Mementos of graduation, the tassel, the diploma, and the class ring, will long serve as reminders of the four happy, hurried, and worthwhile years.

The senior class of 1965 chose as their class ring, Telestar. The diamond cut on the ring symbolizes lasting impressions of Cameron High School engraved in the hearts of its graduates. The gold in the senior class rings represents the endurance and strength of the neverending friendships they have acquired.

Organizations

Student Body President Warren McElwain outlines future activities of the Student Council to his co-

workers--Secretary Sharon Collins, Treasurer Mike Foxworthy, and Vice-president John Mallen.

An Active Student Council Sponsors

The Cameron High School Student Council is the co-ordinating body of the school. It is a combination of three representatives from each senior high class, and one representative from each organization. It strenghtens communication between the student council, student body, and the administration. The council promotes interest in extra curricular activities and improves the school and community by sponsoring various service projects. The primary goal for the 1964-65 Student Council was to raise student morale and promote school spirit.

Under the direction of sponsors Mr. Dunphy, Mr. McIntyre, Mr. Nickel, and Mr. Webb, the council's achievements were well worth the endeavors of its members.

Masque and Gavel Furnishes

Masque and Gavel is a national organization whose aim is the development of public speaking and dramatics in every high school. The Cameron chapter of this organization enhances this aim by a monthly meeting devoted to the presentation of skits, prose readings and poems. At the initiation ceremony, new members recited the pledge and showed their many diversified talents at a reception afterward. During January the organization traveled to Kansas City to see a matinee of the movie My Fair Lady at the Capri Theatre. Masque and Gavel also sponsored the drama Antigone by Jean Anouilh. Its successful and eventful year was climaxed by a picnic in May.

Willingness to serve is motto of F.H.A.

The Future Homemakers of America provides a means of service while preparing girls for the future vocation in the home. Some of this years activities were a mother-daughter tea held in December, a St. Patrick's Day dance, and service at numerous banquets. The group also elected Gay Alley and Mary Martz to go to the state convention in March. Beverly Whiteman, a senior member, was named Cameron's Homemaker of Tomorrow, and is eligible for state and national honors.

