From All of Us to *All* of You.....

*A*long with the rest of the world, CHS prepared to enter the new millennium. Not only were concerns of Y2K on all the minds of the students, but so were plans such as meeting class deadlines, making it to practice on time, not to mention social obligations. Then, there were future plans to consider as well such as college or summer camps. However, even with all the busy plans, students not only found time to keep up with daily work, but also to enjoy the school year. It truly was a busy year at CHS. Between the covers of this book you will find many memories...memories of the good times, the bad times and all those times in between that bring us all together now as we enter the new millenium!

*W*hat is this stuff?" says Bryan Adamek as he looks at his food, wondering if it is even worth eating while on a Spanish field trip.

*P*laying hard so that they will not freeze in the cold November weather, the band marches to the beat in the Christmas Parade.

Can you
say

Involvement?

CHS students remain
active as ever

After a long and active three months of summer vacation, most students find it hard to leave those sunny afternoons and sleep filled mornings be-

hind to rise and shine again for the classroom. Upon arrival at school, many students wonder what the new year will bring and what new memories will be created.

The transition is difficult at first, but after a few weeks of classes CHS students begin to get back in the swing of things. Student activity and participation is something that runs wild through the halls of CHS. This year, student involvement rose to an all-time high, and each individual helped to contribute to the spirited atmosphere. Whether it be competitive Homecoming week, the Fall and Spring play, a choir concert, or the spirited 'Cameron Crazy's', students find the time to make the most of their year.

Seen here alongside his kid sister Katie, Billy Lowenstein takes a break from the piano to enjoy some pure play humor. Billy has provided the piano accompaniment for various plays throughout his high school career.

Following the final production of the fall musical *Annie*, cast members Rebekah Needham, Billy Lowenstein, and Drew Webb share a good laugh together. It seems that the locket worn by Annie in the play looks as good on Drew as it did on Rebekah.

During a long and fun-filled Barnwarming, good friends Franzi Henden and Elizabeth Carpenter take a break from the action for a special moment together.

Student Life

Thanks to the Junior class and their famous *Austin Powers* production, a new category was added to the ballot this Homecoming. Congratulations to the Juniors for being the first recipient of the Best Skit Award!

You Can't Stop Us ...

A Message Heard Loud and Clear

"You can't stop us... You can only hope to contain us!" was the message printed on the back of many bright gold "Crazies" shirts worn throughout the halls and at games. The spirit reputation CHS students have upheld over the past few years is now widely known and respected by many surrounding towns and visiting teams as well as the Cameron community. For the first time ever, a pep bus was taken to the district championship volleyball match in Chillicothe. Many of the "Crazies" painted their faces on the way down to surprise the team when they first walked in. During the Kearny tournament, fans from Cameron filled the seats having a bigger turn out than the opposing teams. But school spirit doesn't just make its appearance at athletic events. It continues through the entire year with organizations, dress up days, and class competitions. The halls were filled with posters wishing good luck to the different sports and posters that remind students of upcoming events such as dances or try-outs. Spirit definitely cannot be stopped at CHS.

Santa, NHS member Andrew Davis, stops in to make sure Kenny Nalle and Steven Miller have behaved themselves and deserve the Chiefs shirts and hats he brought for them.

Ben Miller, a senior member of the Crazies, focuses hard trying not to miss a thing during a varsity volleyball match.

Imitating a Smithville Warrior during the freshman skit, Trent Shupe, Kevin Carroll, and John Files try hard to get the crowd pumped.

6
Student Life
Spirit

"Oh, the mighty Dragons are on the move..." was the tune playing throughout the halls by band members Friday morning of Homecoming.

Competing for the junior class, Amanda Dunham paints a poster in her driveway during the week of homecoming. With their theme of "Austin Powers", their hallway turned out "groovy".

