The Mystic

Published by the

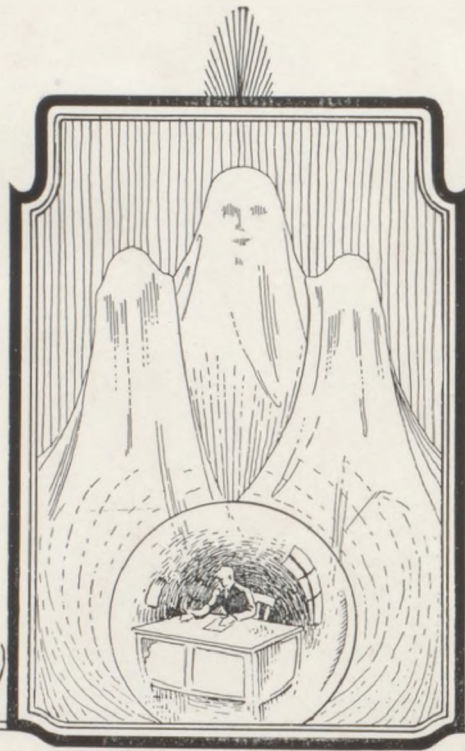

Senior Class

of 1930

Cameron High School

Cameron, Missouri

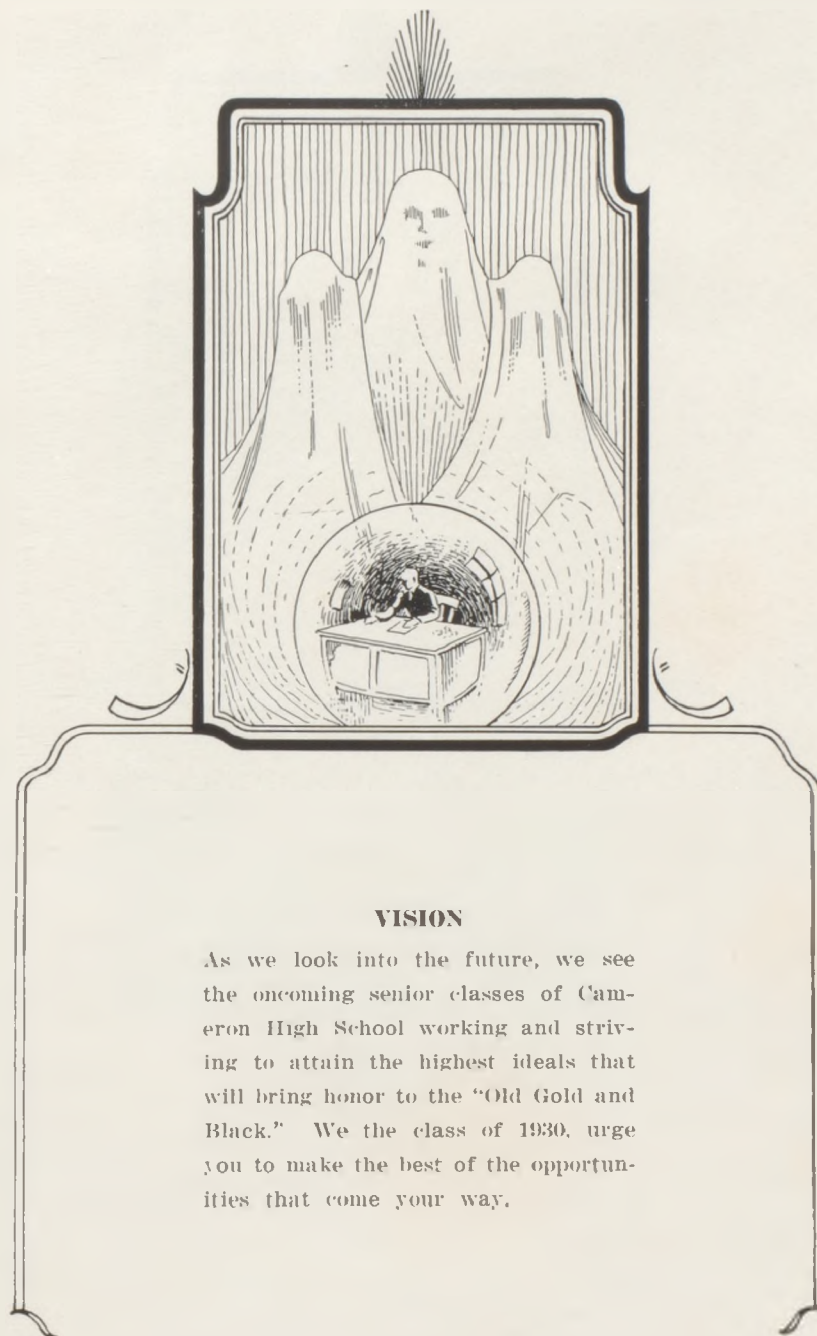

FOREWORD

Though time may begrime the pages of this book with its dusty fingers, it is our sincere hope that the oncoming years will deal kindly with its record of a year's activity in Cameron High School. May it be a record of happy days and of achievements made.

