# The Big Picture Of CHS

As the old saying goes, "You can't see the forest for the trees!" This is true in many cases. As you look through the yearbook this year, don't just look at the pictures as you would any other year. Try to imagine what else must have been happening during each flash of the camera. Try to see, "The Big Picture!"

"The Big Picture" of Cameron High School includes every individual. Every person counts! Without the trees there would be no forest. Likewise, it takes all the trees to make the forest. If one tree is missing, it changes the entire forest!

Remember this as you relax and enjoy your trip through this year's, "Big Picture!"

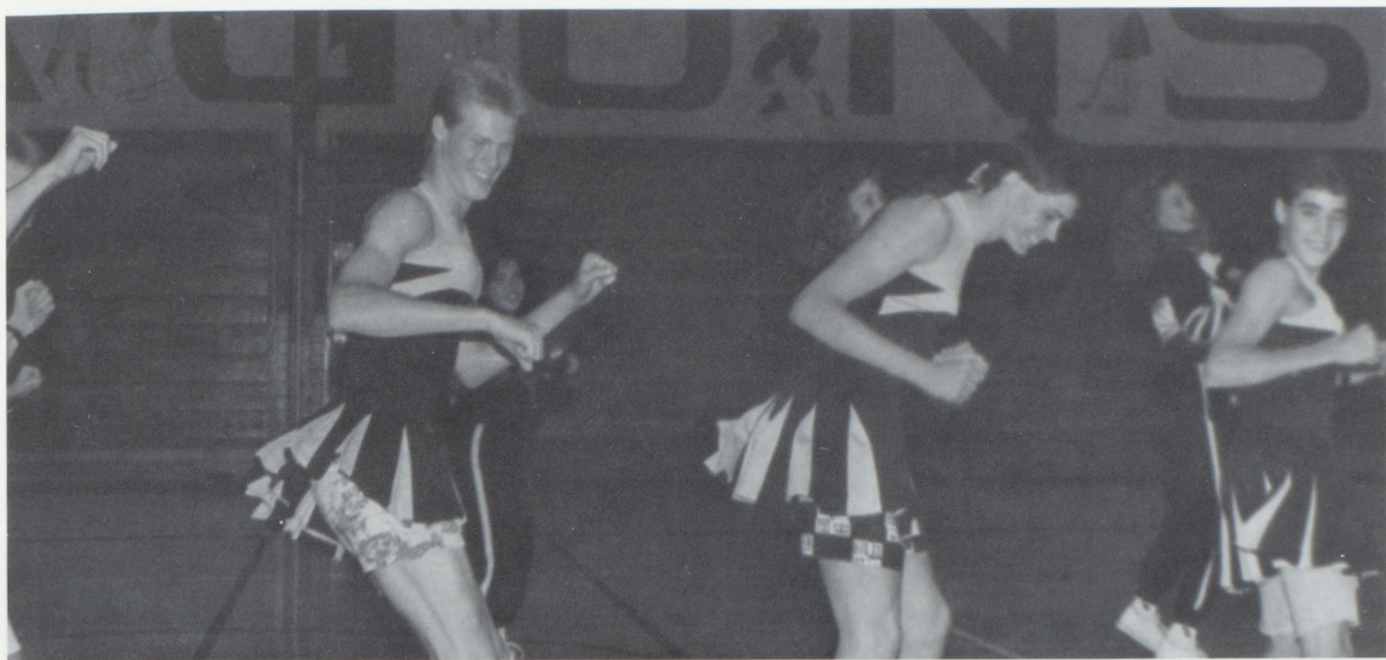

What a great idea! Daniel Mills brings his own fan to class on one of the hottest days of school.

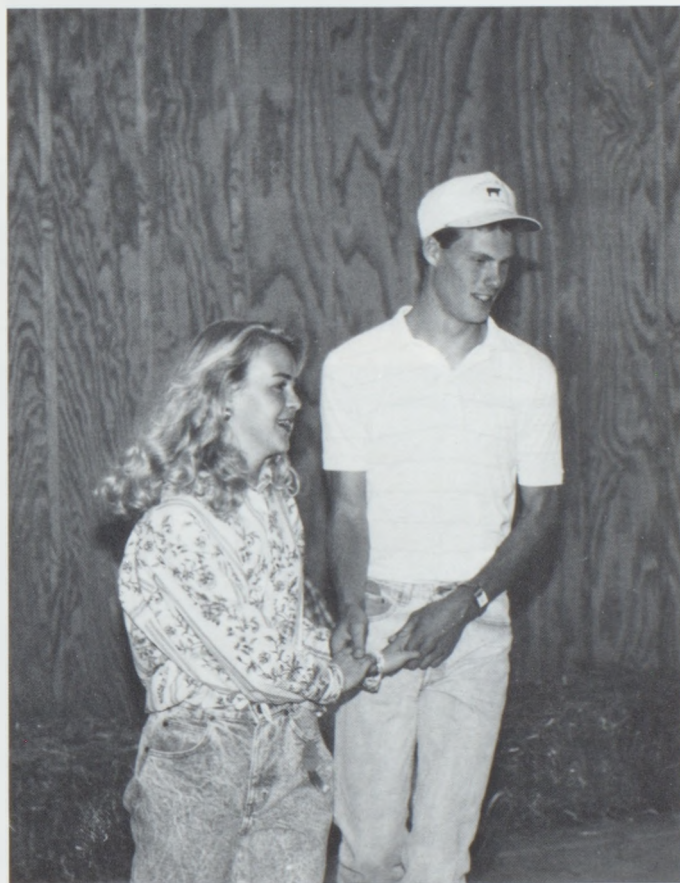

In addition to playing Friday night games, the Dragons put in countless hours of practice.

