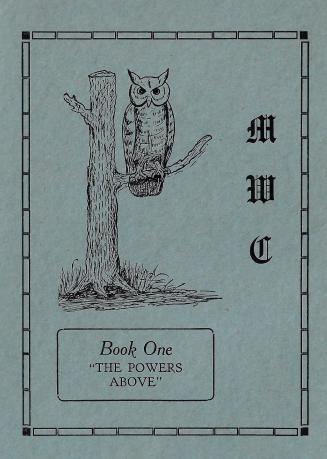

To thee, Professor Wyckoff, whom we have always felt we could depend on as a true friend of the students and their activities, we dedicate this volume. Anceasingly working and striving for the greater glory of Wesleyan, your cheery smile and helping hand has guided many of the students over the rough spots of college life.

#### **FOREWORD**

The Junior Class offers to the world for its approval the Owl of 1922. To the Alumni and Seniors may it bring again the happy days spent here on the campus of Wesleyan. To the undergraduates may it foster a greater love for your school and a greater desire to return to old Wesleyan to receive all she has to offer you. To the loyal friends and supporters of the school may it show in some measure the fine type of Christian young manhood and womenhood cultivated on our campus.

DR. CAMERON HARMON

Dr. Cameron Harmon has been president of Missouri Wesleyan College five years. During this time his presence has been an inspiration to the students. His constant effort has been in raising standards and ideals of the school. To all difficulties he has applied the tonic of helpfulness. There are none but what listen with eagerness on hearing his mixture of advice and wit displayed from the chapel platform. All hearts earnestly hope that he has found Missouri Wesleyan College a very pleasant place and will here abide for many years to come.

# W. F. BURRIS President of the Executive Board

Dr. Burris has been a member of the board of trustees since 1899. In 1908 he was chosen a member of the executive committee. He was elected president of the board several years ago. The choice could not have been more wisely made. During the entire time he has faced the problems and difficulties within the power of man to improve our college.

#### FRANK B. KLEPPER

Mr. Klepper has been a member of the Board of Trustees for seven years and has served on the Executive Committee for several years. Although a very busy man he finds time to devote to the advancement of Missouri Wesleyan College.

#### DR. C. J. ENGLISH

Dr. English has been a member of the Board of Trustees of Missouri Wesleyan College for nine years and has served on the Executive Committee for seven years. He was given the honorary degree of Doctor of Divinity by Missouri Wesleyan College. He has always done his best for the school.

#### BEN F. JONES, Secretary

Dr. Jones has been a member of the Board of Trustees of Missouri Wesleyan College for nine years. His interest in the college has never failed.

#### E. B. THOMPSON

Dr. Thompson received his A. B. degree from Missouri Wesleyan in 1903. He has been President of the alumni for several years and was later made a member of the Board of Trustees and of the Executive Committee. Being a former Wesleyanite, he has always been interested in the success of the school.

#### JAMES R. HARPER

Dr. Harper has served as a member of the Board of Trustees of Missouri Wesleyan College since 1915 and has served several years as Vice-President. He was given the degree of Doctor of Divinity by Missouri Wesleyan College in 1918. During this time he has been a faithful helper in keeping up our school.

#### C. P. DORSEY

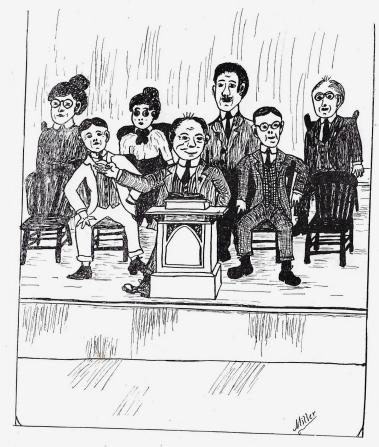

Mr. Dorsey has recently been elected as a member of the board of trustees and treasurer of the Executive Committee. The undoubted ability which every one knows him to possess has been unfailingly exerted for the interest of the school.

# FACULTY

CHCCCCON W.C. MAKONOKIND

D. L. DALKE, A. B., A. M.
Professor of Education
Dean of Missouri Wesleyan College

This is the Dean's first year at Missouri Wesleyan. He has already shown himself to be a friend to the students and very efficient for his position. His optimistic view of life gives courage to all who come into his presence.

ESCAMENOS COM THE OWL PARTY ON WON. S.

# E. A. OVERTON, B. R. E. Professor of Religious Education

"Lives in the fullness of life,"

#### GRACE S. OVERTON, B. R. E. Professor of Public Speech School of Expression

"Cannot be surpassed in giving to others the art of living."

# HUGH A. WYCKOFF, B. S. Professor of Chemistry and Bacteriology

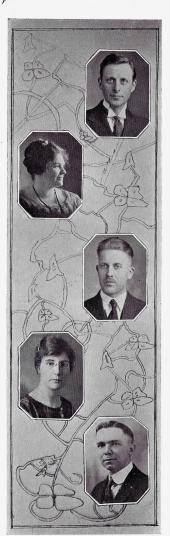

"Please hand in the note books tomorrow."

#### LEONE CHAPPELL REED, A. B. Professor of English

"Is very vigorous and energetic in her work."

# C. H. WITHINGTON, B. S. M. S., A. M. Professor of Biology and Agriculture

"I came to chapel this morning to announce campus day."

GERTRUDE LIPPELT, B. S., A. M. Professor of Romance Languages

"Too much noise in the class room."

H. C. KELSEY

Instructor of Voice and Choral Practice

"Every normal person sings."

ALLEEN WILSON, A. B.
Instructor in Home Economics

"Would be glad if you would review the work for next recitation."

E. A. DAVIS

Director of Athletics

"Comes to chapel when he thinks of it."

VERA HERRING

Preceptress of Rice Hall

"Now girls put out your lights immediately."

TRUE TAYLOR, A. B.
Instructor in History

"So as to speak."

PEARL BRYANT, A. B. Instructor in English

"My aim is to be a friend to all the students."

EVELYN KLEIN

Teacher of Piano, Harmony, History of Music and Ensemble

"Thinks you will have the piece perfect in one more practice."

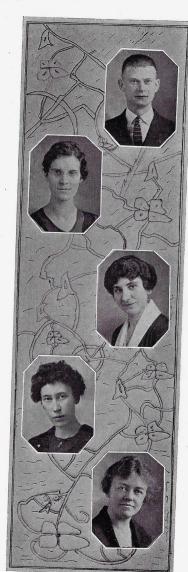

MAUD GIBSON, A. B., B. S.
Instructor in Teacher Training

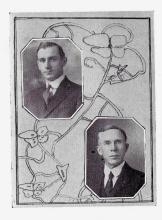

"Duty should be the aim of everyone."

INA WACHTEL

Principal of Commercial School

"Counts the blessings of life."

J. FRANK REED, A. B., A. M., B. B., S. T. M., Th. D. Professor of Biblical Literature, and Philosophy

"Searches for the depth in the human mind."

W. T. CLINE, Th. B., A. M., Ph. D., D. C. L., B. S. Professor of History and Political Science

"I would like to speak a word about the unwritten law."

W. F. NULL, A. B., A. M.
Professor of Mathematics and
Physics

"I want to illustrate my point by this."

#### CARRIE SHEPHERD

Director of Art Department
"Realizes the beauty of everything about her."

"Terribly inconvenient to have those ever beaming rosy cheeks."

D CLYDE URBAN Cameron, Mo. Excelsior, Oratory.

"Content to do his duty and finds in duty done a full reward."

D JENNIE L. MUNSELL Cameron, Mo. Aesthesian.

"Oh, the fascination that a mathematical problem has for me."

DIVAN R. BRAY Maysville, Mo. Football, "W" Association, Adelphian, Square and Compass Club.

"It is a mystery to everyone why Ivan talks continually about the state of Virginia."

Cherry W.M.C Marayara

#### Seniars

We entered college in 1918, and who could think now that we ever in the least rese bied those freshmen pictured on later in the book. Can you believe that we did? The fact of the matter is we did not.

Our first year in College marks an epoch in the history of our College, yea in the history of our nation, yea and even in the history of the world, for it was in that very year that the great world war was ended and peace was declared. Since a soph is a remodeled freshman you can easily see why in our second year we were always mistaken for Juniors and Seniors. And then as Juniors we were taken for faculty members—and as Seniors we have in reality been faculty members.

But even these unusual attainments and rare accomplishmen s have not fettered our ambitions for the future. And every member of this class is proud to tell the world that he is a member of the class of 1922—and one glance at these likenesses will tell you that not one has failed to obtain a noted postion for next year.

The smile that IVAN BRAY has been wearing since May 30, is due to the fact that he has succeeded in borrowing enough money to buy the business, including the white horse, dray, wagon and licence tag from Cameron's most noted and popular junk man. Mr. Bray will begin business June 1st and hopes to retain all the present customers and gain new ones.