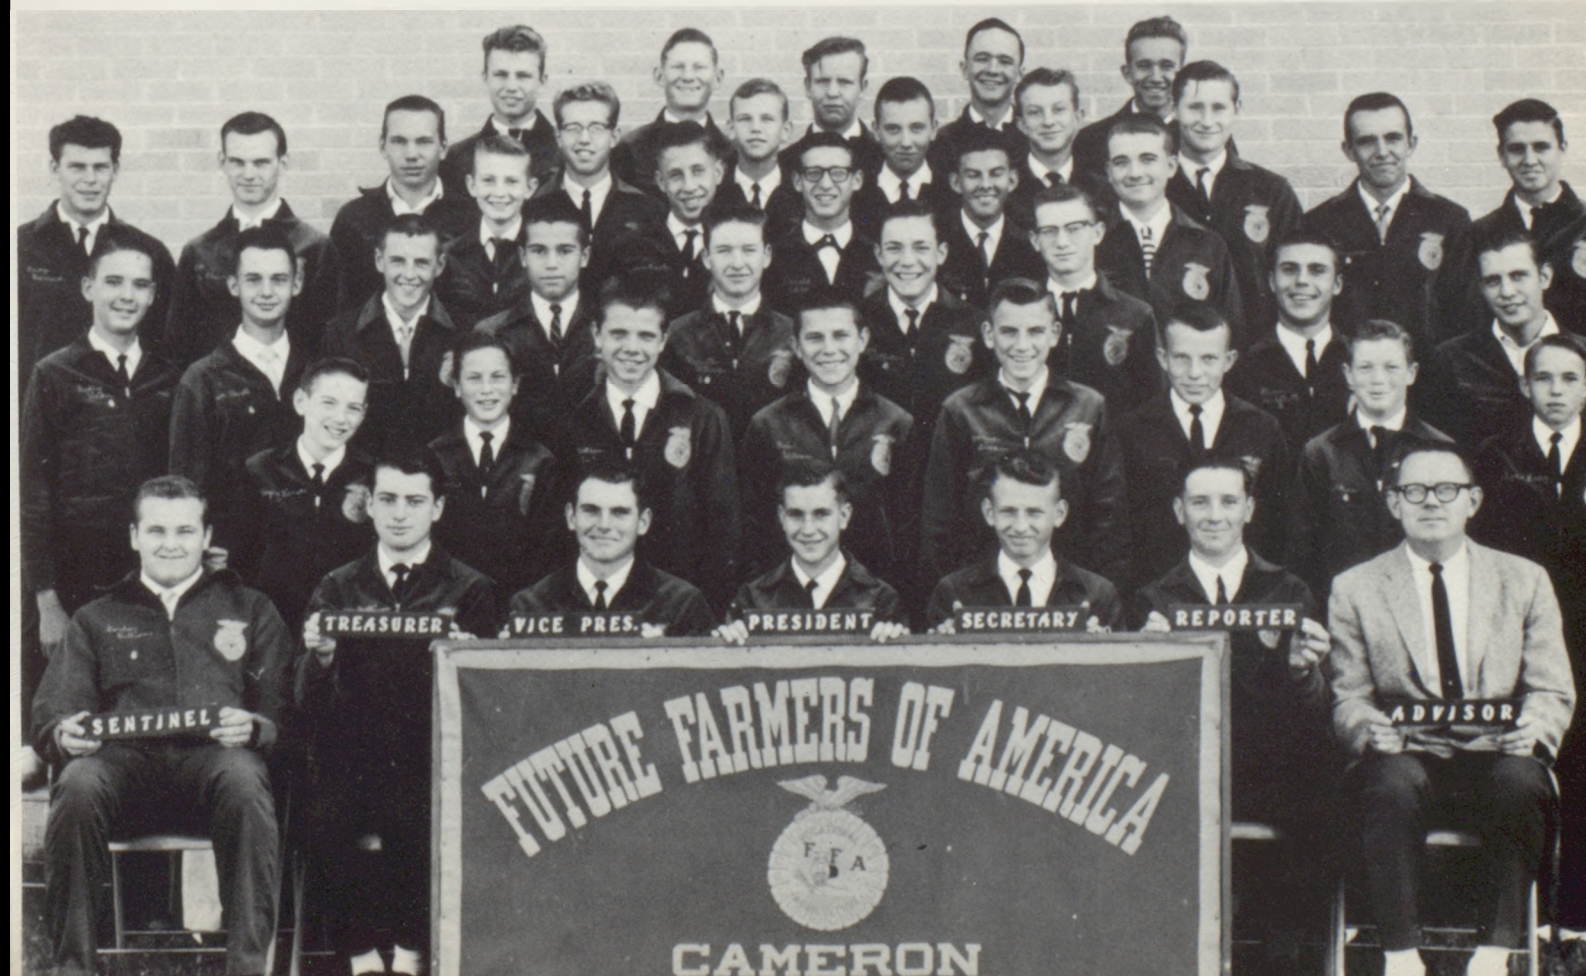

Future Farmers of America at Cameron, under the supervision of Mr. Riley, proved that education can be both practical and changing. A major event of the year was National F. F. A. Week held in February. This week is set aside to inform the people of the community of the activities of their chapter. This was successfully accomplished by the use of window displays, special F. F. A. meetings, and news articles. The boys also sponsored a "barnwarmin" dance in January, and sent representatives to the state convention. These and other noteworthy achievements helped each member fulfill the obligations of the F. F. A. motto: "Learning to do, doing to learn, earning to live, living to serve."

Future Teachers Will Guide Leaders of Tomorrow

The '64 - '65 school year saw the advent of a new school organization--F. T. A. . Future Teachers of America is a national organization which advocates the selection of teaching as a profession. The Cameron chapter in the past year has sought to understand the qualities required of a good teacher. They also prepared an assembly concerning teaching for the student body.

"A" Club Stimulates Interest in Physical Fitness

"A" Club officers, S. Filley, Pres; D. Eader, Vice Pres.; J. Bestgen, Sec.; M. Painter, Treas.; plan for eventful play-day.

"A" Club has its focus on fitness. An example of this fact is the "play-day" held for surrounding schools. This athletic organization also teaches the girls fine points of many sports. The members find this club a place to learn, to relax, and to relieve the tensions of the academic world.

To keep fellow students informed of school events through the Tank and to publish a yearbook that will be cherished in the years to come are the goals of the journalism students. The Publication class puts in many extra hours to accomplish these feats. These hours are spent writing articles and copy, typing stencils, cropping pictures, and working on layouts. The products of these weeks of hard work are a newspaper and a yearbook of which every Cameron Student should be proud.