# Dragons Finish 5-5

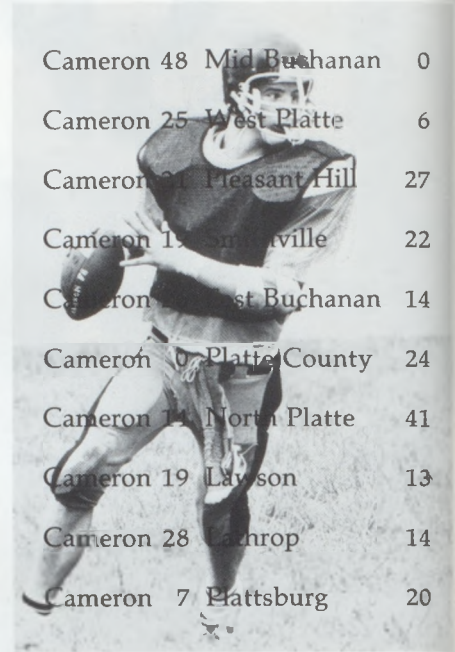

After winning their first two games against Mid Buchanan and West Platte, things were looking good for the 1990 Cameron Dragons. The Dragons then suffered their first loss to the class 3A Pleasant Hill team.

After their first loss, things just didn't seem to click for the Dragons, due mostly to the number of injuries that the Dragons were plagued with throughout the season. The Dragons played Smithville for the 1990 Homecoming game and came up short of the win by three points.

Cameron won their fifth game of the season against East Buchanan and then suffered their two worst losses of the year against the Platte County Pirates and the North Platte Panthers.

The Dragons headed into their first district game with a 4-3 record and would defeat the Lawson Cardinals to bring their overall record to 4-4 and their district record to 1-0. In their second district game, Cameron would face the Lathrop Mules, who had a record of 7-1. Cameron played one of their best games of the season to beat Lathrop and move their district record of 2-0. Cameron then lost to the eventual sectional champs, the Plattsburg Tigers, to end their season with a 5-5 record.

The 1990 Cameron Dragons would like to thank the fans and the CHS coaching staff for their support. A special thanks to the coaches for always believing in us and never giving up.

# Tough Frosh End Season 6-0-1

## Girls Golf And Tennis

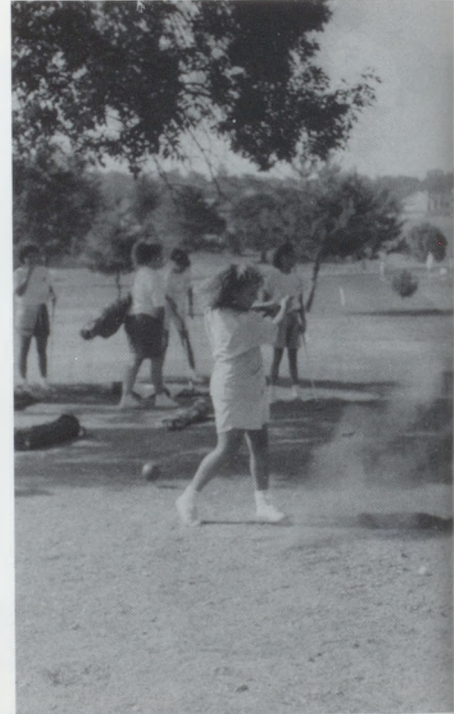

The girls golf and tennis teams finished their season gaining both experience and enjoyment. For the underclassmen, it was a season to gain experience for future season; for the seniors, it was an opportunity to show off their years of hard work. Both teams are hoping to gain new participants next season after saying goodbye to their senior members.

Girls Golf Team Members: Gina Graham, Danielle Thorp, Abby Wilson, Kelli Williams, Shelby Seitz, and Soraya Tabibi.

# Looking Toward Their Future

The Sophomore class has begun to look toward their future and decide upon what their plans will be. As Sophomores they have several things to look forward to: Prom, King and Queen Royalties and Varsity Sports. This year the Sophomore class has taken a series of tests, the MMAT, the TAP, and, most importantly, their driver's test.

# Free At Last!

This year's graduating seniors have been dubbed as the "Class with Class" by Principal Jim McCarty. In their tenure at CHS, they have witnessed many changes. Among them are new administration, teachers, and students. Despite the changes, the class has been able to achieve an unchangeable closeness. The class officers are Jason Jones, president; Mike Patti, vice-pres.; Ryan Bell, sec.; Stephen Sample, treasurer.

# "Deadwood Dick Or The Game Of Gold"

Howdy pardners! Did ya'll happen to drop in at the Long Branch last fall? Well if you didn't, you sure missed a heck of a time. We had everything from duels to can-can girls and lots and lots of card playing.

"Deadwood Dick or The Game of Gold", under the direction of Mrs. Paula Strange, was chosen because it involved real historical characters and places. Set during a very rough and tumble time, Calamity Jane (Kelli Buck), owns an disreputable saloon called the Long Branch. This is the regular watering hole for characters like Black'n Red (Kirk McCarty), Ned Harris (Chris Neal), and

Wild Bill Hickock (John Worland).

Booing, hissing and cheering on the characters of the play, the audience played a big part in the total effect of the melodrama. Faculty members and patrons of the community were pulled from the crowd and asked to take part in the play. After having to put up with the coquettish smiles from the barmaids, these extras were killed off, one by one for different reasons, such as cheating at cards, messing with someone else's woman, and Mr. Marshall for killing Frankie Barker's "man".

An open bar was also added

to enhance the aura of the old west. During this half hour before the play, the public could come on stage and buy "drinks" (Sarsaporilla) for two bits a bottle. They could also mingle and get to know the regular barflies and scoundrels.

Heather Wilson, Melissa Ostorga, Niki Roach, and Kari Jo Long gave a general idea of what a melodrama was, where it took place and who was involved in it. Even though the play entertained the public, its purpose was also to teach the public a little about life in the old west.

