## Dedication

To one who for years has had the welfare of the schools of Cameron permanently at heart, fighting fearlessly for that which he believed to be for the best interests of C. H. S., donating unstintingly of his professional services, and ever standing ready to espouse the cause of Cameron High, to him, Dr. M. L. Peters, we the Staff of the 1925 Mystic affectionately dedicate this volume

## Resume of 1924-25 Athletics

Our athletics of 1925 have been entirely successful, under the mentorship of Coaches Utz and Cline, both advocates of clean athletics. Our football team was all victorious, meeting and defeating nine worthy opponents among which was Maysville, North West Missouri Champions. The reason we did not acquire the championship was because it would have been impossible to arrange our schedule in any convenient way, and we could not meet Liberty on Turkey Day as we were obligated.

Our undefeated team, in many respects resembled a machine, no stars, but every man delivering good, clean, consistent football. This team always respected their opponents, and this was responsible for much of their success. Their goal, throughout the year, was "An undefeated team, and Gold Footballs." and when it was gained, the business men were ready and willing to do their part, so now the boys are sporting gold footballs and sweaters as tokens of their success.

The boys' basketball team of 1925, although not undefeated, made a creditable showing, playing 13 games and winning 9. They as the season developed, presented a style of basketball that always thrilled the spectators. At home and abroad they were known for their clean, hard playing, never relying on rough tactics to win. Only losing two men, C. H. S. is assured of another successful basketball season.

The girls' basketball team was a little slow in starting, but when it did start, they made it up with hard work. Each girl, always working conscientiously, and taking everything with a smile, always showed the truest sportsmanship throughout the season. Of 12 games played, they won 8. At the Maryville tournament they went to the semi-finals, defeating some of the strongest girls' teams in northwest Missouri. Possibly one of their greatest accomplishments was defeating Excelsior Springs there. This was the first time that any team has defeated Excelsior on her own court in four years.

C. H. S. was well represented in Track in 1924, considering that the sport had just been revived. She was represented in all events, and many men developed and made credible showings. With added interest in 1925, and more men out, and several men with a year's experience under their belts, our future laurels are insured.

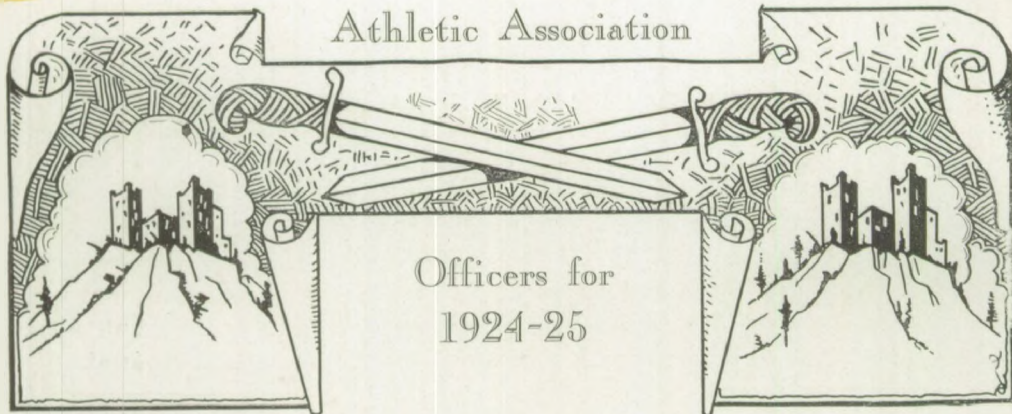

Tennis is being started this year, several wielders of the racket having reported. They have participated in several tournaments and have brought added glory to C. H. S.

COACH SAM T. UTZ St. Joseph, Mo.

A conscientious worker and an inspiration to all. One who, in his two years of untiring labor at C. H. S. has contributed an undefeated football team, a championship basketball team, and has kept our athletics of all kinds in the limelight. A mentor who never advocates the "win at any cost" policy, but who instilled in his men the highest type of clean athletics.

ROY PARKS Cameron, Mo.  
162 lbs. 5 ft. 10½ in. 18 yrs. old

Senior. To Roxie goes the unique distinction of playing on two all victorious football teams during his three years of competition, and of having captained one of them. Roy possesses these qualities of scrap, grit and headiness, which won for him recognition as a tackle of All-State calibre. A worthy leader of the Dragon gridiron machine. 3 year man.

WAYNE LEACH Cameron, Mo.  
149 lbs. 5 ft. 10½ in. 19 yrs. old

Junior. Capt.-elect. "Chick" is that fleet-footed, darting, lugger of the inflated pig-skin who gave us so many thrills last season. We wish him a successful season next year in leading the Dragons thru another notable season. 2 year man.

- WALTER HERR** 153 lbs., 5 ft. 7½ in., Age 18 yrs. Cameron, Mo.  
Junior. "Red" is a two year man for the Dragons. His ability to deliver in a pinch is noticeable. He also had the skill to open a hole for the backs. "Red" has another year.
- DEAN SILVIUS** 135 lbs., 5 ft. 8½ in., Age 17 yrs. Turney, Mo.  
Senior. While he is not as speedy as his brother, he makes up for it in ability to hit the line, and by exceptional defensive work.
- DALE WYLIE** 140 lbs., 5 ft. 8½ in., Age 19 yrs. Cameron, Mo.  
Senior. A 140 pound man makes his letter this year in smashing the opponent's line for a gain every time. We are sorry to lose his this year.
- BEN AUSMAN** 130 lbs., 5 ft. 5½ in., Age 17 yrs. Cameron, Mo.  
Junior. He was a man, when called upon, who would give all he had to uphold The Dragons' good name. "Bennie" was noted for circling the ends and fighting to the last moment.

## THE CONQUEST OF THE DRAGONS

*An Oracle Foretold by Seer McGee in 18umteen*

After a few weeks of hard practice the 1924 football season finally will open with a game between Amity High and the Dragons on Friday, Sept. 25th. This will be the first game of the season and will be a victory for C. H. S. giving them the first push for the championship in a 13-6 victory.

The second game will be with Jamesport High, at Cameron, October 3rd, and will result in an overwhelming victory for C. H. S. by a score of 54-0. This game will show great improvement in the Dragon team.