EUGENE McCOY has purchased the drug store across the alley from the Citizens Bank and hopes to compete successfully with S. H. Hook & Co.

Misses HANSON and MUNSELL have signed contracts with Stephen's College for a term of three years, as directors in athletics, dancing and choral work. Miss Hanson will direct the men's glee club at M. U.

HERBERT DIETERICH has had Mr. Farrell employed for the past four weeks in painting a sign to hang in front of the building across the street from the Junction. Mr. Dieterich will compete with Dr. Hicks, the famous colored corn doctor, and will expect the hearty patronage of the college student body.

FINIS FRAZIER, because of his marked ability shown as stage manager in the senior recital—has been employed to act in the capacity of chapel stage manager for a term of two years. He will be expected to dress according to the dignity of the position—in evening dress suit.

RAYMOND DICE has signed a contract with Dad Bowles as official water boy for Wm. Jewell's football team for the next year. Ray says that he will always be loyal to his Alma Mater.

FRANK BENNETT says that the only discouraging feature in his future is the fact that Louise knows nothing

of farm life. But we hope that Frank will be a successful teacher and Louise an apt pupil in spite of her longing to be back to the city.

RAY HOLDER says that he is afraid of becoming seasick in his journey across the Pacific to India where he will assist Miss Dodd in her Missionary work, especially to train the students to play football.

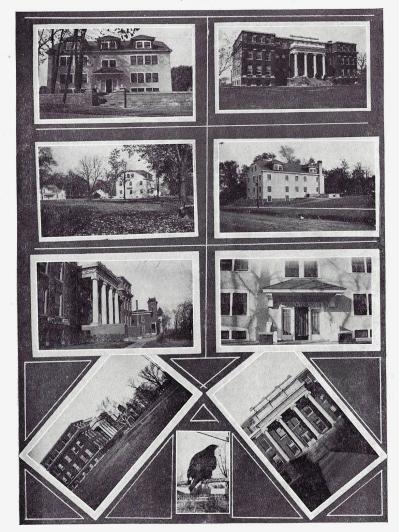

ALICE BRIDGES has accepted the position of teacher in the Park school, two miles south of town at the munificent salary of \$536.39 per. She will receive \$9.00 extra if she does her own janitor work.

MABEL COLAW will begin work June 3, as head button hole worker in the Cameron Shirt Factory. She will receive 5c per dozen for all the button holes she makes.

As the saying goes there is a black sheep in every family and we regret to say that CLYDE URBAN has proved himself worthy of the title. Because of missing funds in the Junction Eating House cash register, Clyde has a five year guaranteed position with the state—during which time Grace will virtually hibernate, at the end of which time she will strive to keep Clyde in the straight and narrow.

DUKE MEDLEY has taken a lease of five years on the Criterion and will run that en'erprising paper—incidentally featuring the annual scandal sheet. We trust that the usual joys? of an editor will not be his.

Upon receiving his graduation diploma DONALD McGLUMPHY stuck the same into his pocket and announced his intention of setting out to conquer the world. When last seen he was headed toward Ridgeway, Missouri??? And so may success crown the efforts of all.

"Works on an average of 26 hours a day."

FLORENCE ENSIGN Encircularing Mo. Aesthesian, Owl.

"This physics problem is as clear as mud."

FRED C. McFARLAND Cameron, Mo. Adelphian, Football, Owl.

"A frequent caller at the dormitory."

#### The Junior Class

Of all the classes of which Wesleyan can boast, there are none better than the Juniors of nineteen hundred and twenty-one. Even in their Freshman year, while yet in their infancy, they were noted for their verdent hue. Another year found them Sophomores. There individuals began to emerge from the class as a whole and to be known in their different lines of activities, even to the extent of possessing among their number the all-state football captain. As a Junior class, there is scarcely an organization that does not claim a Junior as an active part.

We contributed a member to each of the college quartettes. For who in this college has not heard Christine's alto or Kenneth's bass? Besides Erman Miller represents us on the Men's Glee Club. If you want any instrumental music just call on Edna Garner. She graduated in piano last year. And, oh yes, Erman is in the orchestra, too. Of the football men who received four stripes on their sweaters this year, one year being played during the S. A. T. C., three are of our classification. The names Glenn Filley, Fred McFarland and Leslie Irwin have long been well known on the gridiron of Wesleyan college. Leslie Irwin was the captain of this year's team. Lester Slayton has still some time left to be on the squad. When you come to track, Herbert Kimes is right there. Then there is LeRoy Williams, who is the editor-in-chief of the college paper, The Criterion, and Mabel Shaw, Vida Shafer and Christine Kendall, who are also on the staff. Who says the Juniors aren't there when it comes to the Criterion? The class has also furnished the presidents for the Aesthesian Literary Society for both semesters of this year. And then we managed to have some people on the honor roll. So we are right there when it comes to the scholastic side as well.

What does that show about the Juniors? Simply that they are an allround class with plenty of brains and muscle, with a love of fun and a supply of pep, with love and loyalty to class and to college. That's the Juniors!

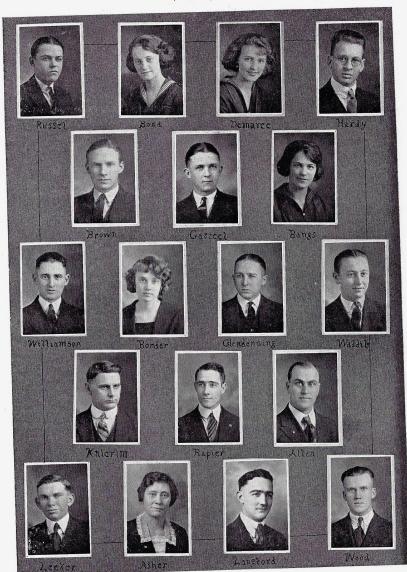

Next year will find us Seniors. Then we will get to try to see what we can do. We are all going to do something great. To be sure we are. Just watch us and see, if you don't believe it. For instance, Loyce Wise will be one of the leading professors of Mathematis in a noted college; Florence Ensign is taking Mathematics, but by that time she will probably be practicing domestic art for a certain young man; Ada Williamson will be famous for her Y. W. C. A. work; Lyllis will be on a farm in northwest Missouri and be helping put in practice the most advanced theories of scientific Agriculture: and you will hear about Helen Welch's wonderful Kindergarten, after which most of the rest are modelled. Christine will be a grand opera star and Edna will be her accompaniest. Kenneth will be a noted evangelist singer with Erman Miller to play on his clarinet. Opal Ashburn will be in a home of her own and it will be run by the latest rules in domestic science. LeRoy, of course will have a great paper and Mabel Shaw will write the leading articles in it. Lester will be a successful farmer and his wife one of the best voice teachers for some distance around. Fred McFarland will be engaged in oil speculation while Glen Filley and Leslie Irwin will be far-famed as football coaches. Herbert will occupy the chair of history at Yale or Harvard, and he will be the leading influence in the American Historical Society. Do we all have glorious futures before us? Well yes! Just watch the Juniors.

CHECKYM M·W·C MAKANIONO

#### Doings of the Sophomores 1921-22

We of the class of '24 have labored long and unceasingly to make a name for ourselves and our college. No doubt we did present a troublesome problem to the faculty the first few weeks of our Freshman career; but due to their noble efforts, the teachers so fixed in us the love for a useful education that now in our Sophomore year we look with dread to the time, two years hence, when we shall have completed our course at Missouri Wesleyan.

That we as a class are leading a well-balanced college life is shown by a review of the various activities engaged in by members of our class.

On the championship football team we find Allen McMahon and William Slayton.

The first team of basketball claimed Wallace Croy and Wm. Slayton.

We were ably represented on the winning bear cat team by George Leeker, who came to us from the Kansas Agriculture College.

The girls' athletic activities have claimed our attention and won our loyal support. Lola Demaree and Florence Farmer played on the girls' basketball team.

Our class is being well represented in track and basketball activities.

On the religious phase of school life we have active participants in Y. M. C. A., Y. W. C. A. and the Ministerial association.

Every Sophomore is an active member in one of the four Literary societies.

Both the quality and the quantity of the two Glee clubs are indebted to the willing efforts of the Sophomores. These same vocalists also are giving their time and support to the Opera Faust.

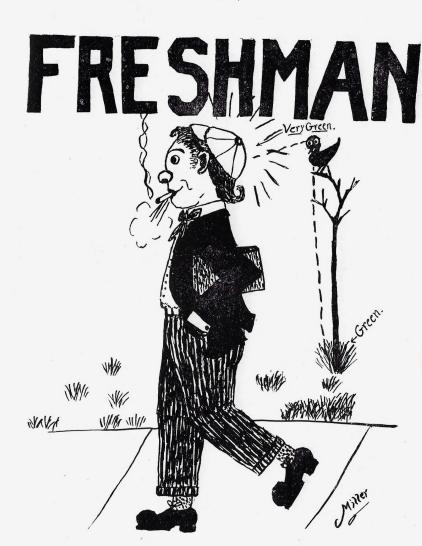

Marguerite Bangs and Anna Buck were our representatives on the honor roll of the first semester. The others of the class have a high scholar-sip ranking and were found in the second group of students.

