MYSTIC

FOREWORD

Symbolism provides an opportunity for an expression of those elusive, mystical qualities or parts that go to make-up the whole being--whether it be person or organization.

As the Dove symbolizes Peace; the Laurel Wreath the Victor's Crown; and the Stars and Stripes glorify our own Free Land--so we, the staff, offer the 1942 edition of "The Mystic".

Through its pages we hope you will find symbolized by picture and phrase those intangible, mystical, "somethings" which are so much a part of our school, its program and of us all.

The Staff

DEDICATION

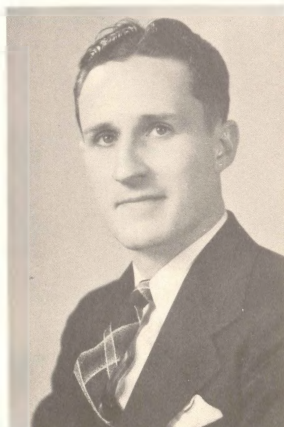

TO OUR PRINCIPALS

With sincere appreciation and affectionate regard,
the 1942 MYSTIC is dedicated:

To Mr. J. Olin Teasley, whose thirteen years of service to Cameron High School have been given sincerely, patiently, and generously. We regret his departure but wish him all success in his new position.

To Mr. J. Don Miller; whose pleasant personality, quiet determination, and kindly jokes are now familiar to us all, and which will, we hope become a permanent part of our high school life.

ADMINISTRATION

YESTERDAY records indelibly our victories, defeats, joys and sorrows. TODAY challenges our every thought and energy for a better way of life. TOMORROW beckons to us with glorious opportunities for achievement and hope--despite the dense war clouds.

Students, it is my sincere wish that your YESTERDAYS may always record the satisfaction of a job well done--your TODAYS always bring out the best that is within you so your TOMORROWS may be days of unselfish, courageous for others.

Mrs. Pearl E. Warner

Those we love truly never die,
Though year by year the sad memorial wreath,
A ring and flowers, types of life and death,
Are laid upon their graves.

For death the pure life saves,
And life all pure is love; and love can reach
From heaven to earth, and nobler lessons teach
Than those by mortals read.