*Cameron Savings And Loan
1304 N. Walnut
Cameron, MO 64429

Student Life
Spirit

Pulling Together and Rising Above Tradition "A Homecoming Full of Character"

One can safely say that the homecoming theme went hand-in-hand with the actions of the students and classes as a whole. The senior class rallied together and broke the rules with the 16 giant sheets stitched together that spelled out 2000 and was hung from the top of the school. The spirit stick competition rose to a new level when the Juniors stunned the judges with their Austin Powers skit, thus inventing a whole new award only for skits. The sophomores gained their recognition by winning the float competition with "Runaway Warriors," a float they nearly put together on the first night of building. And not to leave out the freshmen, they enthusiastically put in their 2 cents of CHS pride by competing in all activities. Through all of the commotion, intense competition, and sleepless nights, one fact remained: there is a good amount of school pride and support that backs CHS' every move.

Freshmen John Geise and Stephanie Rodriguez work together to finish their float, "Elmer Fudd Hunting the Warriors."

Hard Work and Hot Nights

Crystal Kenzy giggles as
Steve Browning whispers
sweet nothings in her ear.

*A*s almost every senior with a truck began gathering wood to raise a two-hole outhouse, many others prepared to view a fire that would tear through the night sky and raise the spirits of all who saw. To commemorate the event, Andrew Davis and Phillip Limb braced a handmade six foot long 2000 sign against the traditional outhouse.

Spirits, however, did not dwindle there. They instead burned brighter in the determination to beat a team which they had never beaten before. Following that day's game, the students rejoiced in victory at the Homecoming dance. They celebrated with friends and loved ones, expressing the joy and excitement which circulated through the halls all week.

"*M*an I feel like a woman."
Elizabeth Carpenter sings as she
shows some friends a couple of
new dance moves.

Caleb Gudde, who was at first reluctant to put on the purple suit and go-go boots, now struts his stuff across the football field in the Junior Class skit.

Fire streams through the 6 foot 2000 sign made by Andrew Davis and Phillip Limb.

Who to dance with next? This seemed to be the question floating through Nick Ensign's and Lincoln Krentz's minds as they check out their options.

Tracy Filley and Brett Arthur make their mark on the traditional bonfire outhouse.

The Votes are in ... And the Winner Is

Mystic Elections

The task of counting Mystic Votes began on Friday, December 10, just a few days after the student body had cast their votes. All categories remaining the same, with only one exception. Because of the school spirit demonstrated through the Crazies, the crowd attendance and overall participation in activities, a new category was added: Most School Spirit. For the first time in two years a group was not chosen for Best Girl Pals, even though one could safely say that Best Pals could have easily been given to the group of friends shown in the picture.

Winning the category "Most School Spirit" Morgan Trospen shows her enthusiasm for every occasion.

United Country
The O'Conner Agency
Cameron, Mo 632-3721
Bruce A. Witt Sales Associate

After tallying the votes the results are as follows:
Friendliest Freshman are Tim Blackwell and Beth Curtis.
Silliest sophomores are Cole Kemper and Marcy Jakson.
Jubilant Juniors are Jerod Kemper and Lindsey Carroll
and Sociable Seniors are Josh Fish and Morgan Trospen.

Best girl pals Abbey Gould and Emily Watkins show their affection of a life long friendship with Best guy pals Terrail Rawlings and Josh Fish.

Voted most likely to succeed, Josh Fish and Lauren Kling browse the Internet.

Dressed up in their basketball gear, Best Athletes Terrail Rawlings and Cristian Slaughter relax on the floor.

While working on his latest assignment David Harris "Most Stressed Out" shows "Most Laid Back" Paul Jones what work is all about.

The Student's Choice Mystic Royalty Votes are In

After a whole day of tally marks and ballots, the Graphic Arts class arrived at the royalty winners. A boy and girl from each grade are selected to represent their class. Each couple was awarded the privilege after the whole student body filled out ballots. These elections are a tradition here at CHS and will continue to be a tradition for many years to come.

Did you know that Josh Fish and Abbey Gould have been elected to the mystic royalty three out of their four years at CHS???

Josh Fish towers over Abbey Gould as they are elected Mystic King and Queen.