Know and Appreciate Music

Accompanists, L. Bowness, M. Martz, B. Loft, D. Whiteaker, practice for future performances.

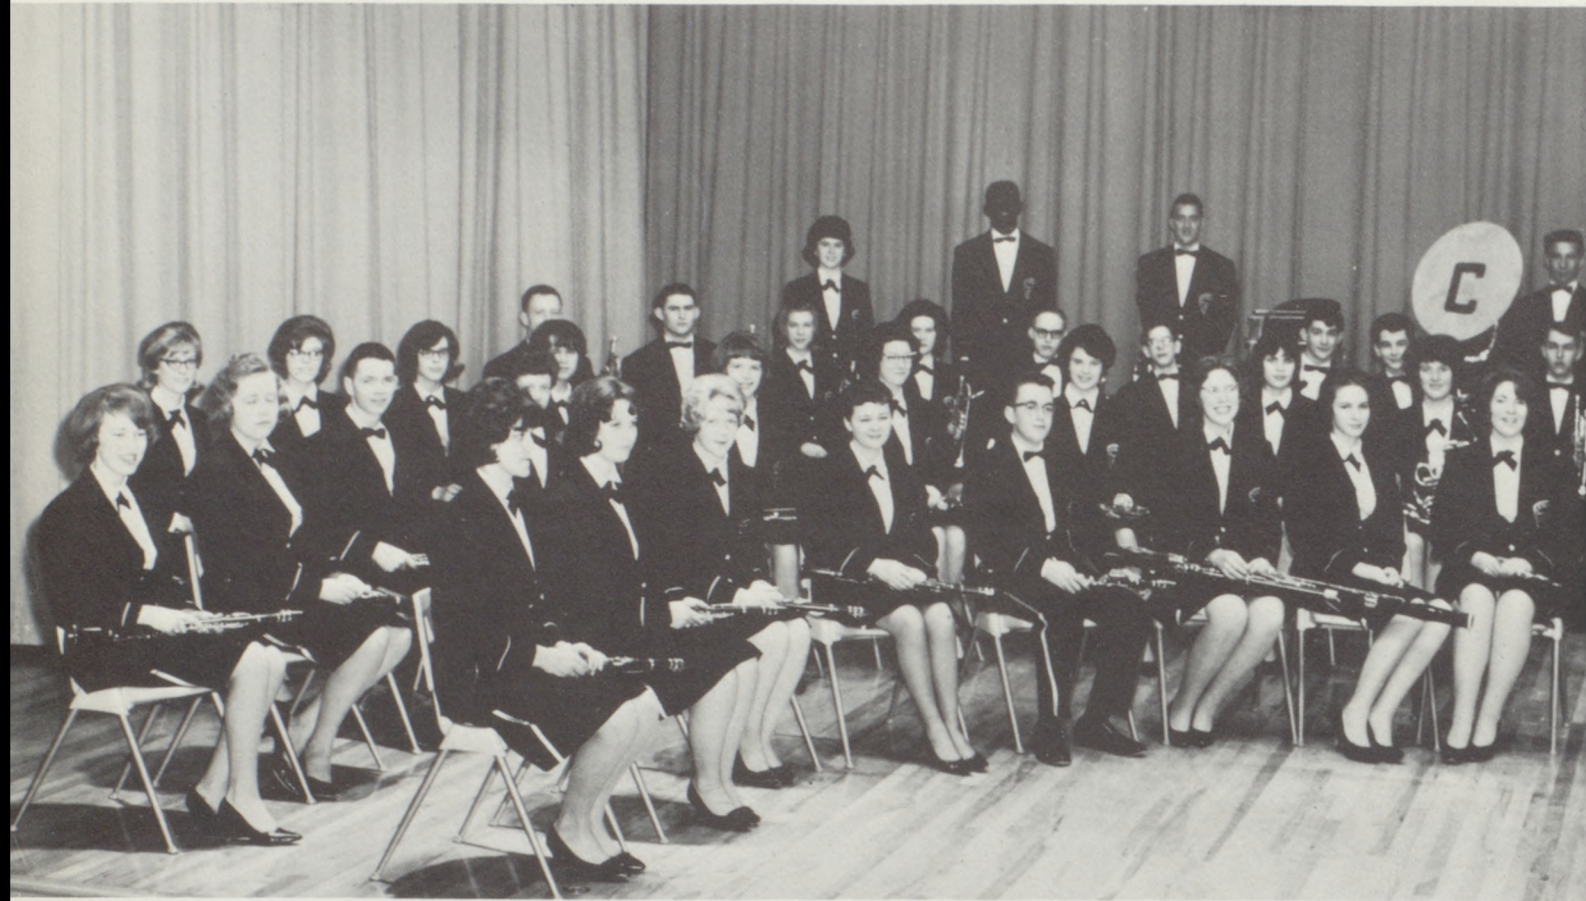

The study of music develops aesthetic awareness, provides a means for individual and group expression, promotes intellectual growth and affords a basis for understanding other peoples.

The study of music nurtures wholesome social relationships, gives personal enrichment to life, stimulates personality development, provides for the superiorly talented student and helps to satisfy a basic need for spiritual growth.

Therefore, regardless of the ultimate objective of the student or his desired extent of musical participation in school, music plays a vital role in his aesthetic, emotional, intellectual, cultural, social and spiritual development.

Tom Price

Classical Music Spotlights

Band officers investigate different band techniques. D. Wages, Pres.; R. Richards, V. Pres.; M. Price, Sec.; D. Collins, Treas.