The 1930 Staff.

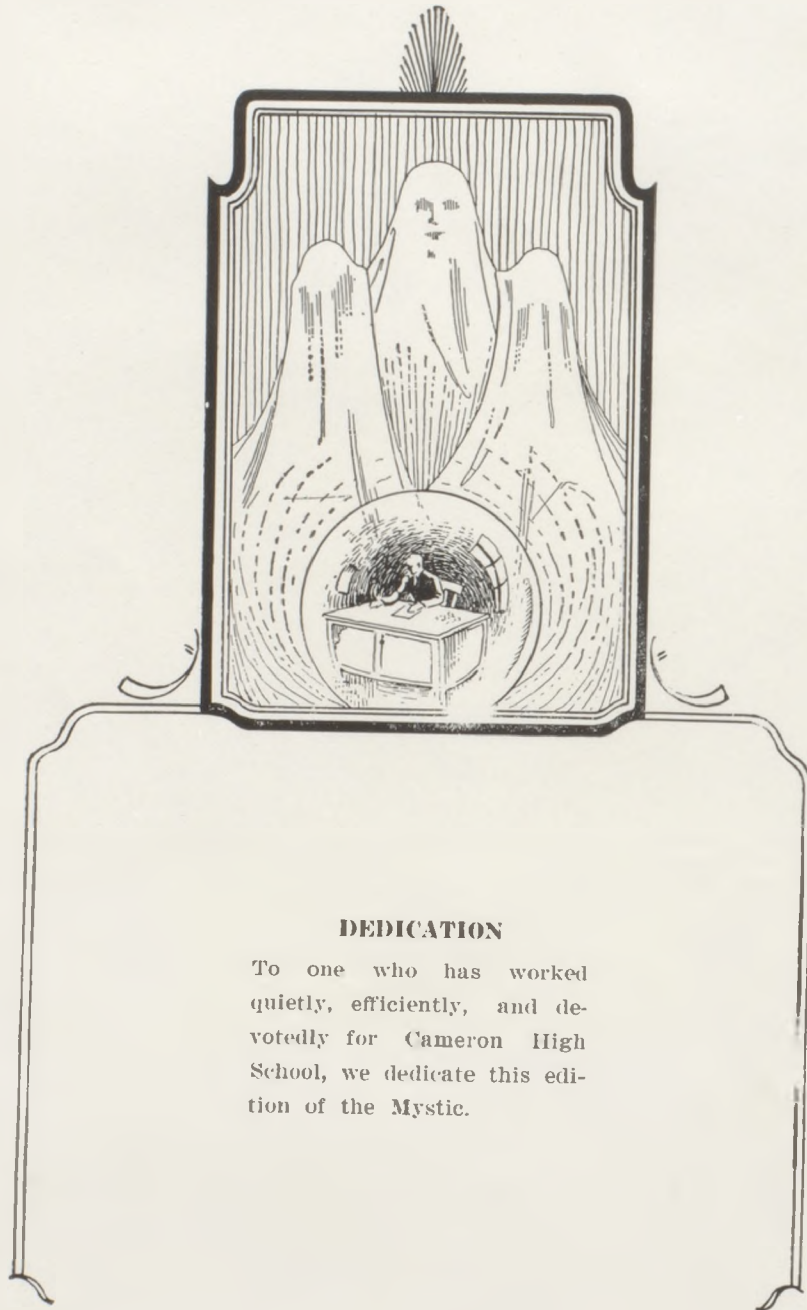

VISION

As we look into the future, we see the oncoming senior classes of Cameron High School working and striving to attain the highest ideals that will bring honor to the "Old Gold and Black." We the class of 1930, urge you to make the best of the opportunities that come your way.