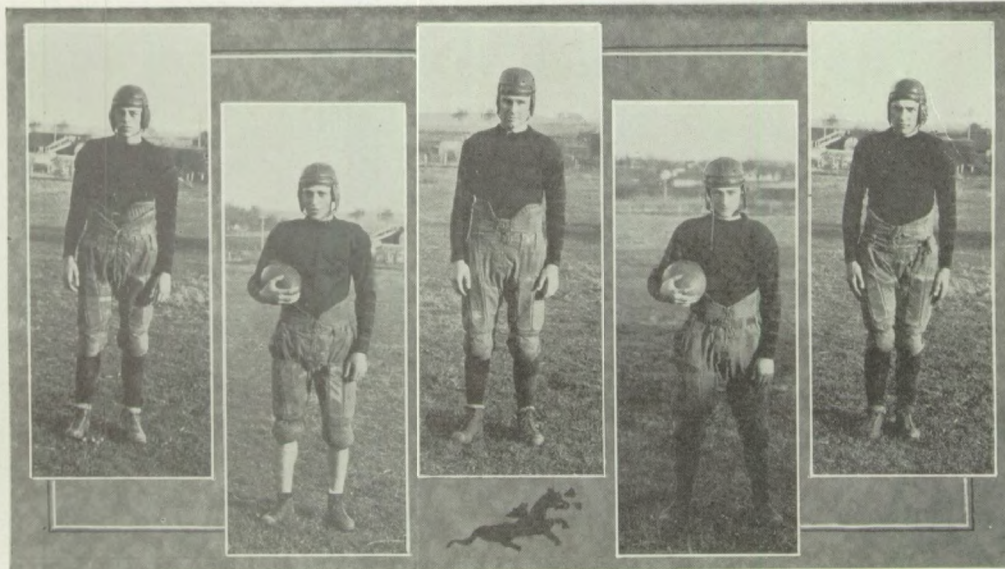

The third game will be at Gallatin, Friday, October 10th. It will be a hard battle with Gallatin scoring first, but the Dragons coming back strong for another victory of 26-6. The Dragons will be entertained by the "Spiz Club" of Gallatin girls.

Another Friday will roll around and will make the fourth straight victory for the Dragons, by beating Chilli, there, 26-0. Chick's touchdowns and the fine defensive work of the Dragons will stand out from behind the clouds of mediocrity.

**JAMES KLEPPER**      *153 lbs., 5 ft. 11 in., Age 17 yrs.*      Cameron, Mo.

Senior. "Denny," the good natured, slick haired lad that handled the center position so credibly, possesses the uncanny ability to size up plays and worry the opponent. A 2 year man.

**LOUIS MCGEE**      *165 lbs., 6 ft., Age 18 yrs.*      Cameron, Mo.

Senior. To "Maggie's" cool headed generalship, exceptional punting ability and good defensive work, Cameron is indebted for no small portion of the past season's success. A pluggier not spectacular, but always dependable. We sure hate to lose him. A 2 year man.

**LOREN GALL**      *160 lbs., 5 ft. 11 in., Age 18 yrs.*      Lathrop, Mo.

Senior. Loren was not only a good defensive man, but stood out clearly as an exceptionally good offensive player. A 2 year man.

**WOODSON SILVIUS**      *130 lbs., 5 ft. 9 in., Age 18 yrs.*      Turney, Mo.

Senior. A speedy, little half-back, unexcelled as a safety man and a passer. Those qualities spoke very loudly for themselves in the Maysville and Liberty games. A 2 year man.

**JOHN SILVIUS**      *183 lbs., 5 ft. 11½ in., Age 19 yrs.*      Turney, Mo.

Senior. One of those lineman whom the opponent soon learned to respect. John worked best when competition was hardest. 2 year man.

Saturday, October 24th will find the Dragons consummating another victory with Benton of St. Joe. The Dragons will give Benton a good drubbing, making Coach Utz smile in ecstasy at his brother's defeated teammates. Score 37-0.

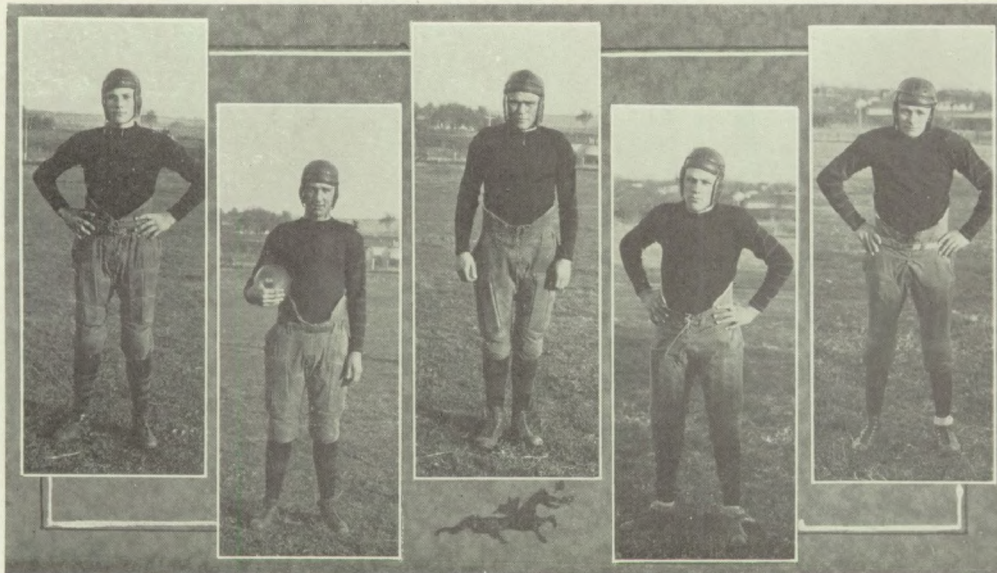

For the sixth victory of the season Cameron will meet and defeat Trenton, 7-0 on Friday, October 31st. The only touchdown will be made in the second quarter after long runs which will be made by Chick and Woodson. A forward pass will put the pigskin over the goal making another record for the Dragons.

