High school, high school, we love thee well;

ORGANIZATIONS

Student Council

Another year has passed' Under the leadership of Goldie Peters, President, and the supervision of Mrs Madison Overlay and Mr. Ray Baker, the Student Council has proved itself an efficient body.

The Student Council is the governing body of school. It works with the faculty in planning all student activities and voices the opinion of the students. There are two representatives from each class and one from each organization.

Some of the activities provided for the students by the council this year were: Christmas Dance, Homecoming, class assemblies, and exchange assemblies.

Money was raised by advertising in the homecoming football programs, by keeping check stand at sub-regional basketball games, and by providing a refreshment stand at dances sponsored by the council.

The Cameror Student Council President acted as Vice-President of the Missouri Association of Student Councils.

Los Hidalgos Club

The Los Hidalgos ("aristocrats") Club, newly organized this year under the supervision of Mrs. W. K. Ivie, has brought to Cameron High School a taste of life beyond the Rio Grande. A member of the National Hispanic Society, the club centered its programs this year around several Latin-American countries. Beginning with a Mexican supper served by candlelight in October, when twelve new members were initiated, the club studied Argentina in November, celebrated an elaborate "Posadas" in December, and learned about Cuba in February. In March came the trip to Kansas City for a Mexican film, and in April, on Cervantes Day, a public Spanish program was given.

Buena suerte, amigos! Que no se olviden nunca de su espanol. Hasta luego.

The years 1951-1952 brought about several changes for the Cameron High School Band. Many new instruments were added which gave Cameron one of the finest instrumentated high school bands in the state of Missouri. These instruments were put to immediate use by the C. H. S. Band members. Also, the band has new uniforms which were purchased in 1951.

The C. H. S. Band started their 1951-'52 instruction under a new director, Mr. Jay Meek, who was a professional musician for eight years and graduated from the Indiana State Teachers College. He was a member of the Terre Haute, Indiana Symphony Orchestra for six years, also a staff musician for the Indiana State Broadcasting Orchestra.

The C. H. S. Band is scheduled for five exchange band concerts and perhaps a broadcast from a near-by studio.