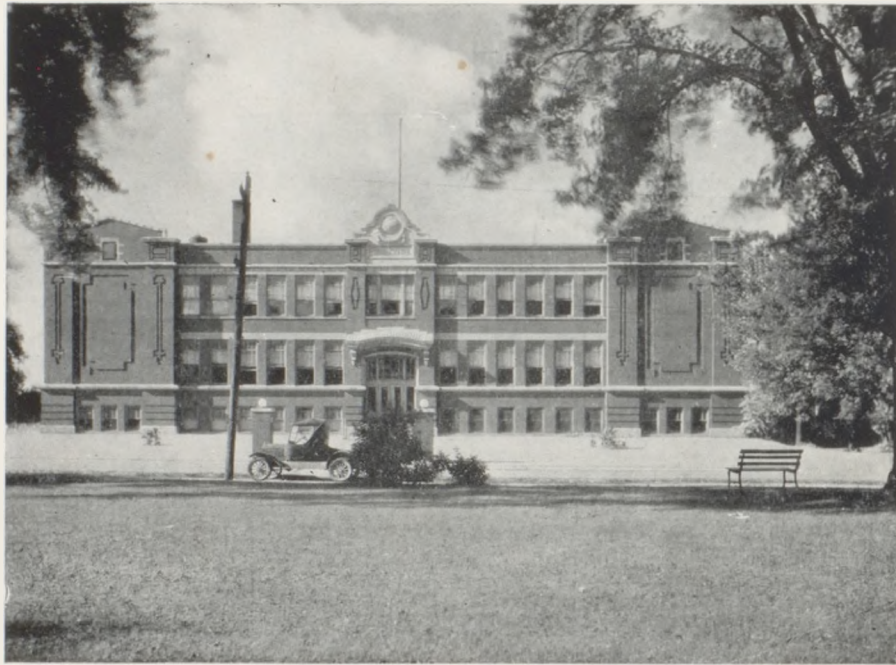

DEDICATION

To one who has worked quietly, efficiently, and devotedly for Cameron High School, we dedicate this edition of the Mystic.

C. C. CROSSWHITE

"High school, high school we love thee well,
Ours is the joy thy praise to swell;
With voices free we'll sing of thee,
And ever thy praise we'll tell."

Chorus—High School Song.

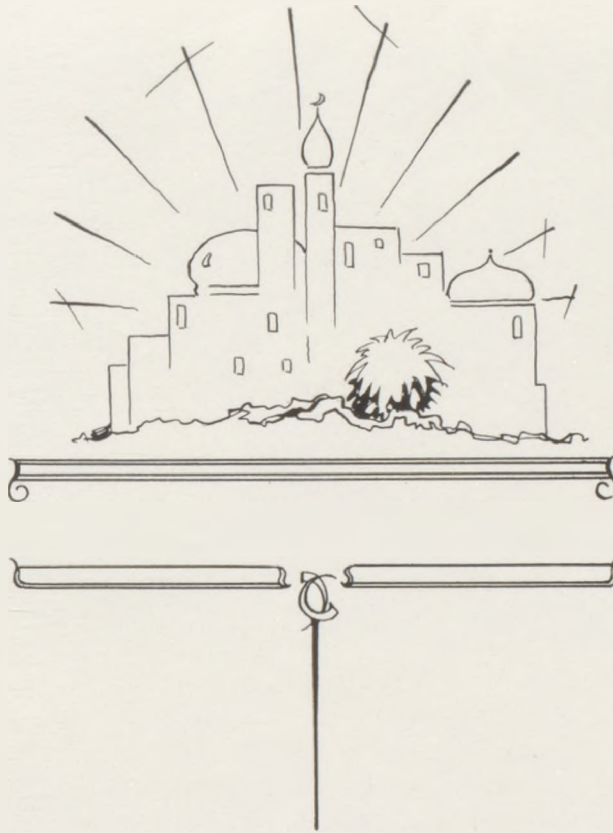

"Sing heigh, sing ho, into the school we go,
Oh, we're glad of everything!
And high above floats the flag we love,
While all the school bells ring!"
School Bells Ring.