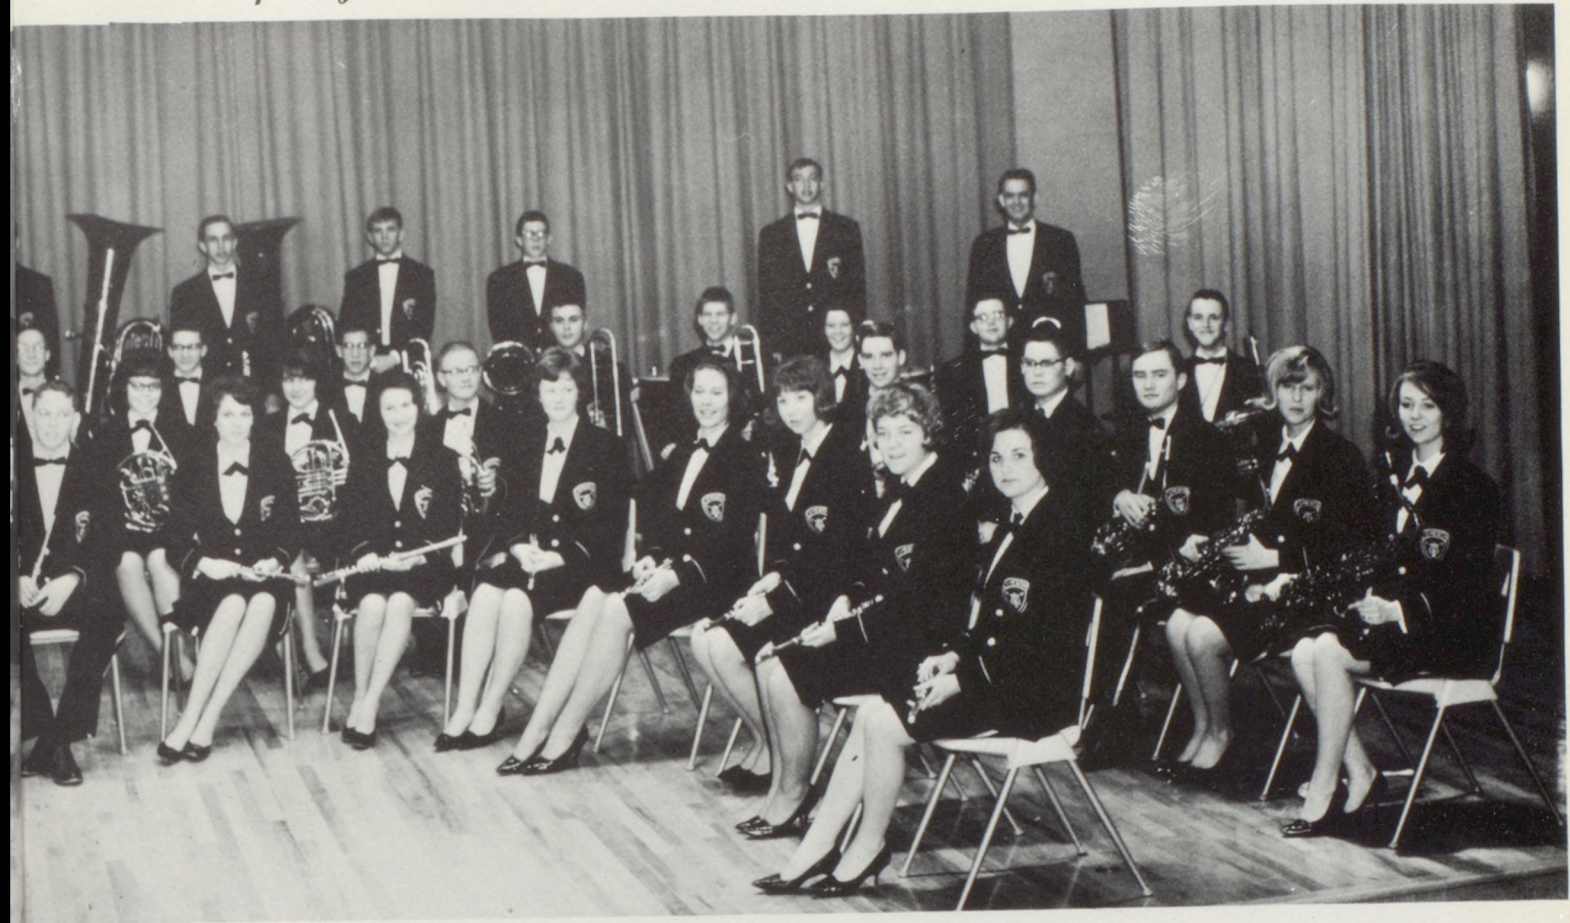

Throughout the ages, man has found music to be essential in voicing his own innate sense of beauty. Music is not a thing apart from man; it is the spiritualized expression of his finest and best inner self.

There is no one wholly unresponsive to the elevating appeal of music. If only the right contacts and experiences are provided, every life can find in music some answer to its fundamental need for aesthetic and emotional outlet. Education fails of its cultural objectives unless it brings to every child the consciousness that his own spirit may find satisfying expression through the arts.

The responsibility of offering every child a rich and varied experience in music rests upon the music teacher and his supervisors. It becomes his duty to see that music contributes its significant part in leading mankind to a higher plane of existence.

Jr. - Hi. Band Strives for Symphonic Perfection

How many Know what it takes to make band music? Not many. Good Music is more than shiny instruments, sparkling uniforms and a baton. How do you take a group of individuals. . . and mold a band? You work. And they work. They learn the importance of working together. They learn the deep satisfaction of accomplishment. They learn the need for discipline. They learn to take a further step on the road to becoming men and women. Hour after hour -- practice -- practice. Practice. Plan, rehearse -- rehearse and plan. Study and repeat. The day arrives when you are