The department of expression has not been overlooked by the Sophomores.

And lastly—Missouri Wesleyan's Debating club is made up of Sophomores, viz: Emerson Brown, Fayette Rapier, Robert Russell and Raymond Spurlock.

Our aim as a class is to uphold the standards and live up to the ideals of Missouri Wesleyan College. —E. L. K., '24.

studies."

"Not always agreeable to be so good looking."

CARYL HOWARD '24 Watson, Mo. "Listens to what others have to say."

#### The Seniors of '25

Early in the fall, when school was being recognized as a part of the day's routine, the upper-classmen became aware of a class quite cosmopolitan insomuch as the members thereof, are gathered from far and near, forming a segregation quite the most pleasing of any that has ever graced the halls of Missouri Wesleyan College.

The class organized with the purpose in view of bringing honor to Wesleyan; towards this end we have constantly striven.

We are exceptionally goodlooking, intelligent, and a necessary prop to the school, for within our numbers, there are musicians, readers, artists, silver-tongued orators, scientific farmers, dignified professors, and ministers.

We have contributed largely to the football and basketball teams and have some promising track men. A few of our band are interested in campustry.

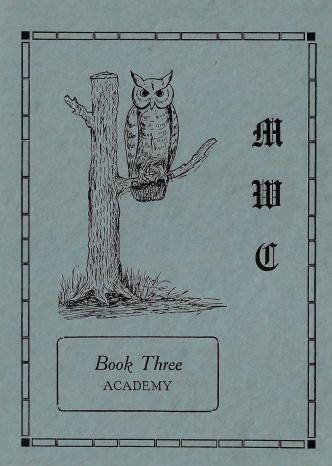

As it has been of our illustrious class, so may it be with our auspicious future, culminating with a final victory in 1925.

Then here's to the class of '25!

The class with ideals so true!

If you follow the class of '25!

There's success and joy for you!

CHCCSCAN M·W·C MANAGOND

CHCKKAN M·W·C HANONO/OND

# JOSEPH E. LAYTON Director in Piano DEPARTMENT OF MUSIC

Mr. Layton completed a course in music at New Brunswick, Canada, then went to Leipzig, Germany, where he spent three years. After returning fron Germany he studied organ under Henry M. Dunham of Boston. He has been in Missouri Wesleyan College since 1907 as head of the piano department. His kindness and congenial manner has made him a friend to all the students.

# WILLIAM E. TRACY Instructor in Band and Orchestra

Mr. Tracy studied under several good teachers in St. Joseph and later took work in New York City. He was Army Band Leader for a number of years and has had ten years practical experience in teaching all band instruments. His interest and ability as band and orchestra instructor have been fully appreciated by all those who have heard him.

MRS. JESSIE C. TRACY Instructor of Violin

Mrs. Tracy has had several years of study under leading teachers. She has done extensive work as a teacher and on the chautauqua platform. During her time spent at Wesleyan she has proven herself to be excellent in her work.

HERBERT C. KELSEY Professor of Voice

Mr. Kelsey graduated from Missouri Wesleyan College in voice in 1908. After this he continued his study in Chicago. For several years he has been the instructor of voice at Missouri Wesleyan College. He loves music and is greatly interested in all his pupils.

MISS EVALYN L. KLEIN
Instructor of Piano, Harmony, History of
Music and Ensemble

This is Miss Klein's first year at Missouri Wesleyan College. She has studied extensively in Chicago. With her gentle and reserved manner she accomplishes much in a quiet way.

#### Orchestra

Missouri Wesleyan has been fortunate indeed this year in securing Prof. and Mrs. W. E. Tracy as instructors in the Music Department. Their work with us has been most pleasing and excellent.

Professor Tracy came to us highly recommended, having been for the past ten years, an instructor of U. S. army bands and assistant director of organization of army bands. As a member of the orchestra, I can say, without qualification, together with the other members of the organization and the entire student body. that he has even exceeded our highest expectation.

The Orchestra consists of thirteen members—Violin, Mrs. Jesse Tracy, Neva Garner; Cello, Mabel Maxwell; Clarinet, Erman Miller; Cornets, Uhl Kendrick, Wallace Thielman, Kenneth Crawford; Trombone, Prof. W. E. Tracy; Saxaphones, John Bowman, Clay Gwinn; Drums, Finis Frazier; Plano, Clara Boon, Edna Garner.

Though there has been but one rehearsal each week, remarkable progress has been made under Professor Tracy's most efficient leadership, at is evidenced by the quality of work done in public performance.

The orchestra assists at the regular chapel exercises accompanying the opening song and playing a closing march. The enthusiasm which such live music lends to the chapel exercises is invaluable. On several special occasions the orchestra has played an important part.

Included among other entertainments in which they assisted were: Adelphian Minstrel, Inter-society Debate, Inter-collegiate Debate, Denver Agricultural College Debate, Aesthesian Banquet, Senior Recital of Mrs. Marguerite Overstreet and Miss McKee, and Miss Zola Althouse in her presentation of "Madame Butterfly".

Their final appearance in a full open concert gave evidence of careful, diligent work on the part of Prof. Tracy and Mrs. Tracy and the other members.

# Conservatory of Music

# Joseph E. Layton, Director

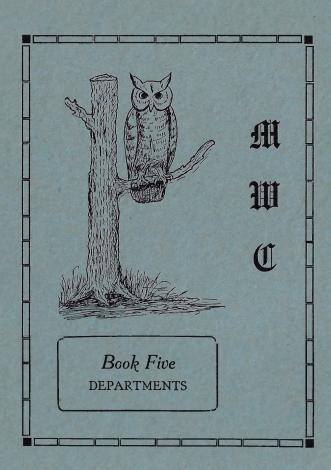

The Department of Music, Missouri Wesleyan College has grown to such an extent that the enrollment has doubled in recent years, a fact which speaks volumes for the popularity of the school, and the character of the work here accomplished. Graduates of this school frequently enter larger schools, where they pursue postgraduate work, and are therefore qualified to assume responsible positions. Others return to the localities from whence they came, and proceed to impart instruction to those who hitherto have had but limited musical advantages, and thus the good work goes on. The teachers of Missouri Wesleyan Conservatory are untiring in their efforts to secure results that will be lasting and beneficial, especially with students who prove themselves worthy of the confidence reposed in them.

# Expression

Every item of expression bespeaks a back lying idea and an impulse to make that idea the possession of another. The gesture, bodily motions, the dance, the spoken word have all been used for this end. The work of the painter, the sculptor, the musician, and the speaker all point to the desire to impart what is felt to be worthy of impartation. What is expressed, then, bears a semblance to the thought in the soul of the person expressing.

Training in expression by means of the spoken voice has first to do with developing the power of thinking; for vocal expression must be nothing less than transparent thinking. No superficial drill, no aggregation of artificial tricks can be successfully substituted for the living act of thought. Next must be strengthened the impulses to share, all real expression being social. Last of all, there must be an evaluation of every power of body and voice, of every potentiality of figure and manner. The teacher may then construct the ideal personality for the individual learner; and this ideal will be the pattern, as through long years of patient toil, every resource of mind is developed, every power of soul is strengthened, and the ability to mirror that inner life of thought and feeling is brought to perfection.

# Pi Kappa Delta

April second nineteen hundred twenty-two saw the birth of a new organization at Missouri Wesleyan College. The newest addition to the Wesleyan family is a local chapter of the forensic Pi Kappa Delta. Active participation in inter-collegiate debate and oratory form the requirements for admission. Those entering petition for a charter for Alpha chapter include Professor Grace Sloan Overton, coach of debate, with the degree of honor, Professor True Taylor, with the degree of proficiency, Robert M. Russell, Raymond B. Spurlock, Vida M. Shafer, Fayette E. Rapier, and Emerson Lee Brown all with degrees of fraternity. The new organization will endeavor to foster a greater debate program for Wesleyan of the future and with unison established with a national fraternity the forensic activities of Wesleyan should receive a new impetus. The chapter invites the co-operation of administration and students in making Wesleyan a greater school. Robert M. Russell was selected to guide the destinies of the schools newest venture. May Pi Kappa Delta prove one of Wesleyan's greatest auxilaries.