Josh Fish gladly helps his mom make ornaments at the Stuco Christmas party

Abbey Gould courteously rakes leaves for a Student Council community service project.

Eric Tilford and Erin Gray look very happy after being voted junior attendants for Mystic royalty.

Brandon Beck and Cayla Shupe go together nicely as the sophomore attendants.

It's a... Hard-knock *Life!*

7 van Blair, who played Daddy Warbucks, has never been in a play before. Later on, he said he had so much fun that he wished he was involved in the school plays before his senior year. The six different sets were tough to move between scenes but "Annie" turned out to be a hit. Mr. Vaughn helped build the main set which was the Warbuck's mansion and the orphanage. The cast worked consistently on the two act play for three months. The orphans, bums, and actors in NYC had many late night practices with choreographer Andrea Hudson for their dance moves. Some cast members had several different parts which sometimes created confusion and chaos on the stage. Still by opening night as the curtain rose the actors pulled it together in front of a full house. Rebekah Needham, as Annie, shared that the play was her life for three months. She wanted a great performance and that's what she got!

"Annie" and "Daddy Warbucks" celebrate her adoption.

Bums Jake Nelson, Amber Parman, and Cassandra Hodgson Bacon look on wondering who the little red head girl is.

The girls at the orphanage are singing and dancing, pretending to be on the radio like Annie was.

M^s. Harper and Angelica Welton watch and critique scenes at a practice.

Square Dancing the Night *Away* In Style

For the first time ever, the annual Barnwarming Dance was held on a Friday instead of Saturday. This was also the first year for the calf roping contest and to have regular dancing with square dancing. Members enjoyed the annual games like cider chugging, bale tossing, and the red ear of corn game. King Dallas Myrick escorted Queen Cassie Shupe to the throne of straw. This year barnwarming was the start of many new traditions.

After the Change...the *Magic* Still Remained

For the first time ever the ceremony for Winter Sports was held at half time of the JV game instead of before the varsity game. With a smooth transition, Winter Sports night did not lose its magic and sparkle. As the music began and the gym started filling with camera flashes, one knew that the attendants were making their appearance. After their graceful entrance, all the students lined up on the halfcourt line. They stood in anticipation as the Student Council President, Josh Fish, walked over to present the king, Terrail Rawlings. After the applause grew quiet and Terrail had the Queen's tiara in hand, he walked over to crown Lindsey Arthur. As soon as the packed gym was done admiring the great looking athletes, King Terrail and Queen Lindsey led all of them out of the gym. With the addition of a Dragon win over Lafayette, it capped off a wonderful night.

The newly crowned king and queen, Terrail Rawlings and Lindsey Arthur briefly meet for pictures after the ceremony.

Josh Fish frantically prepares for the ceremony by pinning a rose on Drew Hatten.

Taking equal strides, the sophomore attendants, Kyle Zeimann and Lindsay Burt, walk in as the band serenades them.

The Winter Sports Royalty was: front row- Lisa Wolfe, Tawnya Cooke, Lindsey Arthur, Lindsey Carroll, Lindsay Burt, Emily Hatten
Back row: Drew Hatten, Chance Tatgenhorst, Terrail Rawlings, Caleb Gudde, Kyle Zeimann, Tim Blackwell.

Back at *One* Dancing... the Night Away

The DJ was hired, the decoations were put up and everything was ready for the dance that night. The annual FCCLA Sweetheart dance was held as usual at the CHS gym with decorations of black, red, and silver balloons. Attendance was made up of mostly freshman and sophomores, although many upperclassmen were seen in line for pictures. Crowned Sweetheart Queen was Morgan Trosper, with Dana O'Loughlin as runner up. Queen Morgan said, "I was surprised, and no, I didn't cry. I was laughing because I was barefoot!" After coronation, she and her escort Brady Copeman danced to the theme of the dance, Bryan McKnight's "Back at One." Morgan concluded her evening by wearing her crown to Fina. All in all, the night was one everyone will remember.