November the 7th will be noted for pep, when Maysville will come to the lair of the Dragons. The Dragons will be full of fight, and will give the big Maysville team a great defeat by the large score of 18-0. This game will show the real fighting spirit of the Dragons. The touchdowns will be made by Chick and a pass by Woodson to Gall.

**W. D. CROW** *170 lbs., 6 ft., Age 17 yrs.* Cameron, Mo.  
Senior. Altho new at the game, "Dub" filled a tackle position in a manner credible to a Dragon representative of the grid-iron. A 1 year man.

**NOVA MILLER** *183 lbs., 6 ft., Age 18 yrs.* Cameron, Mo.  
Junior. "Big Levi" with his 183 pounds of line plugging ability, was responsible for a big percentage of our games. Before him the opposing line had to crush. Yes, he has another year. A 2 year man.

**JOE SEWELL** *162 lbs., 5 ft. 9 in., Age 19 yrs.* Meridian, Miss.  
Junior. Joe held down the position at end for the Dragons this year. Altho this was Joe's first year, he could snag passes and smash that tackle. A 1 year man.

**JOHN SPRAGUE** *172 lbs., 6 ft., Age 19 yrs.* Hannibal, Mo.  
Sophomore. "The Big Swede," new in our line-up, but a lad that always left a lasting impression with his opponent. Sure, they will fear him next season. A 1 year man.

**ORVILLE OFFUT** *130 lbs., 5 ft. 8½ in., Age 18 yrs.* Cameron, Mo.  
Junior. Orville has no equal in high school circles of this section when it comes to getting down on punts and nailing the safety man in his tracks. As an end he is one of our most valuable assets. A 1 year man.

The next victory for the Dragons will be Saturday, Nov. 15th, when they will meet the St. Joe Central team. It will be a very exciting game, with the Dragons first to score and Central next. But as the game progresses the Dragons will get stronger, and win the game 21-7. This will make the eighth straight victory for Cameron High.

The big Turkey Day game will make the Dragons an *All-Victorious* team, when they secure the game from Liberty's big Blue eleven by the close score of 6-0. The game will be very hard fought. All the way thru it will stand 0-0 until the last three minutes of play, when Woodson will circle an end for a touchdown. The whistle will blow and the Cameron Dragons will be undefeated. **LOUIS MCGEE** *Captain and Guard* Cameron, Mo.  
"Maggie" was a cool-headed, dependable player, well worthy to lead the scrapping Dragons. Many a goal has been saved by Louie's heady work. His ability as a leader was unquestionable. He was a guard of All-State calibre, and above all a clean sport. Senior, 2 year man.

**HERBERT MUDERS** *Captain-elect and Guard* Cameron, Mo.  
A consistent conscientious worker with rare playing ability. One who is altogether capable of leading C. H. S. to victory in 1926. Junior, 2 year man.

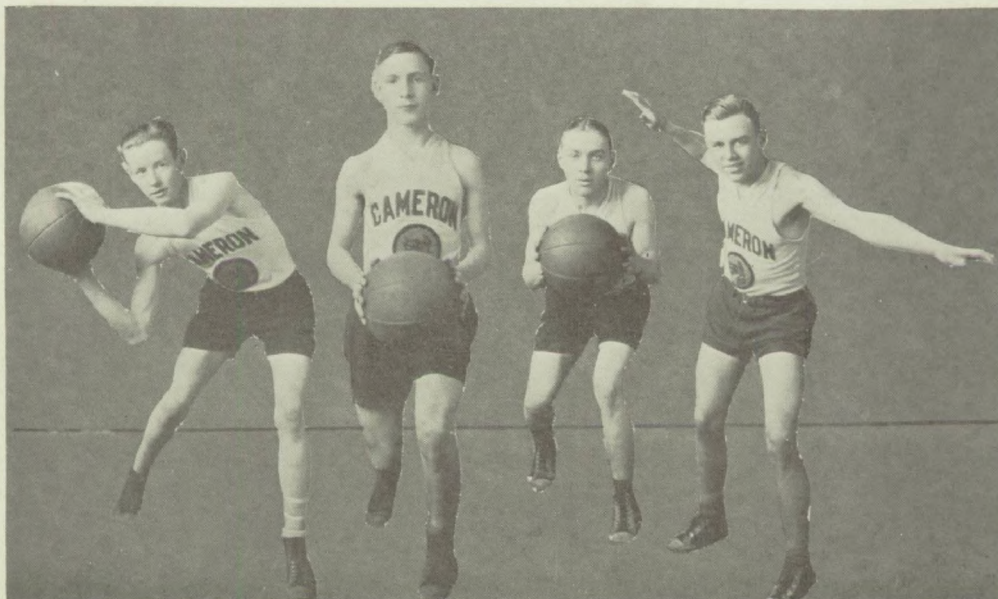

**WAYNE LEACH** *Center All N. W. Mo. Forward* Cameron, Mo.  
"Chick" is a stellar player, one who covers the floor well. He was a dangerous man under the basket, and permitted no undue shots from the field. Junior, 2 year man.

**ORVILLE OFFUTT** *Forward* Cameron, Mo.  
A speedy accurate lad whose grit and scrap was evident thruout the season. His long shots were a constant threat to the opposing guard. Junior, 2 year man.

## LOUIS KANAN

*Forward*

Cameron, Mo.

"Jew" was a fighting forward, always after the ball, usually getting it. His scrappiness, coupled with his real natural ability, made him a valuable member of the team. Junior, 1 year.

## HERMAN PHILLIPS

*Forward*

Cameron, Mo

"Barney," a Freshman, had an uncanny knack of snatching the ball and caging a goal out of nothing. He had great ability of covering the floor at lightning speed, and easily eluded his guard. Freshman, 1 year man.

## BEN AUSMAN

*Forward*

Cameron, Mo.

"Bennie" was a forward of great merit, showing great ability to scrap. He was a nice floor man, easy to work with and dependable at the basket. Junior, 1 year man.