The Adelphian Literary Society commenced the school year with the same enthusiasm and "pep" that characterized the actions of its members during the latter part of last year. After the usual two weeks of "grace" had expired the Adelphians put on a big membership drive bringing the roll up to eighty. The work this year by the society has held to the same high standard set by its predecessors. The annual "Stupendous Colored Minstrel Show" was bigger and better than ever, its success in its first home appearance being such that Osborn immediately drafted the boys to play their city. The Fourteenth Banquet of the society was held the latter part of February in the I. O. O. F. Hall. Each year the Adelphians put on larger and more successful banquets, and this year was even above the plane to be expected. It can be said that the Adelphian Banquet was the peer of the literary society banquets held this year.

Several of our old members leave school this year and will be hadly missed, but with the new material coming up to the average of the last few years, the Adelphian Literary Society will carry on the old watchword. "To be what you seem".

The Aesthesian Literary Society is the oldest literary society in Missouri Wesleyan college. It was organized shortly after the founding of the school by Mrs. Proctor, the wife of the President of the Institution. At that time it was known as the Hesperian Literary society. In the winter of the years of 1890 and 91, Missouri Wesleyan was promoted to the rank of college and the society changed its name to that of the Missouri Wesleyan College Society. However in the month of September of 1891 it was again changed and this time to that of the Aesthesian Literary Society.

Year after year has brought its ceaseless changes, losing for the society old faces and gaining for it new ones. Today the Aesthesian girls are as fine and as jolly a bunch as one could hope to find. Nor do they lack talent. Three of the girls on the Girls' quartette are Aesthesians and if you ask some readers, why there is Mary McKee, Goldie Diven or Clara Clark and some others besides. Yes, we have talent. The Lawn Fete given by the society annually shows that.

If, in the onward march of time the Aesthesian Society upholds its record for progress, it will carry out the hopes of the present Aesthesians.

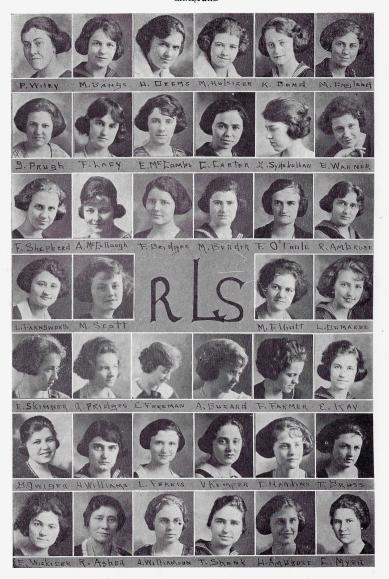

"Oh, we are Aesthesians, Aesthesians, Aesthesians, Oh, we are Aesthesians of M. W. C. We're all of us workers, we're none of us shirkers, Oh, we are Aesthesians of M. W. C.

#### Ruthrans

CNCCSCLAN M·W·C VASSIONO

# Ruthean Literary Society

Motto: "Vita sine litteris mors est." Colors: Cardinal and Straw

Flower: Red Rose

Like unto Ruth, of old, we are gleaning the fields at Wesleyan. And in September 1921, the Rutheans decreed that they shouldst show hospitality unto the new girls; and accordingly the home of Miss Angela Buzard was thrown open, to receive the guests. Within the month, candidates were arraigned upon the steps of our Alma Mater, at the hour of 5, a. m. rigidly tested, and pledged to the Ruthean Literary Society.

Let the hungry be fed, and we heard the call and sold sandwiches on  $We \ell \, nesday \, mornings.$ 

In all arts, we portray a leading part, with honor and glory for Wesleyan, as our incentive.

With the close of the football season, we felt that homage should be rendered unto our heroes, and likewise planned how best we might render "honor where honor is due". On December 6, 1921 we invited them to our hall, and later to the banquet room.

When the second semester rolled around, a large percentage of the honor students were the Ruthean sisters. Then the Ruthean-Aesthesian play, under the excellent supervision of our patroness, Mrs. E. A. Overton, was given the second week in March. On St. Patrick's Day, as is the ancient custom, our annual banquet was given, in the I. O. O. F. Hall. The oratorical contest, under the auspices of the Alumni, is to be well represented—further I dare not go.

But, as has been our glorious past, so may our auspicious future culminate, with a far reaching series of fame and good fortune, bringing to Wesleyan, the best to be had.

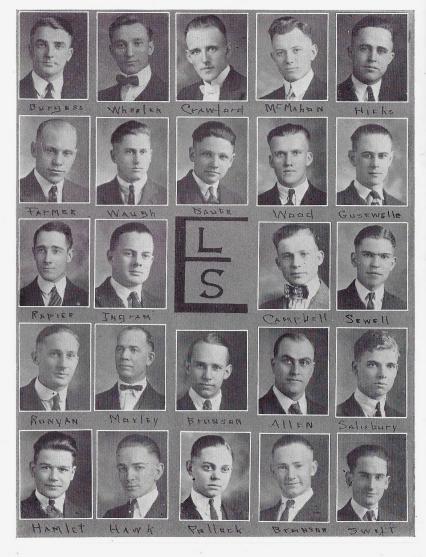

Here's to the Rutheans, in for the best As we gather each week, in our meeting If you'll try us I'm sure we can stand the test And to you all we send a greeting.

—J. W. S. '22,

.....R. L. Henry, Fayette Rapier, Thoburn Hawk

The school year of 1921-22 has been one of success for the Excelsior Literary Society. Things started off in the fall with a reception for the new students. Throughout the year interesting and worth-while programs were given. The annual banquet was, of course, a feature of special interest and pleasure. Excelsiors have taken an active part in debate, oratory and the other literary activities of the school. The society has, in fact, succeeded in maintaining its high standard, and has pointed its members to ideals of attainment worthy the name and meaning of Excelsior.

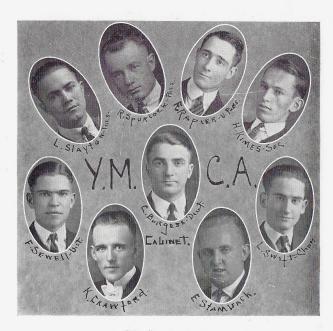

The year of '21-'22 has been an unusually interesting and successful one for the Y. W.

The Y. W. has by no means selfishly confined its work to its own members. In outside work the Gospel teams have done a large amount, in conducting services for congregations that have no pastor, and in helping the student pastors in their work. In providing wholesome entertainment both for the school and the community the Y. W. has not been backward this year. The missionary pageant presented this cause in a most appealing and interesting way to the whole community. The slides presenting the "Passion Play" and the need of social workers both at home and abroad were most entertaining and instructive.

The social life has not be slighted, first there were the receptions, which were enjoyed by everyone, then later in the year the banquet, "hiking clubs" girls to visit the "shut-ins", and the social work of the Gospel teams.

In another very important phase, the financial, the "Y" girls were quite successful this year as they have paid the remaining part of the pledge to the "sister college" in China and will be able to send delegates to the conference this year.

The U. M. C. A.

The Y. M. C. A. at the beginning of school was led by Raymond Spurlock. Several gospel teams were organized, which are still doing splendid work. Rev. R. L. Henry is the efficient chairman of these teams. Much good has been done by the employment bureau which was a new feature in our work this year. Rev. Moxley, acting as chairran. Most of our regular weekly meetings have been led by members of the organization. thus developing their latent talents. This has been augmented by prominent speakers of the town. At the beginning of the second semester, the burden of leadershin was shifted to the shoulders of Mr. Irvin Nelson. With the able assistance of Mr. Spurlock, he "cooked up" plans for the State Y. M. C. A. Conference. These were worked so successfully that the delegates here on March 17, 18, and 19th were entertained with little trouble. The meetings were of great benefit to all who attended, and the climax was reached when, on Saturday night, a banquet was spread in the dining room of our new dormitory. We expect to send several delegates to the Hollister Conference in June.

# Ministerial Association

#### OFFICERS

President .. .A. L. Hardy Sec'y and Treas .... ..Samuel Moxley Faculty Advisor......Professor E. A. Overton

At the beginning of the school year a meeting of all the Ministerial Students was called. Officers were elected for the coming year and immediately they assumed their duties. It was decided to meet every other Wednesday night.

The purpose of the organization is to get together and discuss the different needs and difficulties that come up on a student charge. The program committee got together and outlined a program that would cover most of the difficulties that would arise.

We have been fortunent indeed to have some of the most influential speakers of the college and city to be with us and give addresses on subjects that they were thoroughly familiar with, and could give the best of advice.

The Association has been favored with addresses from Professor Overton, Rev. Davis, Rev. Arnfield, Dr. Thompson, Dr. Harmon, and Dr. Cline.

The Association has been beneficial to the young pastors in helping get a better idea and understanding of God's will and the work of the Kingdom. The year has been very helpful and we feel that we are better pastors than we were last September.

CNEWN M·W·C MAXON/OND

# The Ladies' Quartette

CNGSSSW M·W·C NASSSOND

# The Ladies' Quartette

The Ladies' Quartette, organized at the first of the year, has worked faithfully to maintain harmony, not only in rendering their program, but in their association with one another and all those with whom they came in contact.