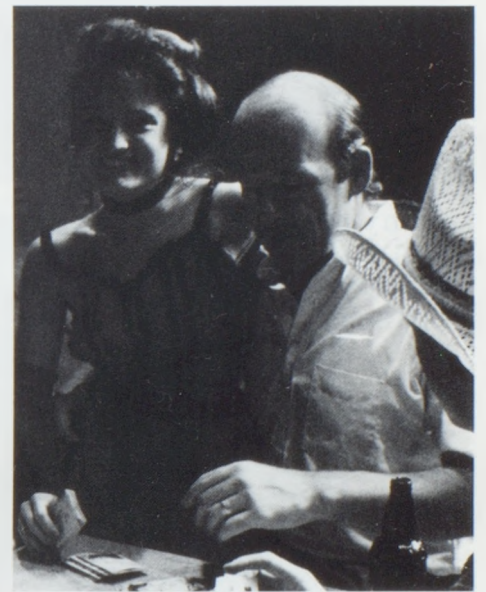

The Long Branch Saloon during happy hour saw "regulars" such as Mr. Wilcox and Mr. Marshall.

Pong Ping (Chuck Cox) tells a sightless Lily Blossom (Shena Walker) the outcome of the dual between Blackn' Red (Kirk McCarty) and her hero, Ned Harris (Chris Neal).

Sheriff Loveless (Glenn Mommens), while playing cards with Tom Worland and J. C. Kirkendall, spots his number-one enemy and prepares to gun him down.

While sitting on Mr. Steel's lap, Frankie Barker gives both Steel and Sheriff Loveless (Glenn Mommens), some tips on how to play "Go Fish".

Showing off their barmaid stuff, Frankie Barker, Melissa Ostorga, Cyndi Cogdill, Nicki Roach, Niki Anderson, and Mandy Livingston finish their dance with a coquettish smile.

# Roach Reigns As Queen

Senior Nicki Roach was crowned the 1990 Homecoming Queen.

The tension of the moment rose as Senior Jason Jones fumbled with the envelope containing the name of the 1990 Homecoming Queen. The student body hushed as Jones pronounced Nicki Roach as our Queen. It was a very emotional time for many students. Senior attendant Cyndi Cogdill stated, "I was so happy for Nicki, I just started crying!"

The coronation followed the traditional order. The student body was addressed through a speech from Board of Education member, Zack Workman. The ceremony closed with a pep talk from football coach, Robert Newhart to get the players pumped for the big game ahead of them.

Homecoming Queen Nicki Roach is flanked by the coronation court, consisting of Jazz Choir members, representatives from Student Council, cheerleaders, and senior members of the football team.

Senior Daniel Hahn presents the Queen with roses from the football team.

Cheerleaders Heather Filley and Meshelle Murdock help wish the football players good luck with Victory Pins.

# Homecoming Memories

Smiles, tears and happy memories were created in abundance over Homecoming week. The seniors went all out and showed their senior spirit by dressing funky all through spirit week. Monday was "color your hair day", Tuesday was "toga day", Wednesday was "backwards day", and Thursday was "black and gold day". The rest of the student body caught the bug and some sophomores were even resorting to the John Travolta-Look.

Homecoming week had its crowning glory when Nicki Roach was selected to represent Cameron High as Homecoming Queen. Nicki, her court, and the student body created memories that will last a life time.

# Parade Receives Thumbs Up!

Homecoming week was definitely a week to remember. The parade was considered a great home activity involving students, faculty, and patrons of the community. Several at CHS joined in to help make it as spirited as possible. All students had something to do, whether it was helping to build their class float or dressing up funky to show school spirit!

The week of Homecoming 1990 was full of excitement, stress, spirit and tears, leaving everyone in awe until next year.

# Aggies: Breakin' Out The Boots

Barnwarming was held October 6, 1990 at the Community Fair Building. The dance was sponsored by FFA and FHA. Parents, alumni, faculty, and members of FFA and FHA attended.

Larry Liebig was the caller who taught the dancers some new steps. One of the main features was the crowning of the Barnwarming Queen and Court. The freshman royalty were Tom Worland and Kristie Bray. Eddie Dotson

and Marie Mast were the sophomore royalty. Junior and senior royalty were Pat Ramsey and Mandy Colvin, juniors, and Joey Whitaker and Holly Jones, seniors. Joey Whitaker and Mandy Colvin were selected as king and queen of the Barnwarming.

After the crowning of the royalty, there were several exciting activities like an apple cider chugging contest, red ear of corn contest, and a wheel barrel race.

Standing patiently, Travis Walker and Holly Jones wait for the music.

Enjoying his evening, Eddie Dotson shows us a cheesy smile.

# One Magic Moment

# "We're Outta Here"- S. Sample

The Class of 1991 changed the commencement exercises by combining the Baccalaureate and the Commencement into one ceremony. The class chose to have the valedictorian, Mindy Eder, and the salutatorian, Jennifer Walker, speak in place of a commencement address. Stephen Sample gave the farewell address, finishing with the words. "We're outta here!"

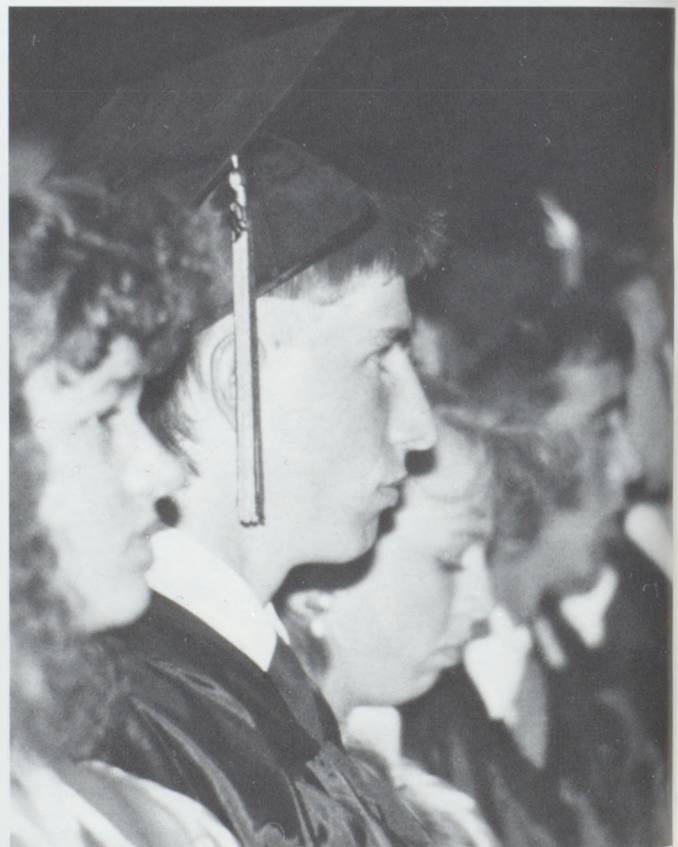

A CHS graduated wrote the following poem:  
Four years is a long time-too long to forget  
We look around and ask-where did it go?