Long time friends Dana O'Loughlin and Joe Enloe share a dance soon after the coronation ceremony.

Helping to hang streamers in the doorway for the dance are Megan White and Jessica Myers.

Megan Hightower helps Adrian Long secure the red balloon to the gym floor in preparation for the night.

...And Now for Something Totally *Different!*

It was a BIG hit for both the actors and the audience! The spring play was a comedy of firsts and a comedy of errors! For the first time, play practice did not interfere with the athletics schedule. This is because play practice was held once a week per act and on one day per week practice was held at night allowing spring sports practices to continue uninterrupted! This play was also the first time that the "mistakes" were done totally on purpose! These mistakes include a corpse that was always getting tripped over and a Juliet that was always falling out of the balcony!! It was also the first time for students to actually write one of the acts. As an end result, if you wanted laughs and a good time, this was the play to see!

Franci Herdn, the clown, is giving an exhausted Jake Nelson some advice on running around the stage!

"You could go that way..." The scarecrow is doing it's best to point Dorothy in the right direction..."To Oz!!!"

"I am the king of this land, you shall obey ME!!!" King Gary puts the audience in their place when he gets mad!!

Glenda, the Good Witch, tells of the ruby slippers, or tennis shoes, during a last practice for the scene "Wizard of Oz"

Post practice exhaustion comes with the territory when you have a performance to try and get through. Here Missy Thompson is trying to take a break.

McCorkles Eatery and Pub

Student Life
Spring Play

Spring Break, Vacation, and *Karaoke*

It is no surprise that by the time spring rolls around, students are itching for an excuse to get away from the classroom and act outrageous before break. After two years of Olympic Games, the students were in desperate need of a change and a change is what they got. "Say What Karaoke" brought together faculty and students alike to produce a very memorable Spring Fever event. Who could forget the famous rendition of "Goodbye Earl" put on by the CHS staff, or Jerod Kemper's constant plea for a little "Respect?" It took a total of 10 judges to settle the debate, but in the end Paul Jones, Stacy Stodden, and Dawn Todd stole the show with their second round performance of "Pretty Woman." Even though only one group can claim the title of Karaoke Champs, many participated and made Spring Fever one to remember.

Freshman Cale Griffin has been waiting "all his life" to perform in front of CHS as he sings his solo role in the group's performance of K-Ci and Jo Jo.

Alongside "professional" violinist Bonnie Fish, Mrs. Fagan sings goodbye to Mr. Grimm...I mean Earl.

Probably known for the act with the most variety, Morgan Trosper, Nick Ensign, and Cassandra Bacon perform a pom pass even Mrs. Tyrrell would be proud of.

20 With a look of anticipation on his face, Marcus Green scopes out the competition while Mr. Nolte and Mrs. Williams, the MC's for the show, look on.

21 Freshman singing sensation Beth Curtis let CHS know that she "feels like a woman" during her performance of Shania Twain.

22 Karaoke judges Stephanie Kemna, Alex Moser, and Tricia Stuedle had the most difficult act...deciding who would be the winner!!

An Enchanting Evening For All To Remeber...

For the last several years prom has been held at the St. Joseph Country Club and it was time for a change. Although it was still in St. Joe, this time it was held at the Mohila Shrine Temple. People that went out to eat before prom started ate anywhere from Kansas City to St. Joe. From there, they assembled in the beautifully decorated room where there was never a dull moment on the dance floor. A new tradition was begun this year. There was a King and Queen selected along with their court. Crowned King and Queen at the dance was Marcus Green and Lauren Kling. After being crowned, they shared a dance together to Lonestar's "Amazed" as everybody gathered around to watch.

...But Schedules cease School's out for *Summer* to slow down

The entire student body lets out a huge sigh of relief after the last bell rings and school is out for the summer. The idea of three fun-filled months with no homework, tests, or assignments is very pleasing. However, if one was to glimpse through many individual's day-by-day planner, they would see that even the summer is pretty much booked. There are many different camps which students sign up for or are selected to attend. From Pom to Volleyball, Boys/Girls State to StuCo, Basketball to Cheerleading, weeks are quickly filled up. Camps vary in length, ranging from only a couple of days to lasting a whole week. Even though these camps make a dent in CHS students' downtime, many fun times and learning experiences are gained.