## JAMES KLEPPER

*Guard*

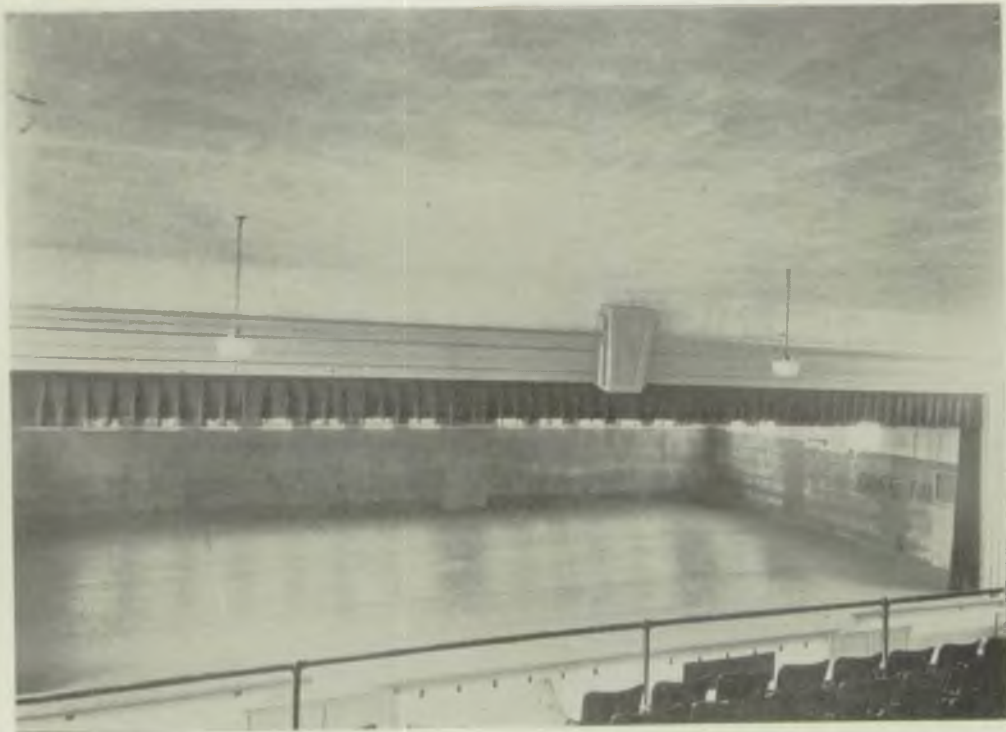

Cameron, Mo.

"Denny" was a fighting, scrapping guard for the Dragons. He has the ability to protect the basket and worry the forwards. His never-licked-smile was always seen thruout the entire game. Senior, 1 year man.

## OUR GYMNASIUM

For many years our town has been greatly in need of an adequate building where home talent plays, operettas, educational lectures, pictures, lyceum numbers, basketball games, etc., could be produced before a large and appreciative audience.

With the completion of the Goodrich school building this need has been answered and answered in a manner, fitting and proper for a town of our size. The gymnasium floor space measures 45x80, while the auditorium has a seating capacity of practically 1,200. Is it any wonder that our basketball games came nearer paying out this year than ever before? And home talent productions have "gone over the top," because of the Goodrich Auditorium, Cameron's new community center.

RUTH JEAN CLINE

*Couch*

Maryville, Mo.

Altho this was Miss Cline's first year as a coach, her results with her team would be a credit to a far more experienced mentor. She has been responsible for a hard fighting, fast playing squad, and in spite of the unavoidable late start, which robbed the girls of two month's of valuable experience, her team has won consistently. She has instilled clean play and sportsmanship into girls athletics.

MARY AUTEN

*Captain and Forward*

Cameron, Mo.

Mary was a streak of lightning on the floor, a dead shot and almost impossible to guard. She knew basketball and played it hard, fast and clean. This year she was placed on the second All-Northwest team. After playing three successful seasons for us, she will be greatly missed, for she always instilled a lot of pep and fight into the team. Sr. 3 years.

MAUDE JACKSON

*Guard*

Turney, Mo.

Maude was one of the steadiest guards ever developed in C. H. S. She was consistent in every game and always gave her best. Her team work was good to watch. It was seldom a forward slipped past her. She guarded them all alike. She will be sorely missed. Senior, 3 years.

MARCELLINE FROST

*Jumping Center*

Cameron, Mo.

For the last two years, Marcelline, as a jumping center, has made the All-Northwest team. She has always played a clean, hard game and is seldom out-jumped. She is a quick thinker and is full of pep. To her goes a large share of credit for this year's success. Senior, 2 years.

COLLEEN SILIVIUS

*Forward*

Cameron, Mo.

Colleen was another forward and as such was ideal in all respects. She never gave up, was a good sport, a fine shot at the basket. Her team-work was splendid and some of her shots were of the sensational type. It will be hard to replace Colleen next year. Senior, 2 years.

FERN STUBBLEFIELD

*Running Center*

Cameron, Mo.

Fern was probably the most steady player on the team, altho seldom starring, she was always there in a pinch, fighting to the last minute. She was fast, tireless and always full of fight. Senior, 1 year.

FERN DEPUY

*Guard*

Cameron, Mo.

Fern was guard that played a fast, hard, clean game and guarded all her opponents well. She was faithful and consistent and knew that teamwork pays. She will be back and will play even better then. Soph. 1 year.

FERN LEDGERWOOD

*Guard and Forward*

Cameron, Mo.

Fern was a steady consistent guard or forward who knew basketball and played it true to form. She was spectacular and was yet one of the steadiest players on the team. She was always cool and covered her court well. Senior, 1 year.

DONNIS BANGS

*Running Center*

Cameron, Mo.

Donnis was quick, a good shot and a good guard, and as a running center was valuable for her all-round play. The game was played hard and fast, but always clean by Donnis. Her teamwork was splendid, and it will take an unusual player to replace her. Senior, 1 year.