We worked-we played-but for four years?  
Then we look the other way-into tomorrow.  
Suddenly we're not so tall as we thought we were and not so smart.  
But we find that somehow, we learned a decisive lesson at CHS-  
Without our parents and our teachers,  
A direction into that uncertain tomorrow.  
It can never be so dark again-though the world may change  
And the times may change and we may change.

Senior Concert Choir members sing "Maybe Someday" with a mixture of sadness and joy.

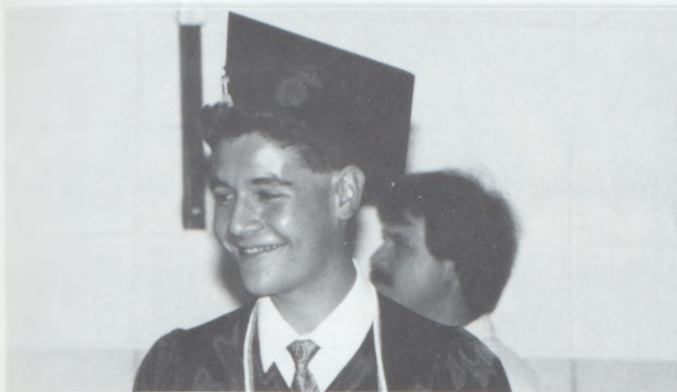

Joe Edwards is still giggling even while Rex Skidmore hands him his diploma.

Dorsie Randall, in a solemn moment, contemplates the future.

David Monllau, the Spanish exchange student, smiles big after receiving his diploma.

Singing for their last time together at a high school event are Darrin Kuhn, Daniel Hahn, and Martin Montgomery.

William Lane, along with many others, is grinning bigger than ever!

Mindy Eder, valedictorian, gives her speech as salutatorian Jennifer Walker watches.

All the officers and few members attended Region 2's officer workshop where they learned how to improve their skills as an officer. In October, an initiation ceremony was held for the new members at Goodrich Auditorium. Also in October members attended the Regional meeting at MWSC.

In November a lock-in at the high school proved to be a success. On Valentine's Day there was a talent show at the Village for FHA Week.

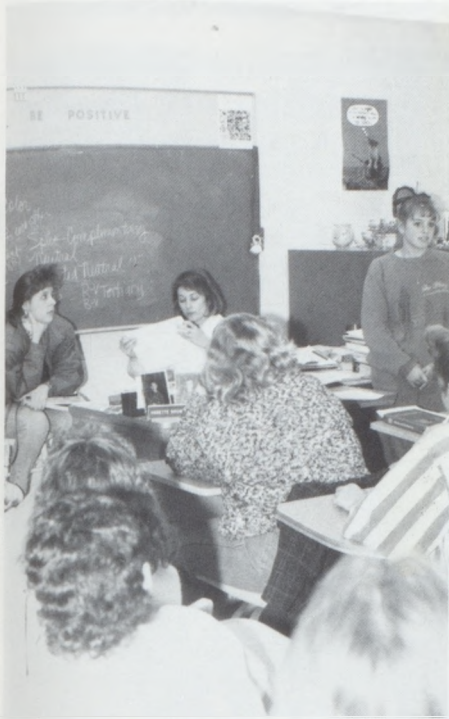

To end the season, FHA hosted the Sweetheart Dance for the entire student body.

# Staff Presents Big Picture

Each year the publications class puts out the Tank and the Mystic. This year's class was no different. This staff decided upon the theme "The Big Picture," sold advertising and yearbooks, and met publishing deadlines. The staff also tackled controversial issues in the school newspaper.

Staff members claim that Mrs. Fagan will remember this class as "the last of the rebels"

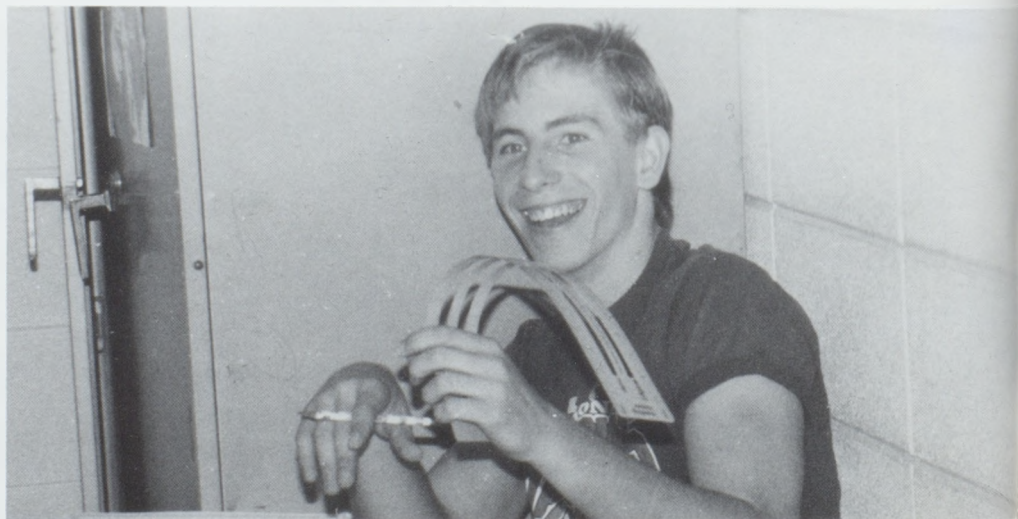

because of their willingness to vocalize their opinions. A title they proudly claim! The editorial staff included Nicki Roach as yearbook editor, Melissa Ostorga as newspaper editor, Heather Filley as photo editor, and Kelli Buck as copy editor.

