In Appreciation

The Mystic staff would like to recognize Mr. Thomas J. Price for his 22 years of outstanding service to Cameron High School. He began his teaching at CHS in 1955. In the spring of 1957, his band received a one rating at contest and each year thereafter bands under his direction have earned a one rating. In 1961, his band performed for the Missouri Music Educator's Association in Columbia, and in 1963 for the National Music Educator's Conference held in St. Louis.

Mr. Price has been honored throughout the Midwest for his superior musical ability. His dedication to teaching and devotion to his students has endeared him to all throughout the years. Hopefully the accomplishments he has achieved at Cameron will be rewarding to him in the years to come.

Administration

"The 1977 Mystic provides a pictorial record of the Cameron R-I High School student body, its staff, and its activities. The staff of the Mystic is to be congratulated for the many hours devoted to such a fine publication.

The Mystic serves as a reservoir for memories. Memories that will come alive as it is reviewed in the years to come. Hopefully the school district patrons, its faculty and students will continue to take interest in their school so that each new year will promote the growth and strength of the school as an educational institution."

DARRELL WALKER

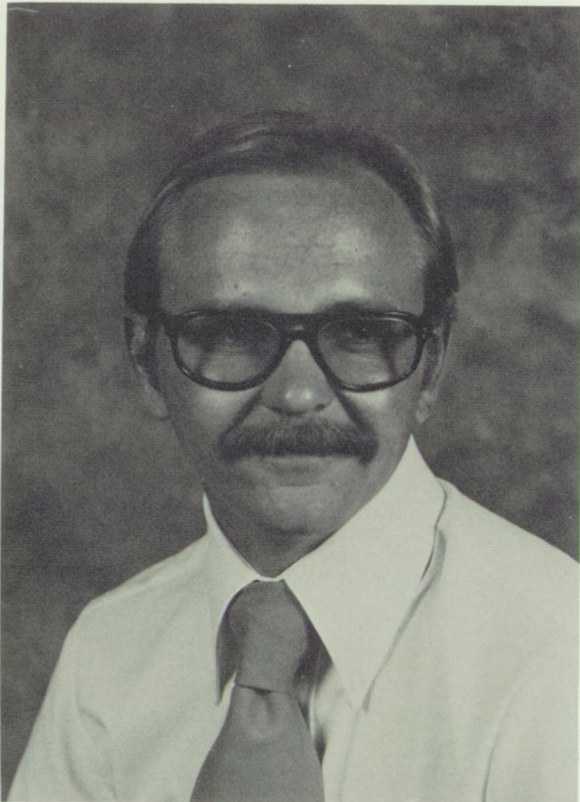

"As this segment of the Mystic goes to press the first half of the 1976-77 school year is nearly completed. By all measures it has been a good year at CHS. When the final segment goes to press and the 1977 Mystic is published, the life at CHS during the 1976-77 school year will be recorded for our enjoyment now and in the future years. We are indebted to the Mystic staff and their sponsor for their efforts in the development and completion of this important project.