A leader of sterling worth, who could step with the fastest and heave with the mightiest.
- ERNEST HOWARD *Hurdles and Pole Vault* Cameron, Mo.  
1 year man.  
A handy man on the sticks, always giving his best.
- NOVA MILLER *Shotput and Discus* Cameron, Mo.  
1 year man.  
A wicked wielder of the strong boy's toys.
- RALPH PARKS *220 and 440 Dashes* Cameron, Mo.  
1 year man.  
He never stayed long in one place, that is, when on the cinder path.
- SAM T. UTZ St. Joseph, Mo.  
Coach  
Always working conscientiously with his boys, applying the knowledge of race horses acquired at M. U.
- BEN AUSMAN *100 and 220 Dashes* Cameron, Mo.  
1 year man.  
A sprinter of great ability, never letting grass adorn his lane.
- ORVILLE OFFUTT *220 and 440 Dashes* Cameron, Mo.  
1 year man.  
Always in the money, proving great qualities of speed, grit and ability.

## Science

MR. THOMAS

Science is one of the oldest if not the oldest of all studies. Despite its venerability it is the most up-to-date of all high school subjects, for to keep up with the strides of science is truly a task worthy of any student's time.

The Science courses in C. H. S. is one of the most popular in school, having an enrollment second only to the commercial department. In the classroom and laboratory work the most practical of problems are discussed. Such things as weather forecasting, sanitation, heating, machines, photography, musical instruments, electric motors, lighting, radio and X-Ray, are studied and demonstrated.

From the above can be gained an idea of the practical side of the Physics and Science courses. To be able to answer one of Life's questions and to know the "why" of everyday phenomena is the aim of science in C. H. S.

## Commerce

MISS RAUSIN

Seven years ago our Commercial department was organized. The department has been very popular with the students as shown by the large number enrolled every year in commercial subjects.

Each year new equipment has been added until today the commercial department of Cameron High School ranks with the best equipped and efficient departments in the State. Last year three new Underwood typewriters were put in, making a total of fifteen typewriters, Remington, Underwood and L. C. Smith machines.

Many of this year's graduates are planning to continue their commercial work by attending some business college. Others are preparing to take the Civil Service Examination for typists and stenographers.

The courses offered in this department are Shorthand, Typewriting and Book-keeping, which are of great practical service to the students taking them.

## Teacher Training

MISS THEILMANN

The Teacher Training course was introduced into Cameron High School in 1915. This year it was taught by Miss Gertrude Theilmann, and the enrollment was nine in Senior Class and thirteen in the Junior Class.

The course consists of a review of Arithmetic, Reading and Grammar, Physiology or Child Study, Methods of Teaching and School Management.

This class has attended two Rural School Demonstrations and made many visits to classes in the rural schools and to the grades. Each Senior has spent one week in a rural school doing practice teaching. For several months the rural teachers and teacher training classes, both College and High School, met together once each month to listen to interesting programs, hear practical problems discussed, and enjoy a social hour together.

The class has been divided up into committees, to care for the room, and thus have had experience which will be useful to them in caring for their own school rooms next year.

## Vocational Home Economics

MISS DICKERSON

MISS McMURRAY

The training given in Vocational Home Economics is extremely difficult to measure, either in results or values. Numbers of garments and quantities of food served are but indicators of the progress made and the training received. While the primary purpose of the course is to teach the pupils to sew and cook, there is also a secondary value not to be overlooked. Parallel with the making of garments and the cooking of food, instructions are given in the economic, artistic and hygienic aspects of the subjects related to the home, all of which will live with the girl and become a part of her life.

The value of this knowledge, together with the ideals of home-making received can never be estimated. The results of Home Economics students are measured not only by the preparation and serving of meals, the cleaning of rooms, and the making of garments, but also by the attaining of a hospitality that will be remembered long after the menu is forgotten.

## Vocational Agriculture

MR. GROSS

MR. UTZ

When the Smith-Hughes Bill was passed by Congress, appropriating State and Federal aid to high schools for the teaching of agriculture to farm boys, Cameron High was one of the first schools to take advantage of it. Being one of the pioneers in this line, it also has the largest enrollment of any school in the State.

Four years of Agriculture are given, making a total of six units obtainable in Cameron High.

The equipment in Agriculture is outstanding, and the library is one of the largest and best in the State, and new Bulletins are being added daily.

The first two years are taken up by a study of Soils and Farm Crops, Animal Husbandry and Feeding; the latter two years by more specialized work. Every student is required to carry out a project under the supervision of the instructor, along some phase of the work.

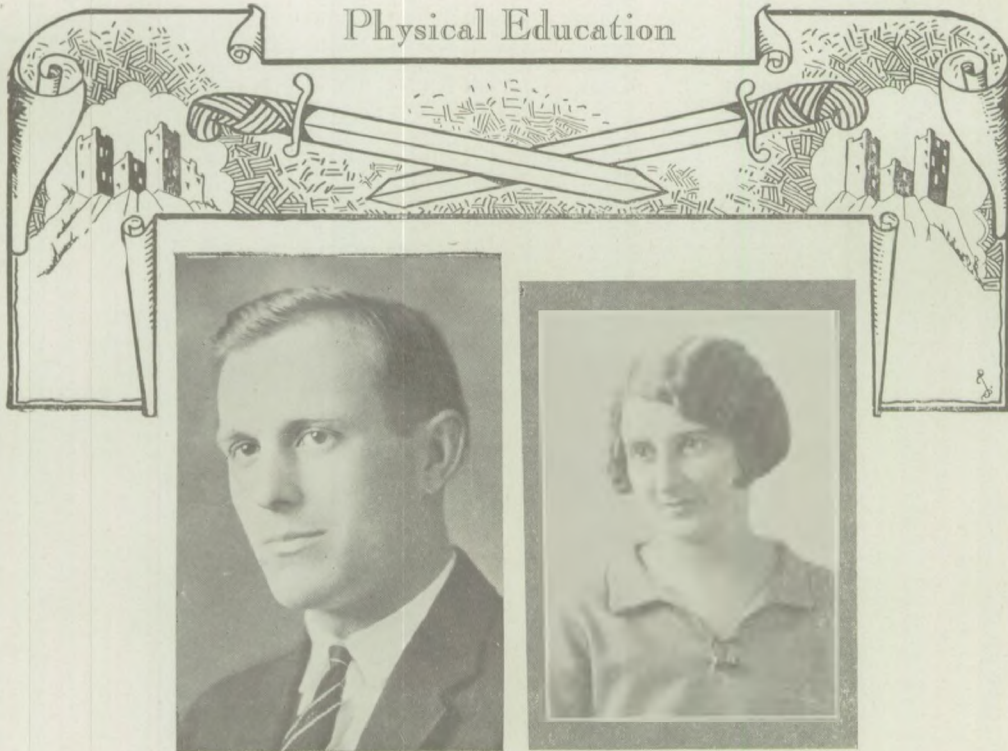

Spraying of fruit trees, selecting of seed corn, testing of seed corn for germination, judging and scoring grain, testing milk and cream, making balanced rations, scoring and judging livestock and shop work, constitute a major portion of the work.