During second semester, Julie Ernat, a student teacher from NWMSU, instructed the class in newspaper production.

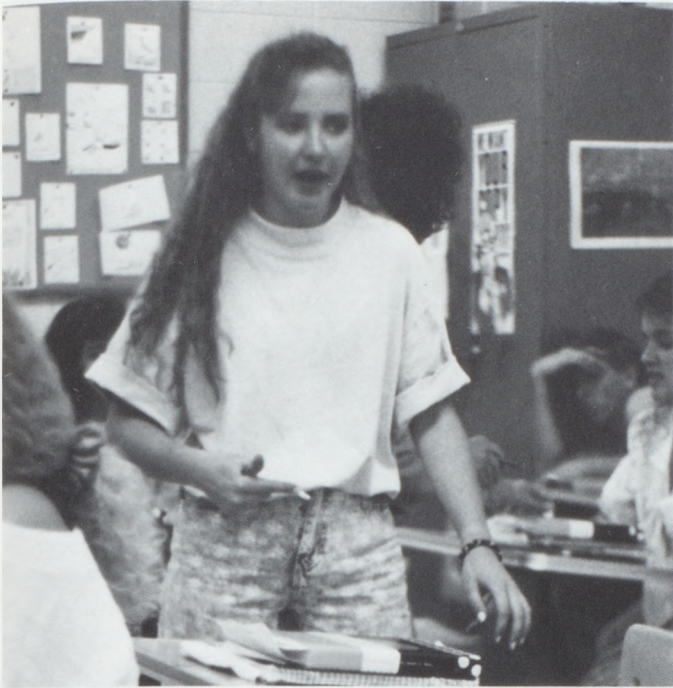

The publications takes a moment to vogue: Front row-Kasey Sloan, Nicki Roach, Melissa Ostorga, Cyndi Cogdill, and Mrs. Glory Fagan. Middle-Kim Holzfafter, and Meshelle Murdock. Back row-Rhonda Grady, Dorsie Randall, Ginger Johnson, Mike Patti, Gina Graham, Jason Jones, Heather Filley, and Kelli Buck.

Dorsie Randall works hard to meet his approaching yearbook deadline.

"Now what was I doing?" wonders Cyndi Cogdill.

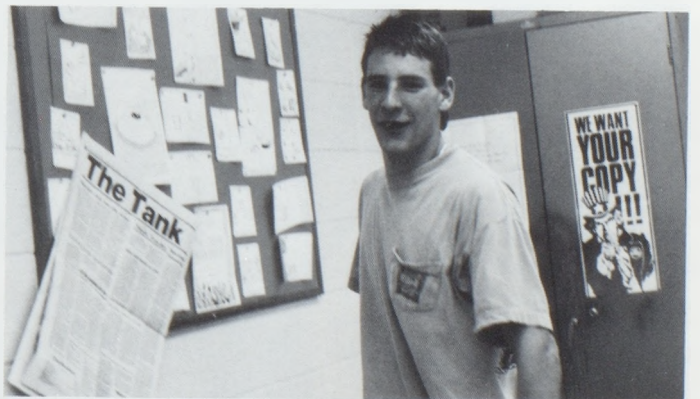

Jason Jones, Heather Filley, Rhonda Grady, Melissa Ostorga, Gina Graham, Mike Patti, Ginger Johnson, Kim Holzfaster, Nicki Roach, Kelli Buck, and Dorsie Randall show class spirit!

Staff members discuss possible story ideas for an upcoming issue of the Tank.

Rhonda Grady ponders how she will ever get all of her yearbook spreads finished on time.

Reading the latest issue of the Tank hot off of the press is Mike Patti.

# Classes Build and Design House

Cameron High School carpentry and interior design classes have joined forces to build and decorate many houses in the past. This year's house was started in the fall of 1990 by the carpentry classes and was finished in the spring with the assistance of Mrs. Brown's first and second hour interior design class.

Mr. Bob Stoebener headed up the construction crew. Between the morning and afternoon classes, 23 students participated in the building of the house this year.

Proceeds from the sale of the house go towards the construction of the following year's house.

# Academic Bowl, Art Club And Computer Club

Competing, inventing, and drawing, these three clubs have been busy bringing prestige to CHS. The Academic Bowl, sponsored by Mrs. Fish, started its season with a resounding victory. Frequent practices kept their wits sharp throughout the season, which ended with a conference title and first place in a four-state competition in Peru, Nebraska.

The Art Club was also kept busy throughout the year painting, drawing and visiting museums. Sponsor Jimmie Livingston arranged for the Art Club to spend a day at the Nelson Art Gallery along with the Academic Bowl.

The Computer Club, sponsored by Mr. Al Dow, competed in several events through the year.

