

MYSTIC

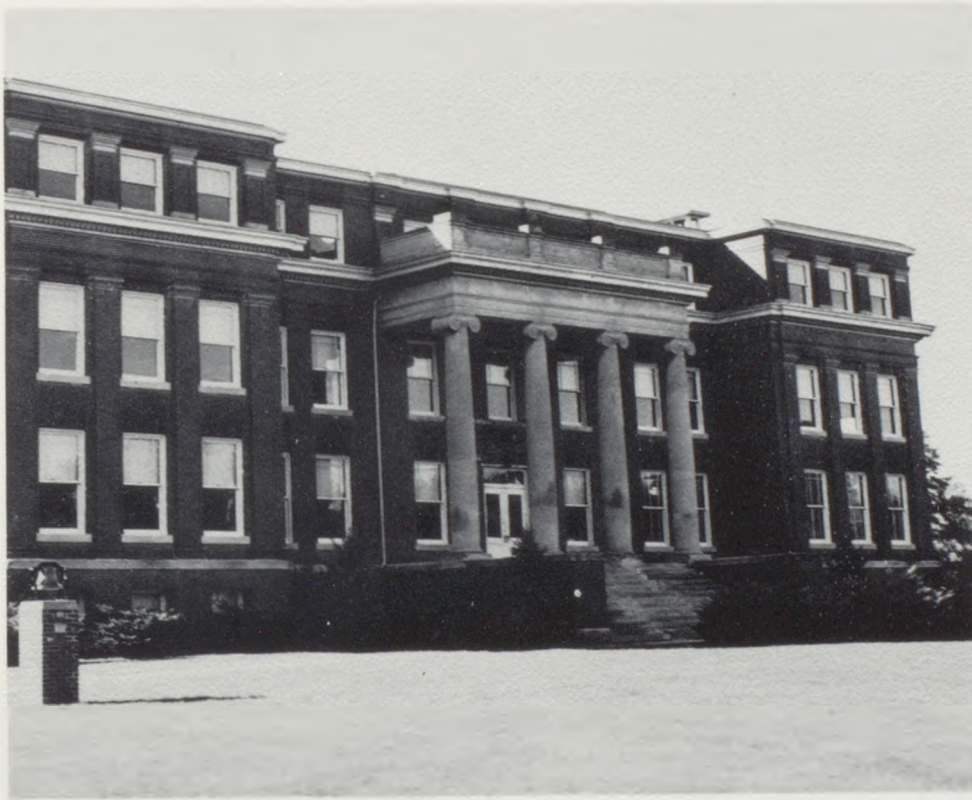

1963

THE PUBLICATIONS CLASS
of C.H.S.
PRESENTS

THE MYSTIC
1963
Cameron, Missouri

School Song

A song of Missouri wide
A song of our city strong
A song of our school, our joy and pride
Our high school dear a song.

High school, high school, we love thee well;
Ours is the joy, thy praise to swell
With voices free, we'll sing of thee
And ever thy praise we'll tell.

Mystic Editors

Being Mystic editor has most assuredly been a completely new and different undertaking for me. I had never, until this year, given much thought as to how much really hard work goes into the publishing of an annual, and having found out, I will appreciate my yearbooks more.

Working beside Mrs. Dritch, Judy and the other fine members of publications class has been a pleasurable and gratifying experience worth remembering. With you in mind, everyone of us has done his best in a common endeavor toward one goal---to give each of you a Mystic you can be proud of!

--Jean Hartz--

It has been a great joy and honor being the co-editor of this year's Mystic. It has been a lot of work, but I've learned a lesson in how important it is to meet a deadline.

The publications class has worked very hard to make this yearbook a success, and Jean and I hope that you will cherish the memories we have helped to capture for you now and in the future.

--Judy Helm--

Homecoming 1962

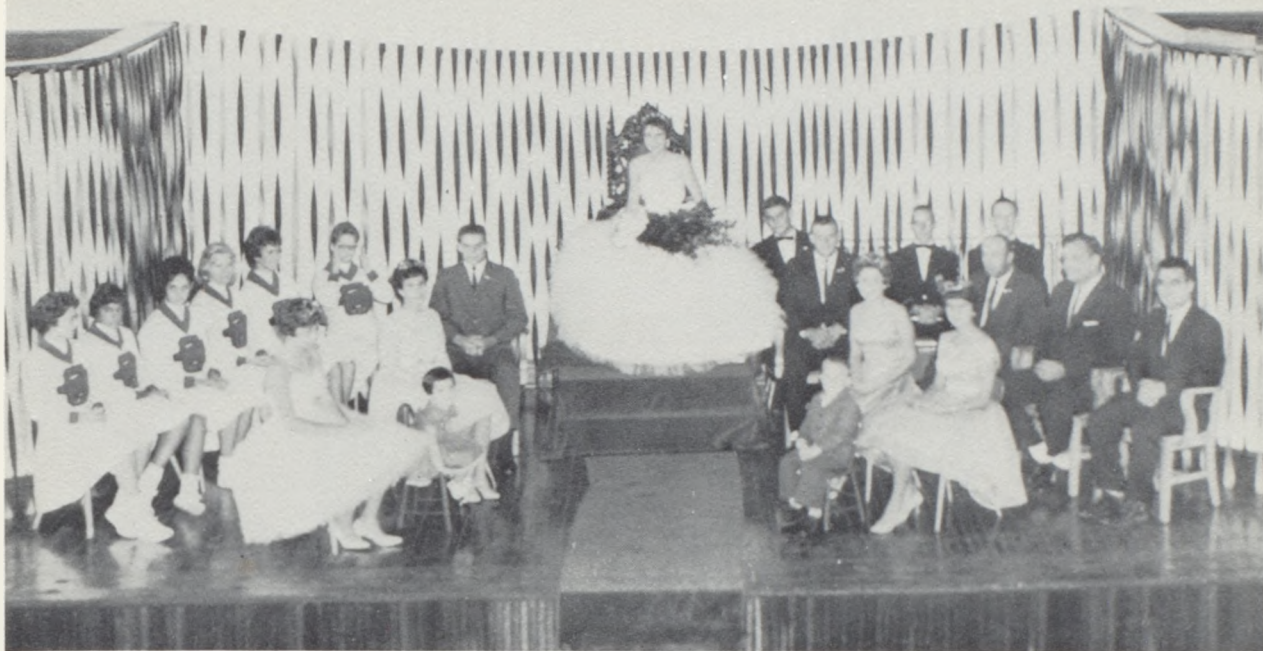

Our Queen

She was the fairest of them all,
For she was chosen by our team.
She isn't short, she isn't tall,
She's just a beauty, our queen, Jean.

The pep, the vigor, she did give
To cheer them on in time of need.
No memory will long outlive
The reign of Jean, a queen, indeed.