Many towns and rural communities have been visited and many lives brightened by the programs of the Ladies' Quartette, and at all times glowing accounts of Missouri Wesleyan were left.

The experiences of the ladies of this group have disclosed rare qualities:

Mrs. Cruickshank, first soprano, has a wonderful clear, sweet voice, she is always ready for any emergency, in fact rocks seem to be her chief weapon for defense.

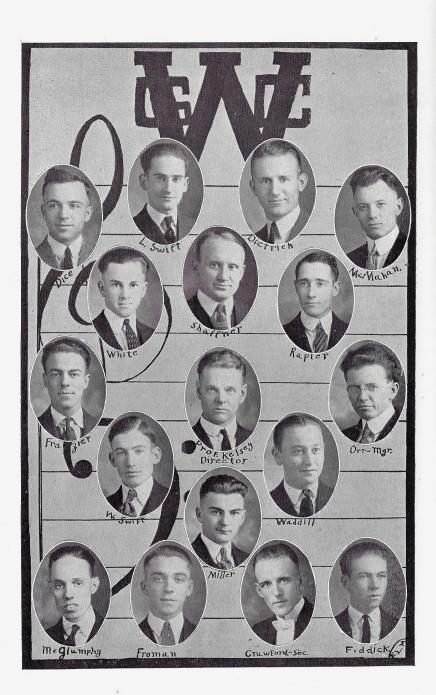

Mrs. Davis, second soprano, with her rich mezzo voice, is always ready to start on a four mile hike in case the gasoline gives out, or to crank the Ford when everyone else gives up in despair.

Christine Kendall, first alto, never gets too tired or sleepy to sing, or to see that the baggage does not get out of the rack.

Elsie Ingram has been known to carry two suit cases a mile, then to play accompaniments, and sing with her usual pep.

Mary McKee has for the past year been reader for the Quartette and if all else should fall, Mary could be depended upon to make a "hit". Her audiences always respond heartily to her readings. Mary is as good as a handy man when it comes to lifting a Ford out of the ditch.

The success of the Quartette could not have been so complete without the services of their mascot and driver, Croy. Over all kinds of roads and through weather most unpleasant he piloted the Ford and always maintained his good spirit.

## Men's Glee Club

At the first call for candidates for the Men's Glee Club over thirty fellows responded. Nine of these had sung on the club during the previous years. Competition was keen for it was known that the club was to be limited to sixteen.

Under the able direction of Professor Herbert C. Kelsey, a program which proved to be one worthy of any such organization, was worked up and shortly after the beginning of the second semester the club had filled several dates in near by places.

The club was very ably assisted by Miss Clara Boon, pianist and Miss Margaret Frazier, reader-soloist. These young ladies drew nothing but praise at every program that was given.

During spring vacation a trip was arranged for by Manager Orr and ten towns throughout North Missouri were visited and enjoyed programs given by the Wesleyan Glee Club. The Glee Club is a valuable medium for advertising Wesleyan and no doubt aids materially in securing students for the institution.

The Second Annual Concert given at the First Methodist Church at Cameron on April twentieth was attended by a record breaking crowd and one of the best programs of the year was given by the club on that date.

In the words of Director Kelsey this year's club is one of the best, if not the best, that has ever been developed in the history of Wesleyan.

Only three men are lost by graduation and with all the old men back Professor Kelsey should have no trouble in making a club that will surpass the one of 1921-22.

The personnel of the club is as follows: H. C. Kelsey, Director; Clara Boon, Pianist; Margaret Frazier, Reader-Soloist.

NUMBER 11

DIVORCE CASE

# DEAN DALKE LEADING DOUBLE LIFE

ROLE OF DR. JEKYLL AND MR. HYDE

College Dean Discovered as Owner and Operator of Huge Dive.

A huge dive owned and run by Dean D. L. Dalke was discovered and raided last night. The Dean endeavored to escape, but was caught by a brave officer.

Early yesterday morning a "stool pigeon" employed by Mr. Hardy, tipped off the occupants of Ford Hall as to the location of a cleverly concealed dive. Last night the place was raided.

Dean Dalke who, as we know him, is very much opposed to the cigarette and its companions, was, until last night, the owner

Head of Social Science of and operator of one of the M. W. C. Academy most cleverly concealed as Defendant. dives ever raided in the history of our city. The As a distinct shock to basement of The Cameron the community came the Sun office building, which announcement that Mrs. is drab enough in the day-Rosa B. Taylor nee Asher time, had been transformhad filed a suit for divorce ed into a whirlwind of against her husband, Doctor True Taylor, pastor of gayety. There the yellowthe Maple Avenue Church fingered fiends could oband head of the Social tain the wicked weed: Science department of Misthere the dashing young souri Wesleyan Academy millionaire could lose his in Judge Buchner's court

> The announcement came as a great blow to the husband's friends who had often heard him brag of his home life and his wife.

in Independence.

MINISTER NAMED IN

The Taylor's have only been married a year, having figured in the sensational double elopement the first of last April. From all reports the couple were still in their honeymoon stage.

From a close friend of the family though we learn that it was not as much of a surprise as outsiders believed. Dr. Taylor has devoted most of his time in teaching Sociology, and up to the last three months had been a firm advocate of the suppression of divorce, but in the last few weeks he had been reported to have stated to his class on several occasions that divorce was a heaven sent blessing.

#### PROMINENT CO-ED FOULLY MURDERED

Jealously 1s Given As The Cause-Murderess In Hands of Police.

Miss Ada McCullough was murdered by poison March 23rd, Miss McCullough and bosom friend. Miss Grace Irminger, had gone to Leach's Restaurant where they were to take dinner.; During the meal Miss McCullough was called to the phone. While

she was talking Miss Irminger put potassium cvanide in her coffee. Miss McCullough died in the hospital at Osborn, where she was taken that evening.

shekels at the roulette

wheel; there the wayfarer

with the parched throat

could slake his thirst:

there the shallow-faced

dope fiend could get the

powders he craved: there

the "Apache Dance" was a

common sight; in fact,

there anyone could get and

do about everything he

should not.

Miss Irminger broke down and confessed her crime to Chief of Police O'Neal and Dectective Mc-Narry after three hours of gruesome third degree. She admitted that she had planned the crime for sometime and gave jealously as the cause. Both

OWL

JOHN BARLEYCORN AT WESLEYAN

Dr. W. F. Cline, B. S., Ph. B., L. L. B., A. M., Head of Poison Fraternity.

John Barleycorn is at last dead at Wesleyan. Until last week the Volstead Act seemed to have been, not a mortal wound but an inviting scratch on the ear, which had but stimulated the disgusting activities of John B. until the very moral fiber of our institution was threaten-

Throughout the school year we have found evidences of the lamentable fact that liquor was slowly eating out the vital organs of our entire student body. Drunken orgies at Ford Hall and Rice Hall have condemned our college as fit for nothing but the training of bartenders. When a bottle of moonshine exploded in Ford Hall some time ago, a fire was started which might have meant the loss of one of our most beautiful buildings. One night not long ago a tipsy student succeeded in climbing the flag pole and knocking off the heavy ball which surmounted it.

One thing impressed Detective L. Irwin strangely. He observed that Dr. Cline never used any of the neatly arranged books in his bookcase His brain functioning like thunder and lightning. Leslie hurled a chair at the bookcase. The false book covers crashed. and liquor gushed forth in a golden stream. Needless to say, there was an immediate stampede in the general direction of the bookcase

NEW ERA FOR M. W. C.

Board of Education Ceases "Rip Van Winkle"-Influx of Students.

Coming back to life after the majority of observers had given up all hope for its recovery, the Board of Education met last Tuesday and made big preparations to put Wesleyan where she belongs at the top of all the educational institutions of the state

The board took a tonic last Monday night and early Tuesday morning already had under discussion the project of making Ford Hall a more habitable place, so that the inmates could spend their evenings at home, instead of wasting the energy which should have been devoted to their studies. to walking to Mr. Weaklev's and Mr. Jarboe's palaces of amusement. Plans were definitely made and the money appropriated to place in the Y. M. C. A. room, three pool and billiard tables, four dice tables where the homely and good old fashioned game of stud poker might be indulged in, thirty cuspidors, four dozen ash trays, and for the benefit of R. D. Wood, Junior Clark, Eddie Kurz, and others 3 checker boards

The board feels that at this time no more time nor

will be installed.

Missouri Wesleyan Concert Company

CHERRAN M·W·C MARAZONA

# Missouri Wesleyan Concert Company

They are the Concert Company of M. W. C., Have traveled o'er land and lea; Take with them a word of love and song And fill each heart as they go along.

There are four of them you know—Singer, pianist, reader and fiddler—Ch!
Their work is pleasure, life is glee,
For they are workers for M. W. C.