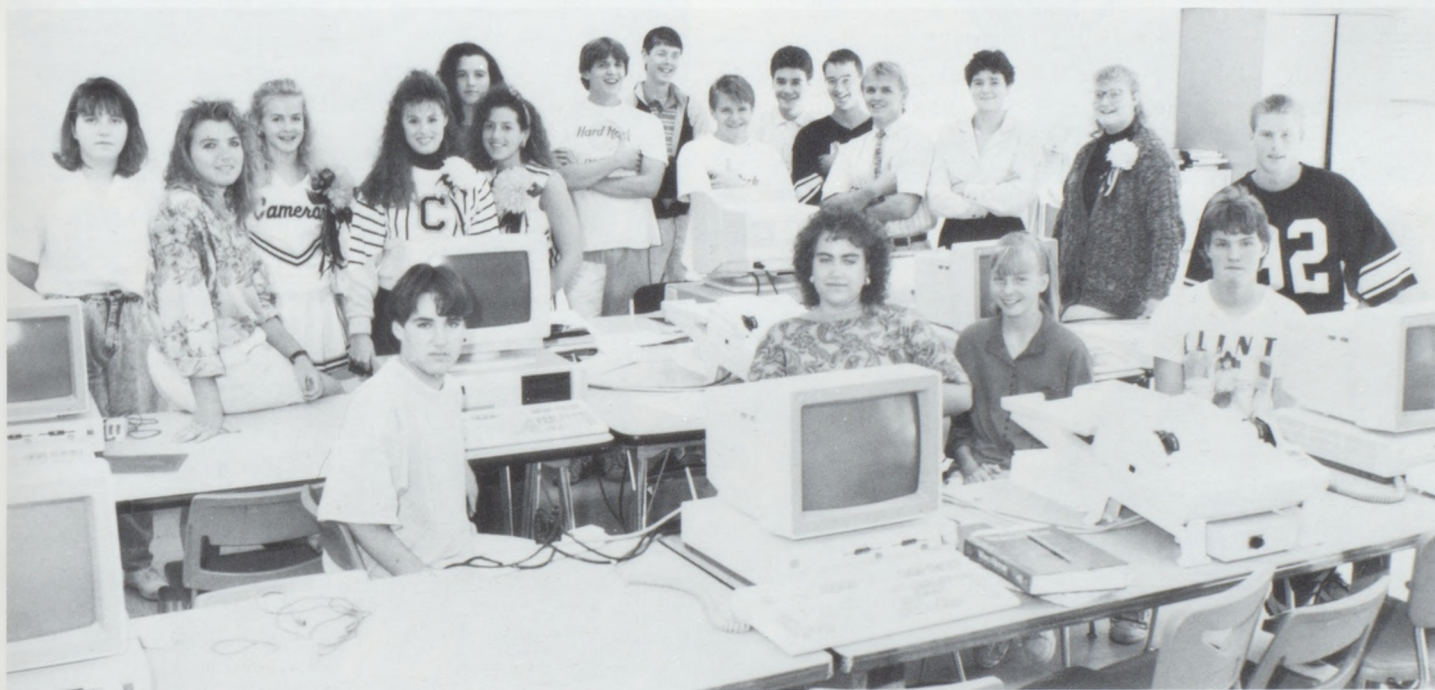

Adding a little bit of color to the Homecoming Parade are Faith Ives, Beth Martin, and Brenda Lawler.

# Symphonic Band

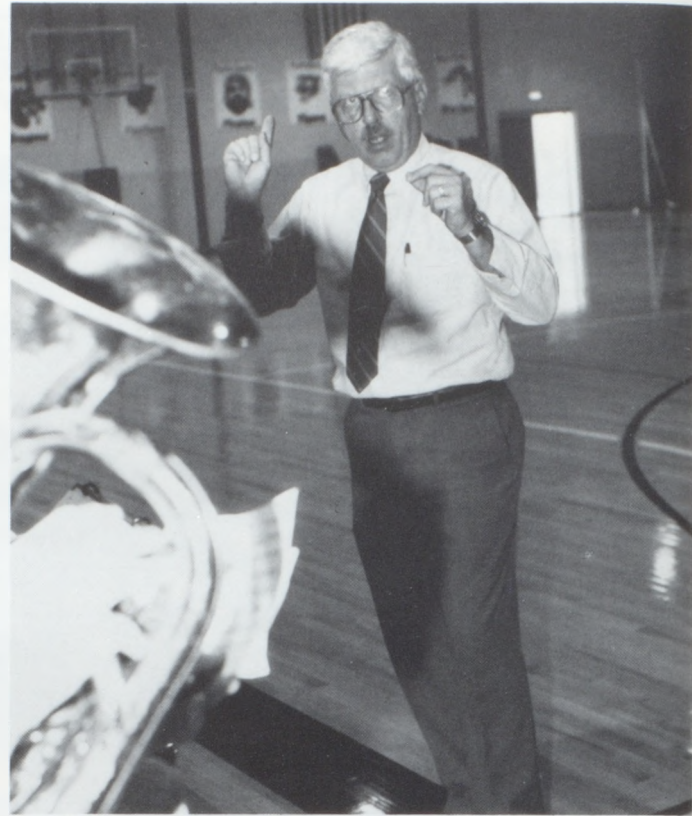

Entertaining community, students, and faculty, the Symphonic band has been kept busy performing all year long. They have participated in several contests such as District Band, State Band, Band Contest, and several parades.

Although the Symphonic Band has had some trouble with vandalism, they managed to pull through and keep it all together.

Performing all across the state, the Symphonic Band has also traveled to different schools

in the county to render them with some familiar melodies. All in all they have had a busy year and even though they will be losing several seniors, new talents are coming in.

After working hard all year long to entertain at pep assemblies, half-time shows for football and basketball, and several concerts for the community CHS bids a fond farewell for the summer to all the fine musicians involved in the Symphonic Band.

Dave Taylor directs the pep band and entertains the fans at a heated basketball game.

# Jazz, Glee Clubs Excel

The CHS Jazz Choir had melodious year. To try out, the students sang a solo of their choice in front of the current jazz choir members, who voted along with the Goodwins. New members selected were Amie Marshall, Jaimie Watkins, Jolyn Thomas, Soraya Tabibi, Holly Bell, Nick Stodden, Kirk McCarty, Jeff Mellencamp, and Ryan Bell.

The jazz singers sang "Lady" at coronation to the Homecoming Queen. They then began practicing on Christmas music and they sang at several sorority Christmas parties, as well as the CHS Christmas Concert. In February, the jazz choir journeyed to Maryville to participate in the 4-state jazz choir festival. They received first place for their efforts. This is exceptional considering most jazz choirs have an hour class at school to practice; whereas the CHS jazz choir practices at 7:30 AM and is totally voluntary.

The Boy's and Girl's Glee Clubs practice all year and sing at the Christmas Concert as well as the Spring Concert. The Glee Clubs also compete at District Music Contest in March at Maryville.