The true aim of education is not knowledge, but how to live. The common vocation of all men is manhood, and whoever is well trained for that cannot fulfill badly any work he may do. To live is not to breathe; it is to make use of our organs, of our sense, of our faculties, of every element of our nature. This is the trade the teacher has to teach.

The Hi-Y has grown to a number almost twice as large as last year. It is composed of about twenty-seven members.

The Hi-Y is an organization in the High School to promote clean living among the boys of the school. It stands for those things which tend to build better characters in the student.

The club held weekly, noon meetings at the Y. M. C. A. It has been active in all of the activities of the school.

"C" CLUB

First Row, Left to Right: Oliver Brooks, Olin Akey, Leroy Pryor, Leslie Powers, Coach Bourrette, Glen Baker, Lloyd Flanders, Marvin Beechner.

Second Row: John Baker, Paul Sloan, Woodrow Rider, William Eaves, Jerry Brammer, Glenn Peters, Glen Flanders.

Third Row: Laurence Phelps, Justin King, Hubert Smith, Harold Leach, Gilbert Bunsted, Charles Ellwood, Jewel Streu.

The "C" Club of Cameron High School renewed its relations this year by electing officers and holding meetings. They discussed matters which arose in their department.

This is an old organization with rules, regulations and by-laws as to who are eligible to wear "C's."

The Home Room system was used and the "C" Club was benefitted by this plan as they had a room to themselves.

Cameron High School Associated Funds

A new system of handling the money of the extra-curricular activities of the Cameron High School was organized last year, known as the Cameron High School Associated Funds. It was sponsored by Miss Motter, Treasurer, and Principal Paul Osborn, acting secretary. This year the books were transferred to Miss Brillhart, treasurer, and Principal Olin Teasley, acting secretary.

A record of the receipts and expenditures of each extra-curricular activity is made by Miss Brillhart. Each department has the right to spend its money for whatever purpose desired. If, for instance, the music department wanted a check for \$25.00, or wanted to get credit for the use of \$25.00, it would be necessary for a member of that organization to get requisition from Principal Olin Teasley before the money could be secured. This requisition was the means of Miss Brillhart knowing when an account was made, with whom it was made, and for what amount.

Each month a report of all of the organizations was made for the approval of the school. These reports are kept on file.

The business is transacted through the First National Bank this year.

If the home is to fulfill its highest aim—that of training useful citizens, it must be a pleasing place to dwell, and its members must be contented and happy.

The aim of Vocational Home Economics is to train girls to be homemakers of the highest type. In order to accomplish this, our course is outlined to include planning, preparing, and serving of meals, with special attention to nutrition, management, and costs; family relationships; child care; house planning, furnishing, and decoration; selection, care, and construction of clothing.

In order to teach the underlying principles of the science of home life, our course is expanded to include the study of Related Science. In our program of Related Art we teach the principles of art as they apply to problems of every-day life.

In order that classroom work may carry over into the home life of the girl, our course is planned to include home projects for each member of the class.

VOCATIONAL AGRICULTURE

First Row, Seated, Left to Right: Mervin Gregory, Oliver Brooks, Quincy Kemper, Mr. Carl Gross, Quell Duncan, Ford Anderson, Glen Baker.

In 1918 there were three classes in Vocational Agriculture in the state. Today there are 133 all day schools or classes, which serve 82 counties in the State. Approximately 3,700 students are enrolled in these courses. Cameron boasts of forty-two regularly enrolled farm boys who are doing fine work both for themselves and for the school and community. The Future Farmers chapter was organized this year and a splendid program of work was adopted by the boys.

Last year at the State Fair, North Missouri Fair, and at the Midwest Vocational Show at Kansas City, Cameron boys were in the limelight with their Baby Beef calves and Sow and Litter projects. Over one thousand dollars was won in prize money and many ribbons.