out to make music -- you take a note or group of notes with the individuals and bring life into the scene -- life of expression in mirth, sorrow, gladness, love, excitement, and death. This is what it takes to make band music.

C.H.S. Wins Grand

The 1964 Dragon squad was one of the largest in number that Cameron High School has had in many years. Although the Dragons were small in size, they faced this handicap with determination and developed into a fine team of which Cameron was justly proud.

For the third time Cameron won the Grand River Conference Championship which entitled the Dragons to keep the trophy. Another outstanding event was the naming of Terry Michael, Tom Dunn, Gordon Doak, and Tom Ruth to the all-conference team.

Under the direction of their coaches, Kenny Ausmus, Ed Whitaker, Bert Miller, and Jim Hanson, the Dragons ended the season with a 7-1-2 record.

Coach Kenny Ausmus views his last home game with mixed emotions.

Dragons have successful season . . .

CHS 7---Albany 7. . .This first game of the season, which ended in a dead-lock tie, broke the Dragons' long winning streak of 11 games. Tom Dunn made the Dragon's only touchdown as Hammy Connell made his first conversion point of the season.

CHS 32---Princeton 6. . .A pass interception and a recovered fumble by the fine defensive system of Cameron gave the team two of its five touchdowns. Rex Skidmore threw a touchdown pass to Terry Michael for six points and Tom Dunn accounted for the other two touchdowns.