The CHS Concert Choir started the year off by performing at the annual Thanksgiving concert. They also performed at the Community Thanksgiving Service. After the traditional Christmas Concert, the choir began to prepare for music contest held in March at Maryville. The Concert Choir, along with the Chamber Choir, once again received a "I" rating in both performance and sightreading. During the course of the year, several fund-raising activities were held. This year was also the first year for the new choir uniforms to be worn. In May, a Spring Concert was held in which the Choir, Jazz Choir, Glee Clubs, and all those solos or ensembles receiving "I" ratings at district contest performed. The concert was dedicated to the senior members of the choir as a last farewell. The director of the Concert Choir is David Goodwin. Kathryn Goodwin is the accompanist. Together, they have established an excellent music program at CHS.

# NHS Helps Library Progress

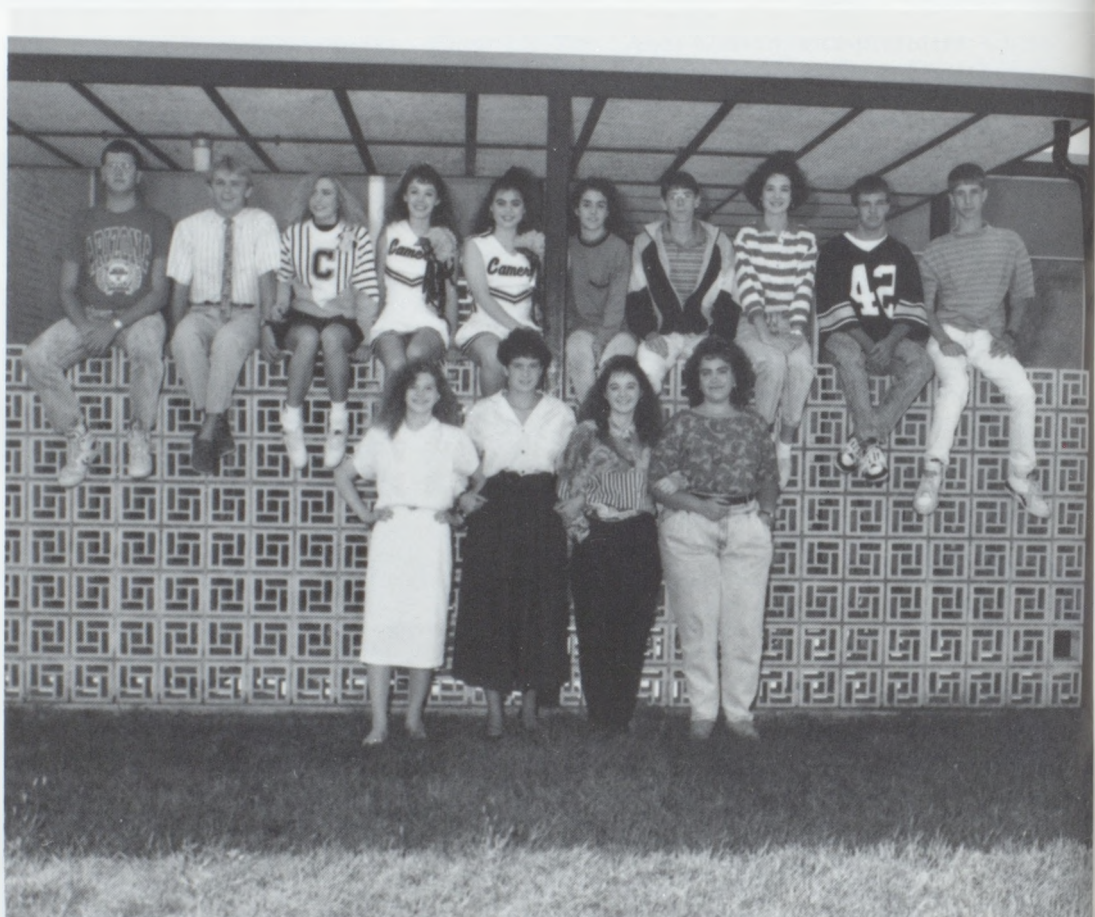

The National Honor Society had a transitional year. The first change was one of sponsorship. Mr. Dow took over the job from Mrs. Fish, who had sponsored NHS for the last several years.

When the high school library needed bar codes ap-

plied to all the books for the new computer system, members came in on President's day to get the job done. N.H.S. sponsor Al Dow commented, "It's great when students go above and beyond what is expected of them."