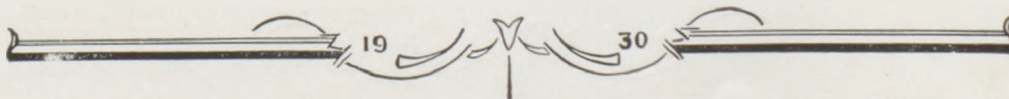

VOCATIONAL AGRICULTURE

First Row, Left to Right: Verle Whitaker, Eldo Easter, Eugene Akey, William Kanan, Malcolm Madison, Beebe Brower, Cleo Newby.

Second Row: Levi Ensign, Harold Ellwood, Forrest Brown, Frederick Buck, Oliver Gannon, Newell Daniels, Charles Carroll.

Third Row: Jack Taylor, Charles Kester, Earl McCord, Owen Venrick, Donald Wiley, William Wells.

The project for last year showed a net profit to the community, and to the boys of \$3,045.94, an average of \$108.42 for each completed project. Vocational Agriculture is one of the departments in school where the boys earn while they learn. In addition to project work the boys spend several periods a week in Farm Shop where general repair work, forge work, soldering, rope work, and other farm jobs are studied. Regular class work includes field work, judging of live stock, pruning, spraying, and many other jobs that the future farmer will have to deal with. Judging teams are sent to Columbia, Junior Farmers Week, to compete in the State contests. Last year four boys won medals given by the Weekly Kansas City Star for work done in the community improvement contest.

COMMERCIAL DEPARTMENT

First Row, Left to Right: Clayton, Lohman, Cutler, Gillis, Gilliland, Shell, Marcum, Murphy.

Fourth Row: Norwood, Streu, Phelps, Scammahorn, McAnaw, Mullenix, Morton, Burkett, Consolver, Staples, Luce, Peters Hunter, Eaves, Baker, Haley.

Vocational courses are placed among the most practical subjects offered to the high school students of today, one of which is commerce.

The commercial department offers three distinct subjects: shorthand, typewriting, and bookkeeping. There are 73 enrolled in the department, 45 of which are taking typewriting.

TYPEWRITING TEAM 1928-29

Left to Right: Margaret Maxwell, Marlene Dalke, Stella Norwood.

TEAM RECORD

Big Six Contest, Excelsior Springs:

First place, individual, Marlene Dalke, 55 words per minute.
First place, team, average, 46 words per minute.

District Contest, Maryville:

First place, individual, Margaret Maxwell, 55 words per minute.
First place, team, average, 47 words per minute.

State Contest, Columbia:

First place, individual, Margaret Maxwell, now known as the State Champion Novice Typist of 1929, 60 words per minute. Second. Team, average 57 words per minute.

Margaret Maxwell

Unusual honor came to Cameron High School when Margaret Maxwell competed against Novice Typists from all over the state of Missouri, placing first. This entitled her to a free trip to Toronto, sponsored by the Underwood Typewriting Company, to the International Typewriting Contest. This trip included various sightseeing trips. At the contest, Margaret upheld her record of 72 words per minute, although the strong competition gave her only 17th place out of about 50 novice typists.

For the past fifteen years Cameron High School has maintained a Teacher Training Department for the training of rural teachers. Many of the successful teachers in the surrounding country are graduates from this department.