CHS 35---King City 13. . .Tom Dunn's passing ability was the spark of action that sent the Dragons to a flaming success. Dunn's receivers of the evening were Warren McElwain and Terry Michael. Hammy Connell booted the point-after for all five touchdowns.

Set School Record
For Conversions

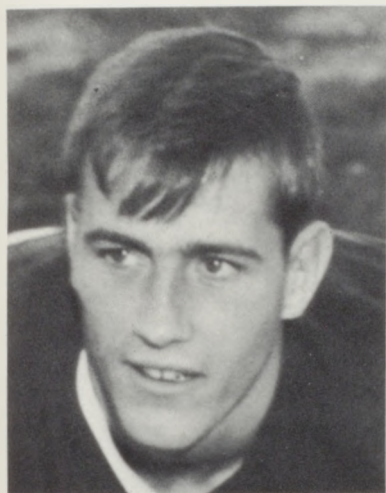

Well, they blew it. . .

CHS 28---Grant City 13. . .Although the Grant City Tigers scored 13 points against the Dragons, Cameron led the Tigers in a 2-1 ratio in yards gained. The drive of fullback, Warren McElwain, gave CHS two of its four touchdowns, while Hammy Connell booted four more perfect conversion kicks.

CHS 28---Bethany 6. . .Cameron's defensive team held the Bulldogs scoreless until they recovered a fumble in the third quarter. Passing was one of the main highlights of this game as Terry Michael caught two passes for over 93 yards. Hammy Connell's four conversions were all good.

CHS 45---Hamilton 0. . .The Dragons chalked up 375 yards rushing and 131 yards passing as five different players made at least one tally in each quarter of play in the Cameron-Hamilton game. Hammy Connell rounded out the evening's action by kicking three extra points after the touchdowns.

CHS 58---Maysville 0. . .The Dunn-Michael passing and receiving duo starred in the Cameron-Maysville game scoring thirty points as Craig Griffin took the honors as defensive high-point man. Hammy Connell set a new school record with seventeen consecutive points kicked after the TD.

CHS 40---Gallatin 6. . .The victory of this game gave the CHS Dragons the Grand River Conference Title. Passing once again played a vital role as the Dragons tallied another high score. Tom Dunn threw three touchdown passes and ran for two more. Hammy Connell converted four extra points.

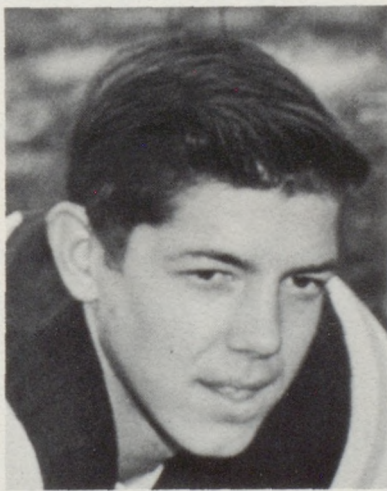

CHS 20---Stanberry 24. . .Stanberry Bulldogs proved that the Cameron Dragons were not infallible, but their victory was too late to keep the CHS team from winning the G.R.C. Title. Cameron led the Bulldogs until the final seconds of the game when Stanberry went over the line for the winning touchdown.

CHS 14---Savannah 53. . .As the '64 football season came to a close, the CHS Dragons received a striking blow from the Savannah Savages. Cameron held close to the Savages in the first half of the play, but in the second half Savannah broke the Dragon's defense and charged on to score 24 more points. Tom Dunn ran for one of Cameron's touchdowns and threw the other TD pass to Terry Michael. Hammy Connell finished the season with both conversion points good.

Good Coaching And Teamwork Make For A Successful Season

Under the direction of an able varsity coach, Larry Swift, and B-team coach, Jim Hanson, the 1964-65 basketball squad proved Cameron could have good teams.

After winning their first game from Albany, the Dragons proceeded to the William Jewell Tournament where they earned the second place trophy.

During the last of January, the Dragons demonstrated they were not the under-dogs by winning first place in the King City Tournament.

For the first time since 1960, the Dragons received the G.R.C. title, but because of one conference loss, were forced to share the title with King City.

The season concluded with the naming of Tom Dunn, Terry Michael, and Tom Ruth to the all-conference team. Cameron was the only school to have three boys receive this honor which, added to the other highlights, made the season one to be long remembered.