## Physical Education

MR. UTZ

MISS CLINE

"A sound mind in a sound body" is the slogan of the Physical Education Department.

The Physical Education department is vitally interested in the two aims of education, namely to make a living and to enjoy life.

Whether our livelihood depends upon mental efficiency or physical strength, it is essential for proper success that we have a good healthy body.

If it depends upon mental efficiency, that efficiency cannot be maintained unless there is a good body to support it. If it depends upon physical strength, there must be a strong healthy body or work cannot be accomplished.

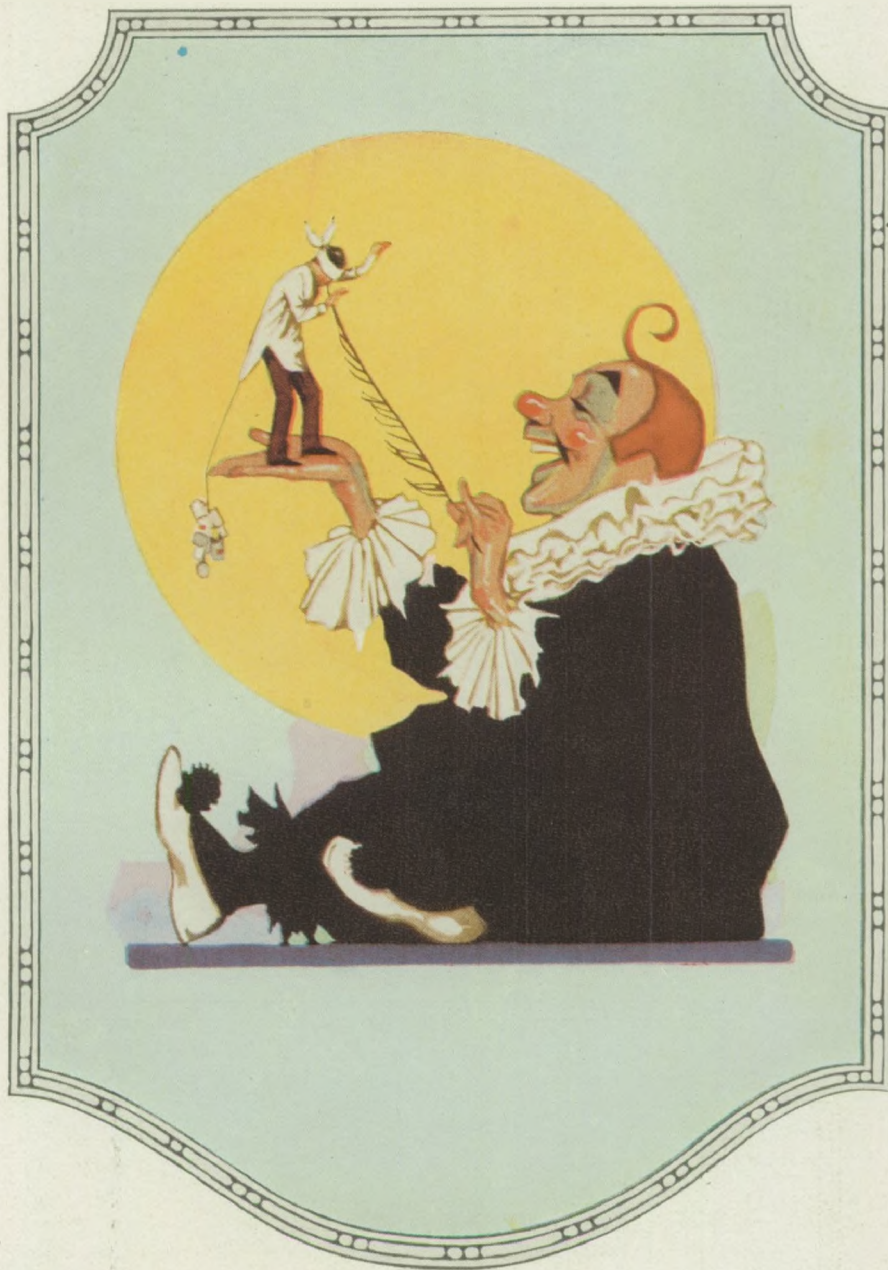

That it is vitally concerned with the second cannot be denied, because none of us really enjoy life unless we enjoy good health.

The educators of our State realize that to spend money only on the development of the child's mind is the equivalent of building a house upon the sand, and in order to insure a firm foundation for future citizens, they have made physical education a compulsory part of the curriculum in the secondary schools of the state.