One has a voice that trills like a bird, Is always pleasing when 'er heard, Sings her song in the usual way Who could it be out "Es-May"?

To gladden the heart with violin and bow, With tones so beautiful, sweet and low She, an artist has proven to be—Who could it be but "Ne-vee"?

They have a reader, who can laugh and cry, More than that—can make a mud pie With talent so rare and unusual you see Who could it be but "Mar-ee"?

With a graceful touch on the ivory keys
She produces her lovely meiodies
In a cheerful unassuming way
Who could it be but "Ed-nay"?

For their Alma Mater they are staunch and true, And they will work the summer thru They'll return, we know not when "But by their work ye shall know them."

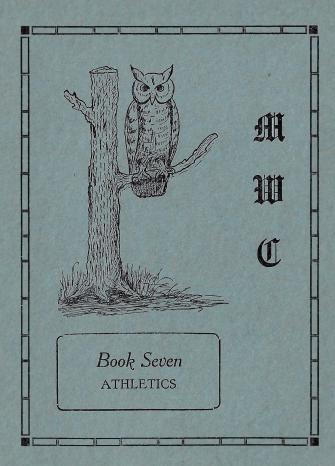

## Debate

Debating is receiving more and more recognition and attention at M. W. C. The offering, by Mrs. Overton, of a course in that art followed by a course in public speaking proved to be not only an invaluable help, but also a definite step forward.

The debate team was chosen by a committee from the faculty assisted by Prof. Miller of Maryville State Teachers' College. A good schedule was arranged and all seemed bright for the new team, when on one day three of the four dates were canceled. One school pleaded a lack of finance; the other two merely said that they were unable to put teams into the field. The result was that only one debate took place.

The debators of Wesleyan, this year, organized a chapter of the Pi Kappa Delta, the national Greek letter society of debate. The members of Alpha chapter of the Pi Kappa Delta are: Mrs. Overton, True Taylor, Robert Russell, Raymond Spurlock, Vida Shafer, Emerson Brown and Fayette Rapier.

We are looking forward to a good year in debate next year.

OWL

# ATHLETICS

CHERCHAN W.K. MINISOND

COACH E. A. DAVIS

Coach has been with us for the past five years and we hope that we can keep him many more such years. He stands for clean athletics in every form. He expects the best from every man on the field of athletics but it must be done in the cleanest and best way. He loves football and puts forth his best efforts to turn out a winning team. He has played the game and loves to tell others how to play. We expect "Lefty" to put out a real grid-team next year that will keep up the standard that his other teams set.

RAY DICE

Dice is our player-manager of athletics. Ray has made a good manager as well as a player. It takes a real man to play the game and manage it, too. He was one of our fast pony-backs and could always be depended upon to make consistent gains. This is his last year at Wesleyan and we only wish that he could be back to carry the pig-skin for Wesleyan next fall.

LESLIE IRWIN

"Joe Pick" hails to Missouri Wesleyan from Jamesport, Mo. He was captain this year and a better leader could not have been chosen. Joe is known for his breaking through the line and smearing up the opponents' plays. Joe uses his head and knows just what the other team is going to do. He won the tackle position on the all-state team of last year and the same position on the second team this year. Joe is a monster in the line and has made all the conference teams fear and respect him for the last four years. He will be greatly missed by the team next fall.

## Review of the Season

The Missouri Wesleyan football team started another successful season when they took St. Benedict's to a 6 to 0 victory. The game was played on a muddy field and it was hard for either team to make consistent gains. Coach Davis worked out all his new men and got his team in good condition. The game seemed destined to end a scoreless tie when Holder blocked an opponent's punt and fell on it back of the line for the only score.

In the first conference game of the season Wesleyan defeated Tarkio 23 to 7. This was a hard fought game from start to inish. Things looked dark for Wesleyan when Spike Williams picked up a fumble and ran for a touchdown. This only put the old Wesleyan "Pep" into the team and they carried the pig-skin down the field with much more ease than before, scoring three touchdowns and a drop kick before the whistle.

Missouri Wesleyan won her second conference game against Springfield Teachers' College. Coach Davis and his warriors journeyed to Springfield and defeated the Teachers 10 to 0. The game was hard fought but our team was greatly weakened on account of their captain being compelled to remain at home with the flu.

Central College lost to Wesleyan here six to twenty-four. Our grid machine was in good condition and worked exceedingly well. Central was full of "pep" and determination, but soon saw they had no chance of winning. It seemed as though they would not score but late in the game they caught our defense asleep and slipped over a pass for a touchdown and their only score. It was a good clean game hard fought throughout.

Coach Davis' grid team journeyed across country in Fords and won a 14 to 7 yictory over the Rolla Miners at Rolla on Oct. 21st. This was one of the hardest fought games of the year. Wesleyan's quarter back ran his plays so fast that the

opponents couldn't get down before his plays were gone. The game looked as though it would end a 7 to 7 tie until Bill Slayton intercepted a forward pass and ran 65 yards for a touchdown. Wesleyan played a waiting game, kicking game and waited for the breaks, they got them. This is a game no Wesleyan player will forget in years to come.

After a two weeks' rest Wesleyan won her fifth conference game when she defeated Westminster college at St. Joseph 36 to 0. This game was played at St. Joseph as an advertisement. It surely was an advertisement for Missouri Wesleyan at least. Although Westminster had a larger team it could not show the pep it takes to put the pig-skin over. The regulars were soon taken out of Wesleyan's backfield and the pony backs substituted. They worked better than ever before. It was said that the more subs Coach Davis sent in, the faster they got. Almost everybody that could carry the ball got a touchdown. The game developed into a rout before the final whistle blew.

Wesleyan's first game with the new member of the conference, Culver-Stockton was played the following week here. It was a very easy game from start to finish. The visitors were clean hard players and showed the old fight although they were out classed and were losing. Every man that had donned a uniform got to play before the game ended, the second string men finished the game. The whistle stopped scoring with Wesleyan on the long end of the 76 to 0 score.

The last game of the season was staged on Thanksgiving day between the two old rivals, Weslevan and Jewell. It hardly behoves one to think of Wesleyan losing that game by one measly drop kick. It was a dream or something that we have been unable to figure out as yet. The Wesleyan team played below its standard for some reason. It was their first defeat in five years, but we hated to lose it to Bill Jewell. This left Wesleyan in a triangular tie for the state championship with Jewell and Kirksville. We hope to have a winning team next year. One that will not have to be tied with anyone.

CHECKEY M.W.C MAKAMANO

PAUL RISING

"Dutch" is our 1922 captain. He loves to play football with Missouri Wesleyan because he came from Portland, Ore., back here to be with us. He won the all-state quarter back position this year and also won the same position when he was here before and we know that he will get it for the next two years. "Dutch" puts the old life into his team mates by his snappy barking of signals. He runs his plays fast and gets the jump on his opponents. He playe! his best game of the season against Rolla.

#### RAY HOLDER

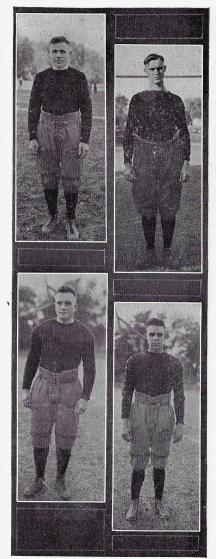

Holder is another old man on the team that has played his full four years. He played tackle and saved the day for Wesleyan in the St. Benedict's game. He is the premier of all around athletes in school winning a letter in all the sports that we engage in. Ray was especially good at breaking thru the opponents' line blocking kicks. He received his football training at Braymer High school. The 1922 squad will find a big hole in his side of the line.

IVAN BRAY

Guard Bray has played three years on the Wesleyan grid team, played guard this year. He was greatly handicapped by a bad knee most of this year. This is his last year with us, and we hope that he will be as successful coaching next fall, as he was here as a player.

WILLIAM SLAYTON

"Bill" played on the freshman team at Missouri University three years ago, playing with the Wesleyan squad the last two years. He is a sure tackler and runs back punts well. He was chosen as second team all-state full back last year. Bill is a good punter and with a little more experience will be hard to beat. He is fast and a hard man to stop when he starts through the line. He is another of Lathron's favorite sons. He has two more vears with us.

EUGENE McCOY

"Mush" has won his fourth "W" in football at Wesleyan and we only wish that he might be here to win as many more. He was a good sure punter. He carries the ball well and is to be relied on for his share of the gains. Gene has played halfback for four years, and his place will be hard to fill next year. He is a good defensive player and can break up plays with the best of them. Eugene received his former training on the Lathrop High team. Gene was never a "grandstander" but had the knack of always being at the right place at the right time.

HERBERT DIETERICH

This is Herb's last, fourth, year with us. He played left end this year and made good when called upon. Herb was one of the best men in the state when it came to backing up the line. He made the second all-state position at end this year. He was always willing to do his best, and played a good, clean hard game from whistle to whistle. He came to us from Marceline, Mo.