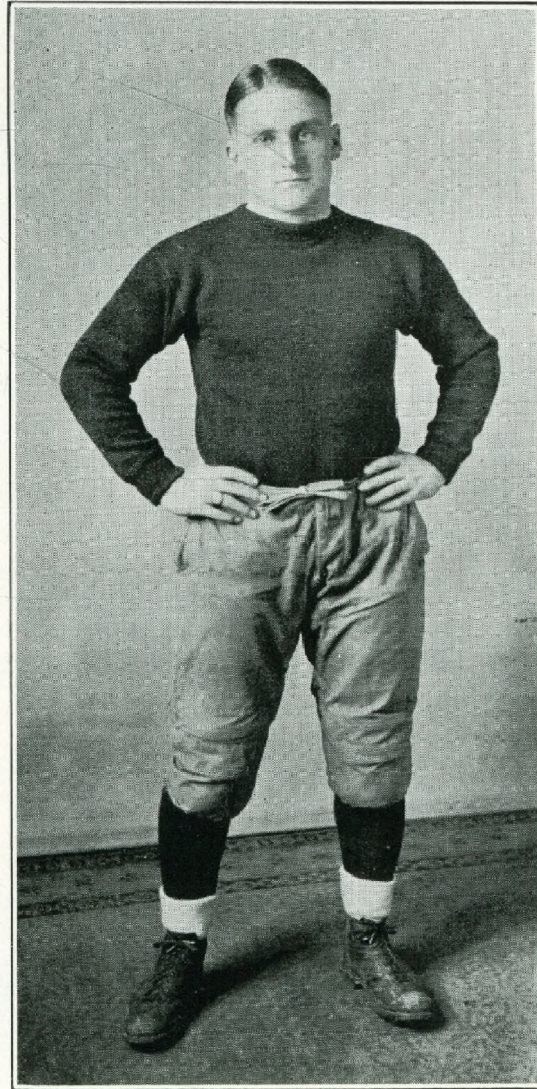

The work provides a review of some of the common branches for the beginning class, and instruction in Psychology, School Economy, and Methods for the advanced class. Forty observations in the city schools and two weeks observation and teaching in the rural schools are required of the advanced class. Throughout the year the advanced students act as substitute teachers in the grades.

Athletics

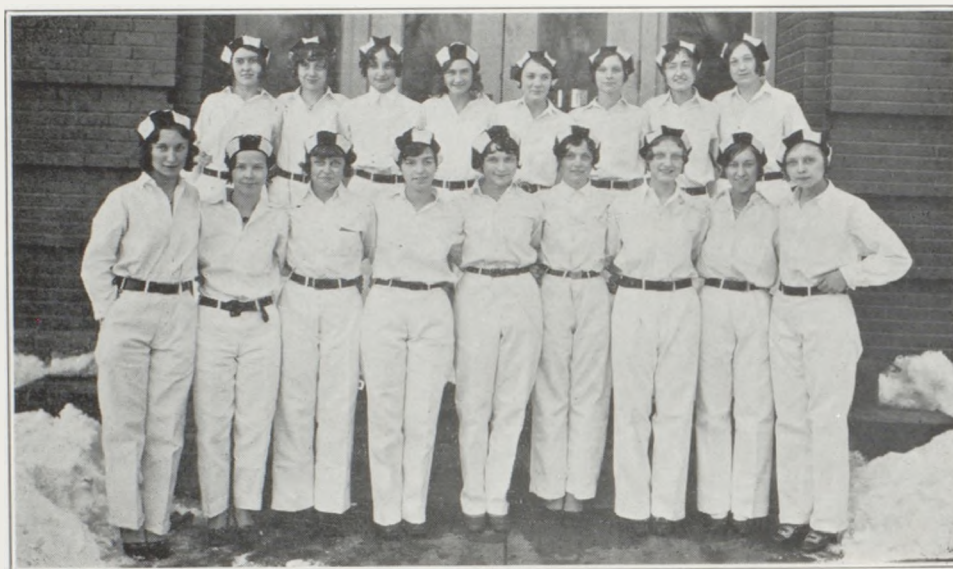

COACH GOLDIE V. BOURRETTE

As a coach, Mr. Bourrette has made us get a view of the better side of athletics; he has instilled into his athletes the spirit of hard fighting and clean playing, how to win modestly and how to lose graciously; as a man he has earned our respect, friendship, and admiration; and for himself has made a wonderful record during the two years he has been coach at C. H. S.

FOOTBALL RESUME

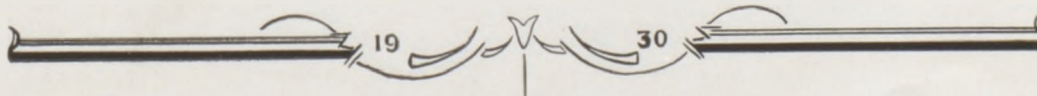

Although the Dragons lost nine lettermen from last year's undefeated, unscored upon team, they were able to win second place honors in the conference.

The opening of the season found eight lettermen back at their positions and an excellent supply of new material to replace the lettermen lost through graduation.

The Dragons were successful in defeating Savannah, Chillicothe, Carrollton, and Richmond; and played a tie game with Excelsior Springs. The defeats the Dragons suffered were at the hands of Benton, Central and Liberty.

The game which marked the climax of the season was played with Liberty on Thanksgiving. Both teams were tied in the conference standing, and Liberty was able to score a touchdown in the final period to win the game and the championship.