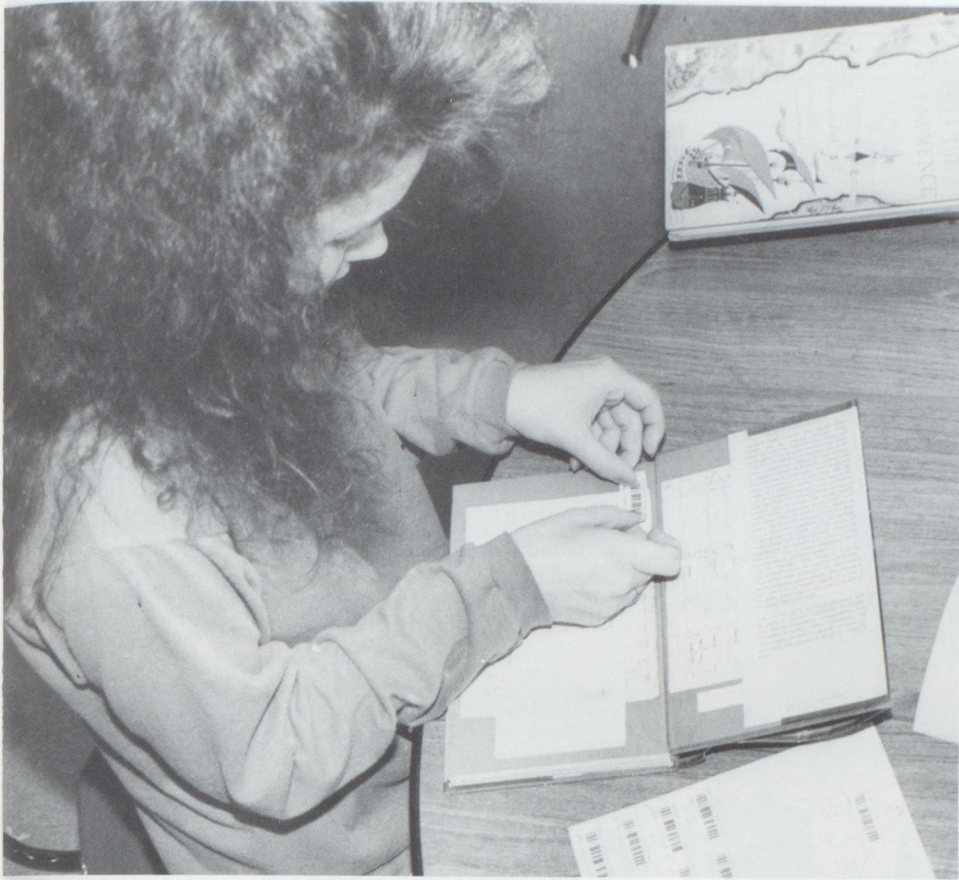

The Cameron Public Library

moved to a new location this year and NHS was on hand to assist in the move. NHS president Nicki Roach stated, "I felt great being part of the new library. It made me feel like I was doing something important."

# Pom Pon Squad Fires Up CHS

The 90-91 CHS Pom Pon squad continued the tradition of excellence and pride that has been formed throughout the years. In June, the squad received the Sweepstakes trophy at a camp, which qualified the squad for national competition in Anaheim, California. The squad also received the home routine award, which is awarded to the squad with the

best original routine.

A highlight of the year was presenting the color guard at the Royal's baseball game in August. The squad members were also fortunate enough to have their picture taken with some of the Royals.

Sponsor Mary Tyrrell provided costumes for the girls to wear during several holiday seasons.

Senior pom pon girls Heather Wilson, Kelli Buck, Ginger Johnson, Kari Jo Long, and Mindy Eder prepare to perform at their final football game.

During half-time, the pom ponners perform the routine "Dangerous."

Distributive Education Clubs of America is a nation-wide curricular activity designed to spark student interest in the two growing fields of marketing and management by promoting effective education and providing challenging competition. Competition involves extensive research and activity projects, rigorous interviews and

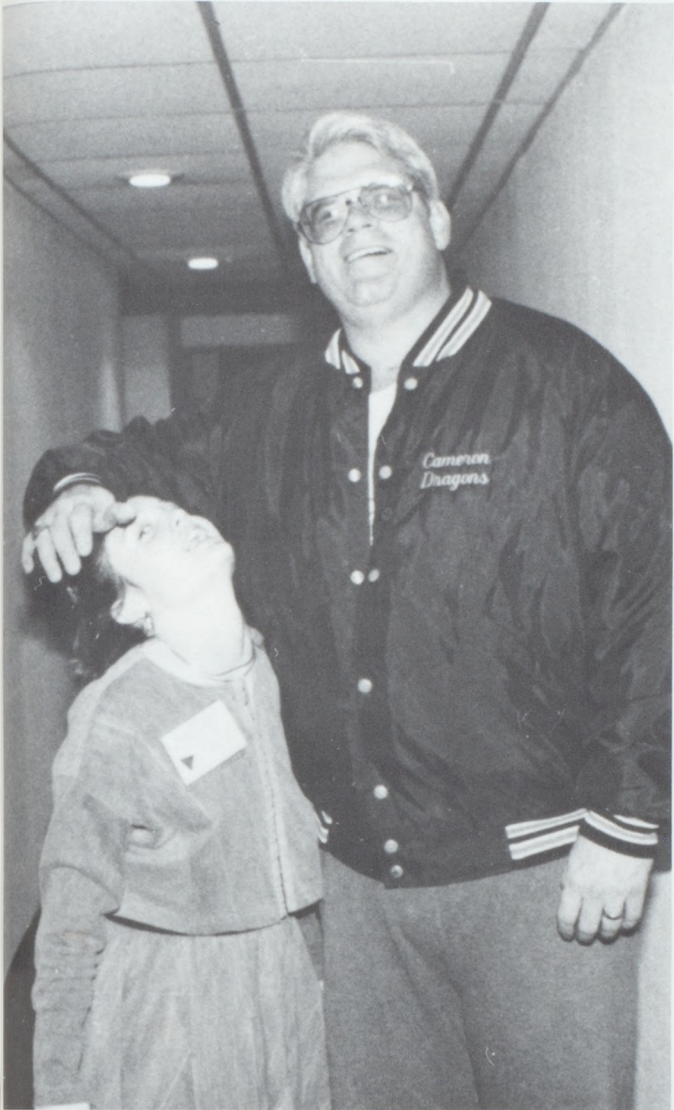

tough role playing situations. The Cameron students have been recognized for their outstanding skills in marketing and management through participating in this competition at district and state levels, and eight students had the opportunity to shine in the national conference in Denver, Colorado.

# Future Problem Solvers

For the past 15 years, students from all over the United States and the world have been participating in the Future Problem Solving Program, tackling some of the most complex challenges facing society. These challenges have ranged from those with an emphasis on science to those orientated toward the humanities.

Each year the program focuses on five different topics. These are selected by tens of thousands of

students around the world who vote for the topics of greatest interest to them.

The offerings and the materials of the program have been refined over the years, but the problem-solving process is essentially unchanged:

1. Research and learn as much as possible about the general topic.

2. Brainstorm problems related to the specific situation pre-

sented.

3. Identify a major underlying problem from the list of brainstormed problems.

4. Brainstorm solutions to the underlying problem.

5. Develop a list of criteria by which to evaluate the solutions.

6. Evaluate the solutions according to the criteria to select the best solution.

The Future Problem Solving Program serves students K-12,

plus college students as well. Through experience and participation in Future Problem Solving, students are far better equipped to take control of their personal futures. Perhaps most important, participation in the program teaches young people that they can exert a substantial degree of control over decisions that affect their futures.