GLENN FILLEY End

Filley is another man that has served his four years on the Wesleyan squad. He will be greatly missed next fall at end. He was captain of the all-state team last year and was chosen as end on the second team this year. He is an all-around athlete, being chosen last year as the best athlete in school. He is always in the game, playing consistently and always to do more than his share in the game. He is one of the most feared men in the state when it comes to going down after passes.

FRED McFARLAND Half

"Mack" has played his full time at Wesleyan, and we regret to lose him next year. He was good at breaking up line plays and passes. "Fritz" was fast, strong and ideally built with plenty of weight for a good half back. He is one of the players that loves the old game for games' sake. Mack comes to us from Altamont, Mo.

THE OWL 

#### CHARLES SHAFFNER

"Red" comes to Missouri Wesleyan from Lathrop, Mo., and is another of our first year men. "Shack" was greatly handicapped in weight but is fast and with this year's experience it will be hard to root him off the first squad next year. He was the other of our pony backs and was noted for the interference he ran. Like all red headed people "Red" was full of fun and fight when it was needed.

## JUNIOR CLARK

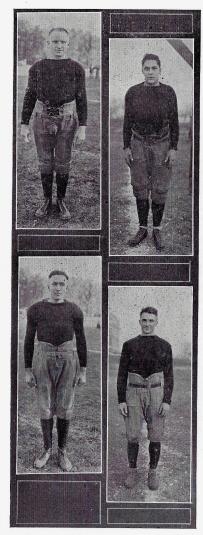

Clark comes to us from Cameron High School. He is a new man on the M. W. C. squad but we will gladly welcome him for three more years, Junior smashed through the line and broke up play after play. He hits hard and is a hard man to move on the defence. He has the grit and determination and can always be relied on to do his part. He will make a real man for next year's squad.

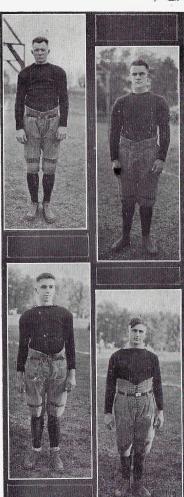

## NOEL GIBSON

Guard Gibson comes to Missouri Wesleyan from St. Louis, Mo. He won his position on the team at guard. "Gib" played a good game at guard in the Springfield game. He was fast and had size enough to charge through the line and break up the opponents' plays. With this year's experience he should make a strong line man next fall.

#### CHARLIE BURGESS Quarter

Charlie is another new man on the Wesleyan squad this year. He is a fast, snappy quarter, and always puts "pep" into his team when he comes on the field. He played his best game in the Westminster game at St. Joseph, his old home town. He is a good broken field runner and can always be counted on to take the old "pill" down the field when he tucks it under his arm. With this year's experience, he will make a real man for next year's grid-team.

HOWARD FROMÂN Center

Howard is another of Cameron High's products. He played center and no one could have passed the ball with greater accuracy than he did. He was handicapped on size but filled the position well. Froman will be a much greater center next year with this year's experience belind him. He will be with us three more years.

RCBERT CASTLE Half

"Bobbie" is another new man on the 1921 team, coming to us from Chillicothe High School. Castle is fast and fearless and a clever open field runner and dodger. He tackles hard and low. Bobbie is good at backing up the line and carries the ball well on the offense. He surely will make an extra good half in his remaining years here. He is the smallest man on the team but not the least when it came to carrying the ball.

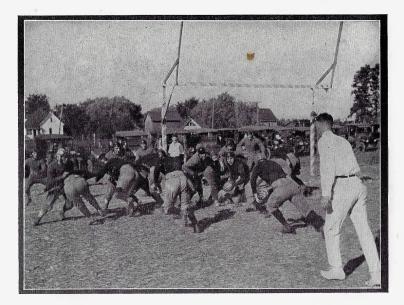

ALLEN McMAHAN Guard

McMahan has played two years with us and ve surely want him two more years. He surely loves the game greatly to come all the way from Marked Tree, Ark. to be with the squad. He played guard and is known for breaking through the line and mussing up the opponents' plays. Mack is a powerful lineman and will be a likely candidate for the all-state team next year. He is tall, "hefty" and aggressive and never knows when he was had enough.

LESTER SLAYTON End

This was "Bobbie's" second year on the squad, and a better end for his size could not be found in the state. For knocking down the interference of end runs and dropping the man with the ball, he had few equals. He will be back next year and if he plays as he did in the Rolla and Jewell games an all-state position awaits him.

Girls' Basket Ball

Top Row—Farmer, Ferris, Fairchild, Davis, Coach, Demaree, Gross, Munn Bottom Row—McComb, Davis, Kendall, Captain, Warner

## Girls' Basket Ball

There is one place at Missouri Wesleyan where the girls always shine and that is on the basketball court. Wesleyan has always been proud of the girls' basketball team and her faith is well justified. Our girls have the pep and spirit, as was evidenced throughout the season.

At the beginning of the year, material was plentiful but gradually it was sifted down until the line-up was as follows:

Mrs. E. A. DavisF	'orward
Esther WarnerF	'orward
Christine Kendall	'orward
Thelma GrossF	
Helen Munn	Guard
Lola Demaree	Guard
Eugenia FairchildJump	Center
Louise FerrisSide	Center
Florence FarmerSide	Center
Ella McCombSide	Center

Though the first game of the season, with Maryville, was not a success yet the girls were not down heartened, for Mrs. Davis, their star forward, was not with them. The game was a close one, in fact the Wesleyan girls were at one time two points ahead, but right at the close the Maryville team took a sudden spurt and ran up their score. (25-18).

At Camden Point the girls came out with the large end of a score of 21-15 though the odds were somewhat against them.

In both games with the St. Joseph Y. W. C. A. girls our team won by a wide margin, the score at St. Joseph being 30-3 and that at Cameron 46-6.

The games with Howard Payne and Central were hard fought, for both these schools have always had good teams and have in earlier years rivaled Missouri Wesleyan for the championship. Wesleyan however came out victorious in both games, the score with Howard Payne being 12-14, and that of the Central game 9-10.

The prospects this year, judging from the material with which Goach had to work, were exceedingly bright, and we had high hopes for the championship. Just as these hopes might have been realized, "Old man flu" stepped in and attacked the majority of our girls and we lost a second game to Maryville by one point. Score 19-18. A week's trip also had been planned, to Howard Payne. Central, Camden Point, etc., but still the flu interfered and attacked several of the girls and Coach Davis and wife, so the trip was postponed. Consequently the girls' hopes for the championship vanished, however we are hoping for the best in the future for most of the team will be back next year.

#### GLEN FILLEY

Captain Filley proved to be one of the best guards in the conference and none better could have been chosen to lead the team. He is a clean, consistent player, fighting hard all the time. It will take a good man to fill his shoes.

#### LESLIE IRWIN

Joe Pick was the staunch flooor guard. Playing in his third and last year, Joe was a very valuable asset to the team. His aggressiveness and ability to hit long goals was much feared by other teams. Joe has a great career in athletics ahead of him; may his instruction be as beneficial as his work has been to the college.

#### RAY HOLDER

Holder was the main star of the team. Few in the conference could out jump him. Being of a large physique he was able to move over the floor with much speed and was feared by all opponents. This was Holder's fourth and last year and his follower of next year will have to go some to fill his shoes.

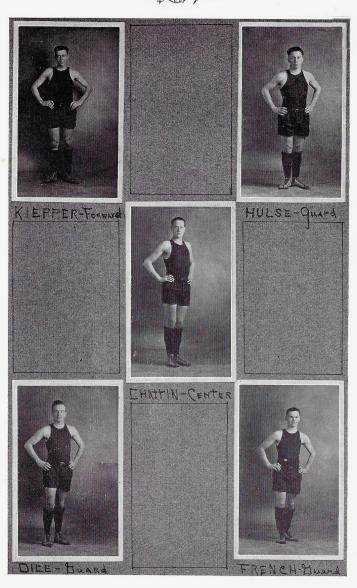

#### WALLACE CROY

Wallace Croy played in his second year with a promise of two more successful years. He was fast on floor work and a hard man to guard. His ability to shoot long goals and in taking the tip off from center won him much applause from the side lines. Croy has a great future in basketball before him.

#### WALTER BROWN

Brown arrived in school somewhat late, but nevertheless his ability to hit goals won him a berth on the team. His left hand shots are somewhat of a marvel. His speed, marksmanship and general basketball ability make him a very coming star for the rest of his college career.

#### ROY FRENCH

French played his first year for the school and did not get to show just what he could do. He plays at guard and has a dribble that is exceedingly hard to break up. He is the promise of a great athlete before his days are ended in the college.

#### ROBERT CHATTIN

This was Chattin's first year of basketball here. Although he did not get a real chance to show his ability, but what was shown was good. He has a splendid physique for basketball and will make Wesleyan a valuable man in future years.