BASKETBALL RESUME

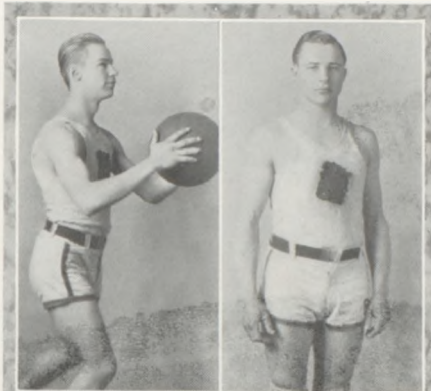

After a rather uncertain start, the basketball team finished in third place in the conference standings and enjoyed a successful season which terminated in a thrilling climax with a victory over Richmond, conference champions. The Dragons were runners-up in the M. W. C. Tournament, being defeated by Easton, winner of the Northwest State Tournament at Maryville. Although the Dragons did not win either of the two games played in the tournament at Maryville, they made a creditable showing.

PAUL SLOAN

Capt., Forward.
Paul is a senior who has won three letters in basketball. He led the team thru a successful season, and his scoring ability won many games for the Dragons.

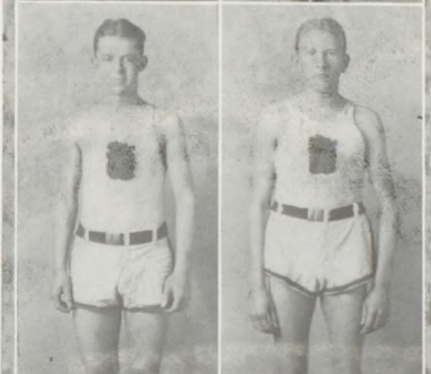

JERRY BRAMMER
Guard

"Jerry" is another senior who has won three letters in basketball. His exceedingly good floor work, steady and aggressive play prevented many opponents from scoring.

WOODROW RIDER
Center.

"Woody" played a consistent game all season. He managed to drop in baskets when most needed. He has one more year with us.

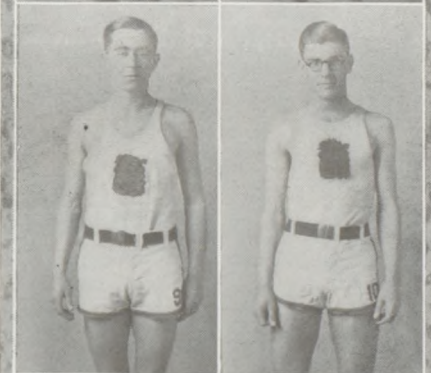

DONALD HENDERKS
Center

"Slim" was an all-round-good player. This is his first year in C. H. S. and we have high hopes for him next year.

JEWELL STREU
Guard

Jewell was a steady, aggressive player who covered the court well and made scoring hard for opposing forwards. This is the last year for him.

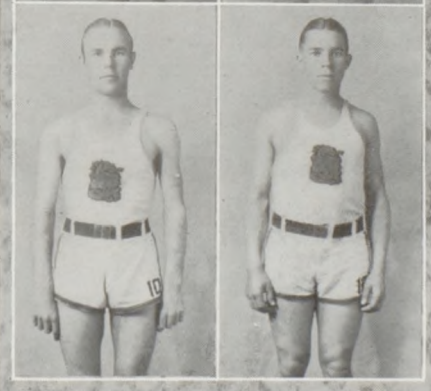

HAROLD LEACH
Forward.

Leach's value to the team was apparent at all times. His good floor work and defensive ability will be of great benefit next year.

FRANK HOWARD
Guard

Howard was a hard man to get by and the opponents he watched never got many baskets. This is his last year in C. H. S.

LAURENCE PHELPS
Forward.

"Tucker" was a fast and steady player. He played a consistent game and his floor work was commendable. This is his last year on the team.

TRACK SQUAD

First Row, Left to Right: Gomer Daniels, Robert Consolver, Paul Sloan, Laurence Phelps, Glen Flanders, Leslie Powers, Olin Akey, John Baker, William Wells, Everett Watson, Russell Warner, Glen Baker.

Third Row: Justin King, Harold Leach, Woodrow Rider, Lloyd Flanders, Gilbert Bumsted, James Ellis, Frederick Buck.