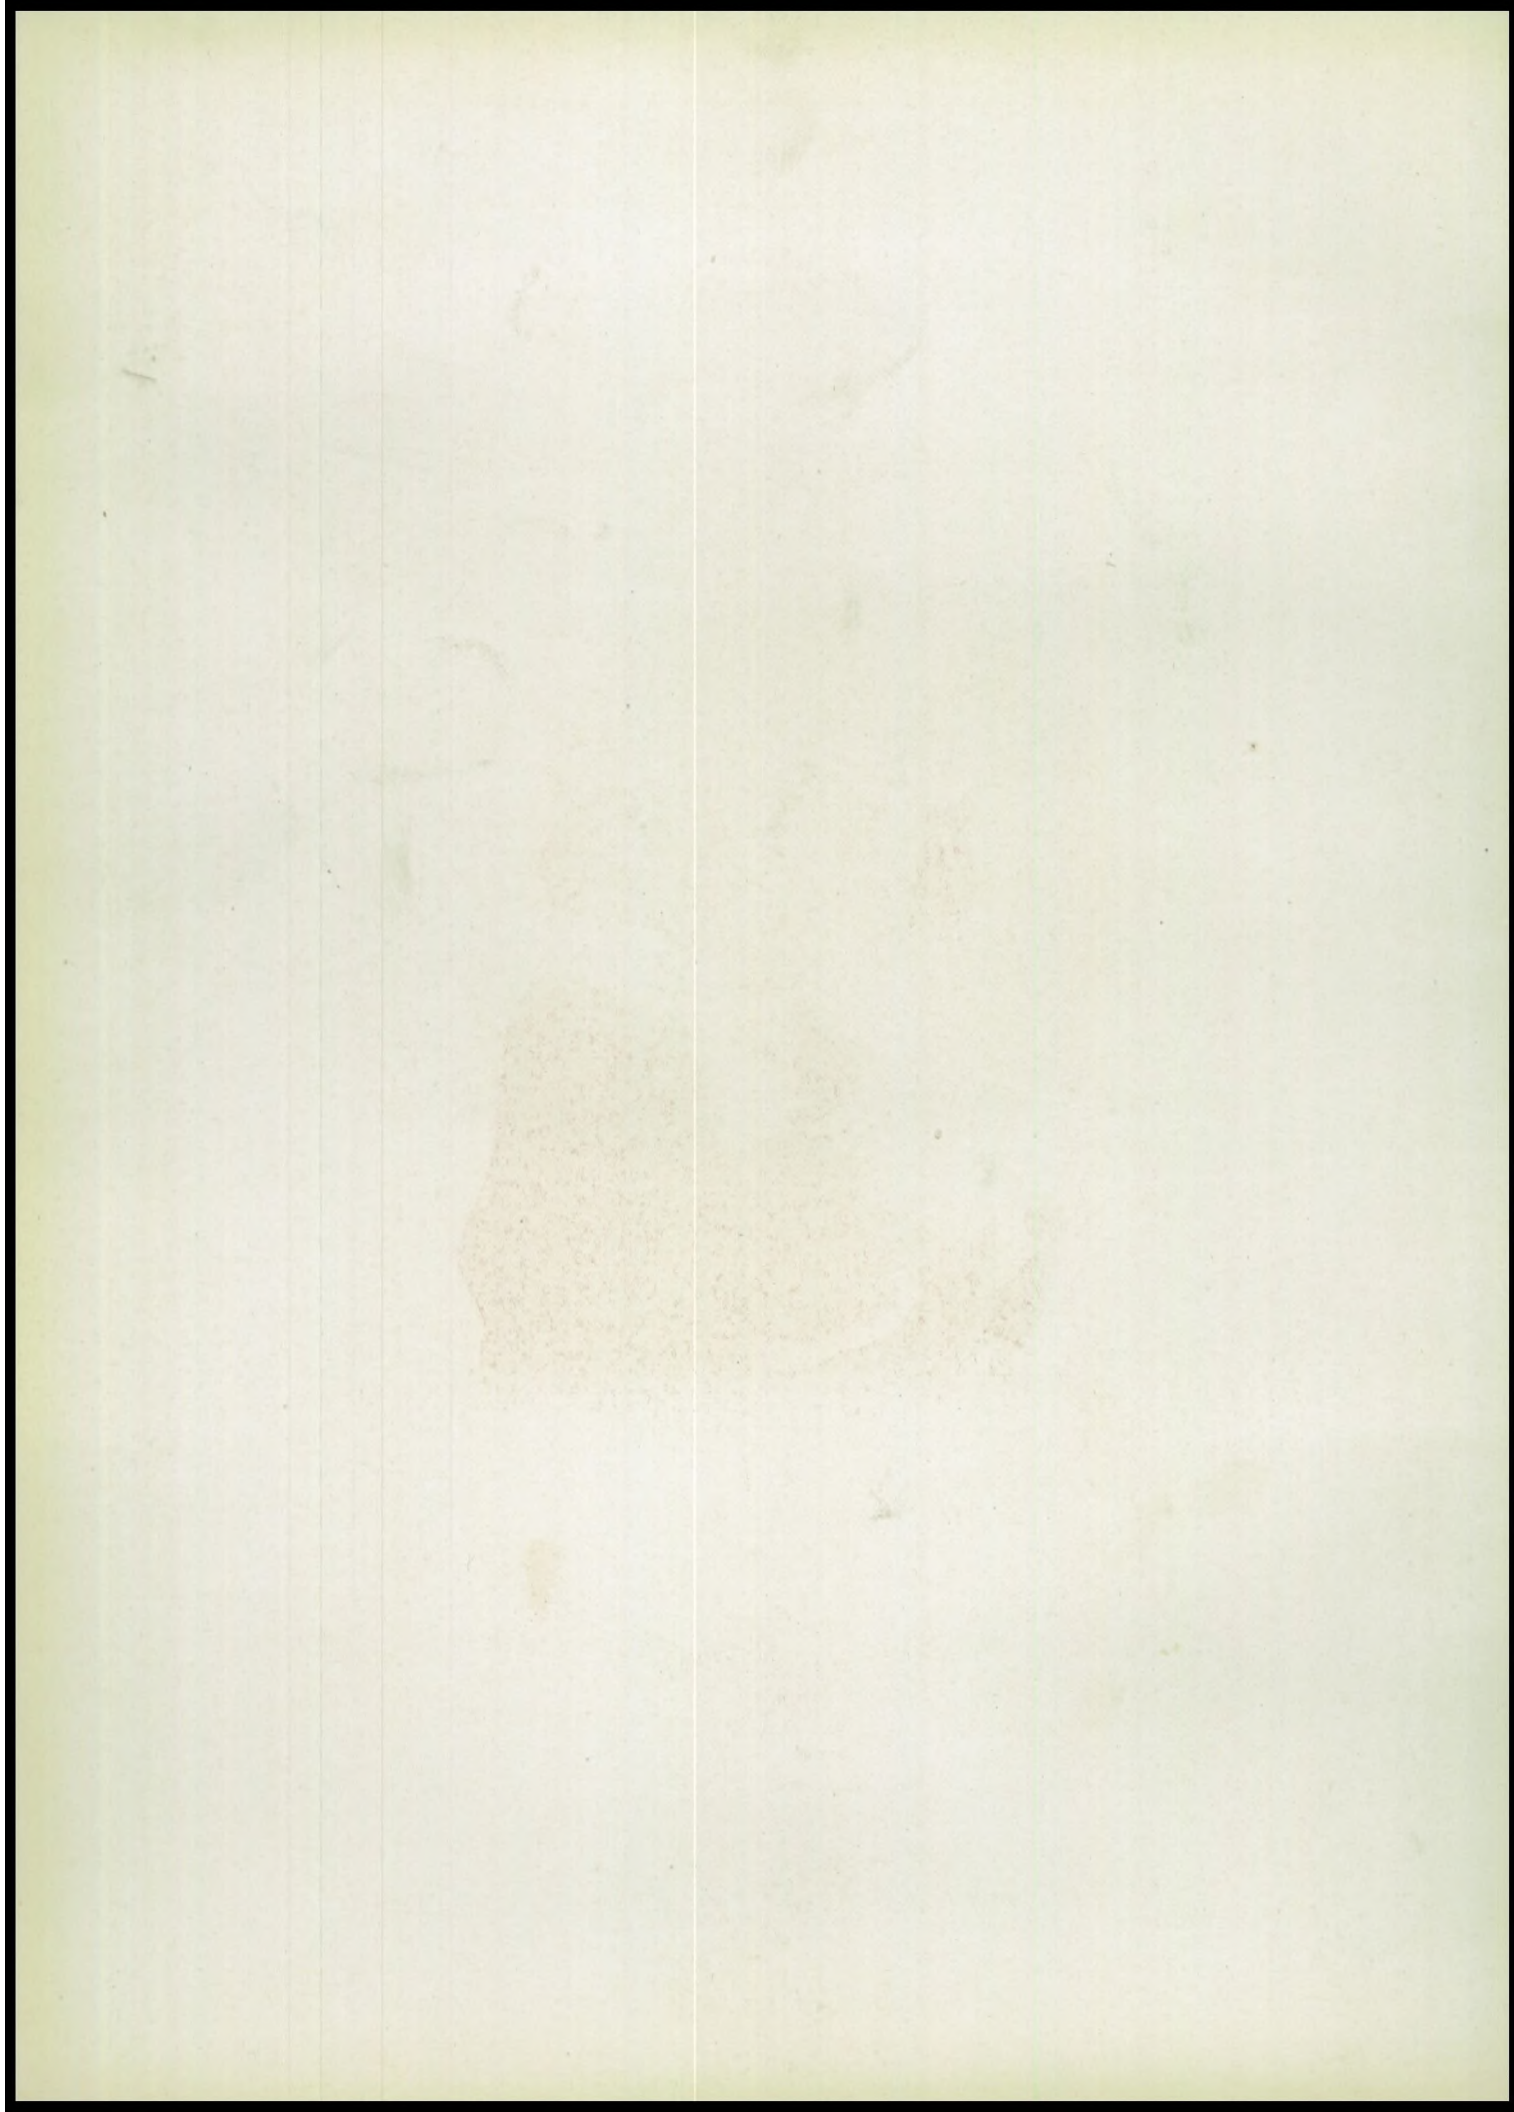

Our department reaches over fifty percent of the high school boys through the physical education course or athletics, and over thirty five per cent of the girls, and it is hoped that in the near future there will be an even greater percentage obtaining the benefits from this department.

## HERMAN PHILLIPS

Pill Chasers, Cow Callers, Cupidors.

*"Don't think I have the big head, folks, but this year if I hadn't gone out for basketball, C. H. S. would have lost every game. I made all the points but one, and I would have made that if someone hadn't been in my way."*

Oh Gosh, U. S.

## MARY BYERS

Carmine Daubers, Shiek Thrillers.

*"The other day a girl friend (?) told me I was good looking. That was unnecessary, for what is my mirror for? I have been noticing other girls and have not yet seen a single girl in C. G. S. that is half as good looking as I."*

Apple Sauce Alley

## DOROTHY WEST

Male Torturers, Sob-Sisters.

*"Without me in Cameron High things would sure be in a jamb. Take for instance the Freshmen Class, I am the smartest girl they have. Not only the Freshmen boys crave my style, but some of the Juniors and even the Seniors do."*

Kalamazoo, Idaho

## CARL RUTLEDGE

Darktown strutters, Old Nickers.

*"I am the shiek of C. H. S. The girls all fell for me the first day. In track or dancing I can be beaten. I was going to make two or three letters in track this year, but the Coach made me mad, so I took up dancing instead. It sure meant a great loss to the high school trophy case, but was a gain for modest maidens."*

I'm from a Zoo, Mo.

A kiss is most unhygenic,  
So let's go start an epedemic.

Mr. Bonar, your daughter talks a great deal, doesn't she?"

