Through the Years . . .

One hundred years ago the first students graduated from Cameron High School. Members of the class of 1884 were Miss Enolia Wood and Miss Mary Kemper. We dedicate this Mystic to the century of students who have passed before us. In reflecting on the past, perhaps we can catch a glimpse of the future. This is the beginning of your journey "through the years."

HOMECOMING '83

Homecoming '83 was one of the most memorable happenings, as Queen Barbara Sorensen and her court reigned over the festivities. Posters for class spirit packed the halls and the juniors came out on top. "Cliches" was the theme for the float competition. "Up the Creek, Without a Paddle" was the title of the winning sophomore float entry. "Thrill of Victory, Agony of Defeat" was the junior class entry, and "Bury the Hatchet" was constructed by the senior class. The '83 bonfire burned throughout the night before Homecoming '83 would soon become a memory.

1983-84 FHA Activities

Last summer seven Cameron FHA members were given the opportunity to receive leadership training and create new chapter ideas at the State Meeting in Columbia. Region II First Vice-President Anne Reed also represented Cameron at the National Meeting held in Washington, D.C. Regional Officer Training Workshop and Regional Meeting were attended by Cameron members at the beginning of the year. The theme for the year, which officially opened in CHS with an "Eye-Opener" Breakfast, was "Take the Dare — Motivate." Forty-two members joined, and many members were able to pay their dues through money earned during the Fall Festival Rummage and Bake Sale. Money was also earned through working in the stands, selling frosties, nachos and baked potatoes.

Homecoming activities included the Breathtaking Biceps Contest and the parade entry of a 12 foot long FHA Dragon.

Cameron FHA girls once again succeeded in defeating Hamilton FHA 6-0 in the Powder Puff Football game, cheered on by the guy's cheerleading squad.

Other activities sponsored by the FHA included a Father-Daughter Cake Decorating Contest won by Gary Fawkes, a Christmas tree-trimming party and gift exchange, adoption of a needy family for Christmas. Support was given to the Dennis O'Connell fund-raising activities by donation of baked goods and selling raffle tickets. By selling Tupperware, the chapter was able to donate Tupperware items to the Home-Ec Department. FHA members participated in the FFA Barnwarming and helped to serve several banquets throughout the year.

The theme of the annual Sweetheart Dance held February 11 was "Just You and I" with balloons incorporated into the decoration theme.

It kicked off FHA Week which was filled with activities such as Red and White Day, Teacher Appreciation Day, "Paint the Town Red" day and BYOB (Bring Your Own Banana) — Banana Split — party. It ended with members attending the Latter Day Saints Church.

Members earning the required number of points were rewarded with a field trip and the year was wrapped up with the selection of new officers and the Officer Installation and Awards Night.

FHA sponsored a bake sale at the annual sidewalk sale.

Administration

The 1983-84 school year in Missouri was proclaimed "The year of the Public School." This was in part due to the local, state and national attention focused towards the quality of education in the United States. The backbone of the American educational system has been and will continue to be the public schools.

Our educational system is being examined more closely than it has been for decades. Despite the obstacles and difficulties towards the pursuit of educational excellence, history has shown that we can reach our goal. The system has responded to previous challenges with great success.

Each of us must demand the best effort and performance from all students, whether they are gifted or less able, affluent or disadvantaged. We cannot afford to settle for less.

A century-long file of graduates is the legacy of the class of 1984. The dim shadows of the seniors we never knew will retreat further into the past as we join their ranks. Even as we do not remember those who have previously crossed this threshold, we will not be remembered. However, the effects of CHS will not be forgotten. For the knowledge we have gathered, the spirit we have kindled and the love we have fostered has formed a bond with the past that will last "through the years".

Through the Years . . .