Track was the last of the major sports of C. H. S. to attract much interest. However the showing made by the team was very good.

The track team of 1929 made an excellent showing. They won the Wesleyan track meet, the Big Five Conference meet, placed second in the district meet at Maryville and third in the meet at Trenton. Besides these meets they made a good showing at the state meet at Columbia.

There were several outstanding men on the squad and several of these are back to make this year's record as good as last year.

Junior High Activities

The Junior High School division of the Cameron Public Schools was organized in the year 1925-'26. It consists of the seventh, eighth, and ninth grades. The ninth grade was formerly known as the Freshmen class in the high school. The Junior High School serves as preparation and a foundation for high school life.

The Junior High School Chorus presented a musical program March 7 in the Goodrich Auditorium. It was well given and showed much ability, which will develop greatly in the next few years.

The Junior High School students have won many honors for themselves and their school. Winnie Mae Gregory represented Cameron in the County Spelling Contest at Plattsburg. She won first place which entitled her to go to Maryville. In the literary and musical events in Cameron, honors were won as follows:

Declamation: First, Jean Knoch; second, Nancy Margaret Moore.

Oration: First, Gray Dorsey; second, Walter Baker.

Piano: First, Junior Bing; second, Bernice Sloan.

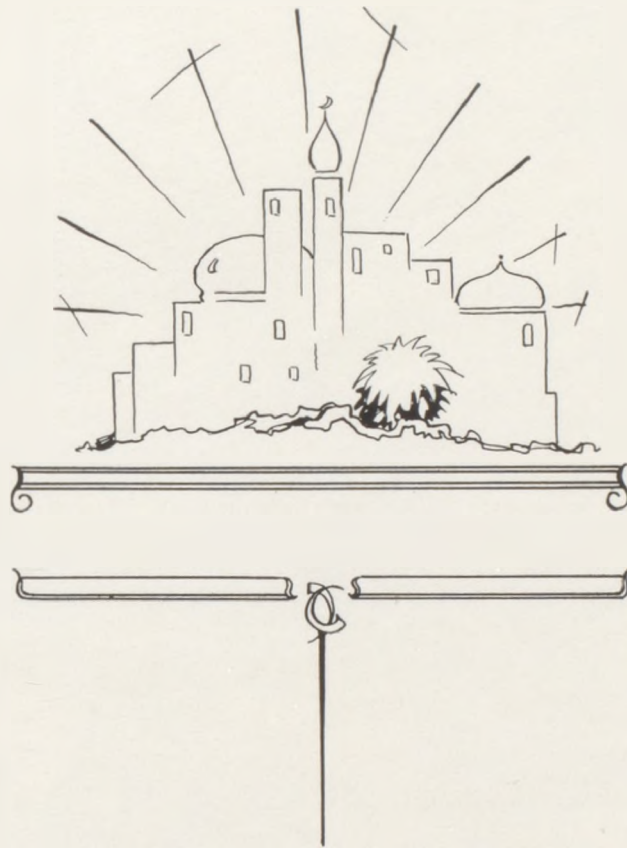

Violin: First, Bernice Jones; second, Claire Fiddick.

Girl's Voice: First, Avanel Dwyer; second, Josephine Neighbors.

Boy's Voice: First, Wayne Dunlap; second, Gordon Neil.

The seventh and eighth grade girls that represented Cameron in track at Plattsburg won first place. The boys won second place.

Make The Most Of Your High School Diploma

A high school diploma is an indication of a splendid educational foundation satisfactorily completed. By adding to your high school education a few months' intensive training in business subjects, you will make your diploma worth more to you.

Hundreds of young men and young women have taken business courses in this school after graduating from high school. They are now occupying pleasant and well-paid positions.

And if you plan to enter College or University in the fall, let us tell you about our special Ten-Weeks course starting the first of June that will make your college work much easier and enable you to make better grades.

You Have Learned the Value of

COOPERATION

In your school activities and in your association with faculty members and students, but your education is incomplete unless you realize the importance of cooperation in your home town. Team work in the advancement of a community is as important as team work in any curricular activity.

The Cameron Chamber of Commerce appreciates the many courtesies extended by the High School faculty and students and welcomes each year's graduates into the closer relationship of Cameron citizens.