Mr. Bonar: "Yes, I think she must have been vaccinated with a phonograph needle."

Carroll: "Dad, won't you please buy me a microbe to help me out with my figuring?"

Dad: "What good will a microbe do?"

Carroll: "I just read in a paper that they multiply very rapidly."

Girls would apply the Golden Rule in their relations with boys, if they weren't afraid the boys would think they were a bit forward.

A Buckley girl had a little dog,  
Mention her name? I won't.

A Bryant bold remarked "Some pet!"  
And she snapped back "I don't!"

Dick B.: "I know a very good story—perhaps I have told it to you before."

Dick A.: "You certainly haven't."

## Dependable Building Material

### J. B. RUSSELL

**T**ODAY, as never before, home builders are asking more of their home investment than mere first comfort. They know a home can be so built that it will preserve through many years the comfort and coziness of the first year.

A home must be built well to withstand Time and preserve investment value. Good construction and good lumber do much to build permanence into the home.

Long-Bell trade-marked lumber is used often because of its dependability. Safeguards in the manufacture of this lumber give it maximum building value. The Long-Bell trade-mark on the end of the piece is assurance of uniform quality.

### Zimmerman & Brown's Dairy

We have recently installed a De Laval Milk Clarifier and all the milk we sell is clarified and purified by this machine.

The best milk in the world is improved by this process. The scientific application of centrifugal force removes every particle of undesirable matter. No strainer or filter can accomplish anything like the same result.