## GEORGE KLEPPER

Klepper was not fortunate enough to win a letter this year but with the pep he showed he is a promising basketball player in the near future.

#### RALPH HULSE

Hulse was unable to get into enough games to qualify for a letter, but while he was there he showed enough stuff to be a worthy contender for a position on the team next year.

#### RAY DICE

Dice didn't get in running until late in the season, but showed enough stuff to get on the squad although he didn't play in the required number of games to receive a letter

# Baskethall Kentem of the Season

With the defeat of Wm. Jewell, Wesleyan's 1922 Basketball Season was a pronounced success.

Basketball has been a minor sport at Wesleyan, until this year, when it came back with a bang. The old football spirit was behind the team and the result was some of the best basketball in the history of the Institution.

The first game was played at Tarkio. Tarkio had a wonder team and they gave us the short end of the score. The next night Wesleyan gave Maryville a good drubbing.

The first home game was with our friend, John Harmon, and his Central Wesleyan gang. We won the first but they grabbed the second. The Warrensburg (Mules) were next and they got the long end of a hotly contested game. Chillicothe Business College was no match for Wesleyan.

Wesleyan gave Jewell a great fight on their home court, but lost by two points. Drury ran wild and gave us an awful beating.

But sweet revenge. We won a game from Wm. Jewell, gave them a good beating. They say the first hundred years are the hardest, but we won at last—may we keep it up. Maryville took the count next. We had hopes of beating Rolla, but that was all. They got the most points—and then some.

With two great forwards, Brown and Croy, to build around watch Wesleyan step next year.

CNCLES LON M·W·C 1/2/5/2/5/10

#### DAVID A. DILLMAN

Dave was our captain and right worthy of the honor. He was lead off man on our track mile relay team and never failed to give us a good lead.

#### HAROLD FARMER

Farmer was one of the best men on our team. "Gob" took first in the broad jump and ran anchor man on the half-mile relay team which won first honors at the state meet last year.

#### NOEL GIBSON

"Gib" was our quarter-miler and was the class of his opponents in the dual meets. Besides running the 440, he ran anchor man on the mile relay and could be depended on to hold his own.

#### DUKE MEDLEY

Duke was unable to do his best, having just recovered from an operation and an injury received in football. In the Wentworth meet he came out for the first time and saved the day by taking the high and broad jump. Besides being the best jumper in the state he is also a crack dash man.

#### RAY DICE

Ray was another member of our half-mile relay team. Owing to the fact that he was ineligible he had no incentive to show what he really had.

#### HERBERT KIMES

"Herb" is the class of the high hurdle men of the M. I. A. A. He has captured first in the high hurdles in the last two state meets, and has shown a clean pair of heels to the best of them in our dual meets. Besides his hurdling ability he is one of the best men in the relay.

## LESTER SLAYTON

Lester was an all round track man, running the hurdles, the dashes and filling in on the relay team. One of the most earnest and faithful trainers and workers on the squad.

#### FERMON SEWELL

Sewell was one of the best half-milers in the state. He has yet to lose his race in a dual meet and only lack of knowledge of the track at Kirkesville last year prevented him taking the gold medal. Fermon also could be depended upon to give a lead in the mile relay.

#### KENNETH CRAWFORD

Crawford proved to us he could do something besides sing by winning the mile against Jewell. With his lung capacity and a little more experience Kenneth should run the mile in nothing flat.

#### BAYARD CONKLIN

Pete was inelegible for the state meet but his excellent work with the discuss and shot won several meets for Wesleyan. He threw the discuss 127 feet in the Jewell meet last year, which is farther than the state record. Pete also took first in the shot at the state meet of 1920.

## RAY HOLDER

Ray was our point man at the state meet last year with a first in the shot and second in the discuss. Ray is ideally built for a weight man and with Conklin could be depended upon to take both places in the weight events.

#### W. P. SLAYTON

"Bill" comes to us from Lathrop where he was a track team in himself. Bill always gave Kimes an even race over the hurdles. Besides a hurdler to be feared he ran in the relay. He was a hard man to beat in all round competition. Bill should have tried for the pentathlon.

#### GLENN FILLEY

Glenn was the best low hurdler in the state at the last state meet. Seldom beaten in the hurdles and able to run the 220 and in the relay combined with his consistent training made him the logical captain of the 1922 team.

## Track

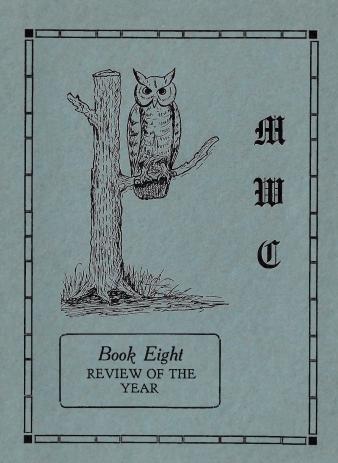

Missouri Wesleyan College opened their 1921 track season by defeating Chillicothe Business College by a large score. It was an exceedingly easy meet for Wesleyan. "Big Levi," their Indian was the star for the Business College. He won first in the high hurdles, shot and discuss. This meet was deemed so easy that the college board didn't let it count toward a track letter.

The first conference dual track meet was staged with William Jewell at Liberty. It was an exceedingly interesting one. Wesleyan won only by a few points. Dow was the individual star of the Jewell team. Wesleyan took both places in the hurdles. It looked at first as though Wesleyan would have a walk away, but fell down on pole valting and high jump which put Jewell nearly even. The points were pretty evenly divided until the relays came off. Wesleyan won the mile relay thus putting her in the lead. It was a good hard clean meet all the way through.

Wesleyan's third meet was staged with Wentworth Military Academy at Cameron. It was a very hard one. Medley, who had not been able to be with Wesleyan on account of injuries came out in uniform and helped save the day for Wesleyan. It looked at many times during the meet that Wesleyan would lose but when the final event was over Wesleyan had the long end of the score.

Missouri Wesleyan's last dual meet was staged with Tarkio College at Cameron. It was an exceedingly easy one although the prospects looked bad when Spike Williams ran off and left Wesleyan's men in the one-hundred yard dash. It proved to be easy though, the visitors only winning three firsts in the entire meet.

The state meet was held at Kirksville. Wesleyan won second place only being beaten by Springfield by 9 points. If the points had been divided rightly between contesting colleges, Wesleyan would have won the meet. Wesleyan won five firsts which was more than any other college. The Missouri Wesleyan 1921 track season ended very successfully by winning four dual meets and second place in the state meet and a half-mite relay cup.

#### Summer is Coming

Prof. Wyckoff in chemistry lecture: What are the properties of heat and cold?

Louise—The property of heat is to expand, and of cold is to contract

Prof.—Now give me an example. Louise—In summer, when it is hot, the days are long; in winter, when it is colds the days are short.

WM, SCHUCHMANN, Prop.

There is some land in Askansas so bad that you can't even raise a disturbance on it.—Nelson.

Mr. Waugh, when are you thinking of getting married?

Constantly.

Why are good husbands like dough?

Because women need them.

Walter—To look at me you would not think I was very smart, would you?

Prof.—Well, not above the ordinary no

Walter—No! but I am from a very smart family. I've a brother that's a miracle.

Prof.—How is that?

Walter—He lies in two countries at the same time.

Prof. Explain yourself.

Walter—The other day I got a letter from Calcutta, India, this is what he said, "Dear brother, here I am in Calcutta, India, and I am home-sick."

### Your School

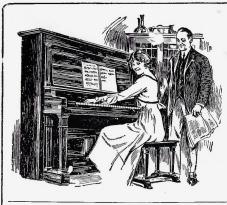

If you think your school's the best, tell 'em so! If you'd have it lead the rest, help it grow. When there's anything to do, You'll feel bully when it's through, don't you know.

If you're used to giving knocks, change your style, Throw bouquets instead of rocks, for a while; Let the other person roast. Shun him as you would a ghost, Meet his hammer with a boast, and

When a stranger from afar comes along,

Tell him who and what you are, make it strong; Needn't flatter, never bluff,

Tell the truth, for that's enough; Join the boosters—they're the stuff, WE BELONG.

### Music Is Essential

We save you money on Pianos and we Sell on Easy Payments.

J. W. Jenkins Sons' Music Co. 1015 Walnut Kansas City, Mo.

Got any rivers you say are uncrossable?

Got any mountains you can't tunnel through? We specialize in things you say

are impossible Doing the things that no other can

Keep on lookin' for the bright, bright skies;

Keep on hopin' that the sun'll rise; Keep on singin' when the whole world sighs,

And you'll get there in the mornin'.

Keep on trustin' in the cause of Right;

Keep on lookin' to the dawn of Light: Keep on fightin' till you've won the

And you'll get there in the mornin'.