A group of French students take time away from their busy sight-seeing schedule to pose in front of some historic ruins.

A group of football cheerleaders get crazy on Maryville's jungle gym on the way back to the dorms.

Supporting their new yellow bandanas, the volleyball team prepares to leave for camp at Warrensburg.

Through stressful times at pom camp, the freshmen, Ashley Gould and Jamie Bates, kick back and relax.

Keeping Everybody

*Over 20 Groups,
But a Million
Different
Possibilities*

Together

Organizations are a major part of Cameron High School. There's a club for everyone to enjoy, from the Academic Bowl to Future Farmers

of America to choose from. CHS has more than twenty different clubs or organizations, so one can't help but be involved in something. Students involved do a variety of things. They attend workshops, have meetings, and participate in contests on district, state and even national levels. They hold offices, both locally, district wide and state wide, and carry out important responsibilities. They also participate in parades, community projects, and school events. Joining an organizations is what makes high school what it is. If you have the desire to work together toward a common goal, then you could participate in one or more of Cameron's very diverse organizations.

Ze Youngs concentrates hard on chugging down his apple cider at the FFA Barnwarmingdance

7errail Rawlings, Josh Fisk, Cristian Slaughter, and Jessica Blair enjoy an exhausting game of twister at the STUCO Christmas party.

FHA has now changed their name to FCCLA. This stands for Future Career and Community Leaders of America!

Organizations

F *A Strong* oundation

That provides much helpful support Since Student Council represents the whole student body, it is vital that they can work together and accomplish goals. It is plain to see that this organization plays a big role in everyday activities. From the first meeting after installation,

these students with the help of their advisors, have been busily working on many school and community projects. Raking yards, creating santa ornaments, organizing Homecoming, and adjusting the constitution are a few instances where the combined effort put forth ended up producing positive results. While their main focus is on the tasks at hand, this group always managed to combine personalities and make fun memories that are sure to last a lifetime.

Getting jiggy to the "Duck Dance." Cayla Shupe, Lindsay Burt, Josh Fish, and John Fanning have a blast at State Student Council.

Student Council Officers Josh Fish, President, Abbey Gould, Vice President, Joe Kemna, Secretary, Emily Watkins, Treasurer.

"Last standing loses!" In a retreat this fall, Gary Schrader feels stranded while looking amongst the Stuco members for his partner in an ice-breaker.

Handling the rakes. Nick Ensign, Dana O'Loughlin and Gary Schrader pitch in to clear a leaf-filled yard.

R *Starting Off* ight

A New Names and New Expectations

Future Homemakers of America? No, not anymore. Now they are the Future Career and Community Leaders of America. Starting off with a new name, this group of teenagers faced new goals, opportunities, and responsibilities. As they grow in size, they grow with more expectations. Sure, it's a lot of fun and games. From parties to meetings, to regional. They also put together the Sweet-heart dance, which can be nerve-racking. Trying to find a theme, props, and trying to make it the best dance for all the students is a hard job. This group worked hard on making CHS proud of our future leaders of America. When sending four students to the state meeting, they are expected to learn as much as possible and to bring back information to help CHS in it's future. This group of students are hard workers and are ready to be our future leaders.

FCCLA

For the first time, the Cameron High School's FCCLA group participated in the town's "Walk for Life" cancer program. These students set up a tent to try and help raise money for the cause. They raised money for sixteen hours by staying in the warm sun and through the cool night to finally raise over two hundred dollars.

Jenni Ann Burge, ready to take on anyone in her way, tries to make a touchdown for the Junior/ Sophomore team during the Powder Puff game.

T *FFA Bringing Agriculture* To Life

*Leadership
for the new
millennium.*

FFA has done a lot of exciting activities this year, such as the Watermelon Bust, Angel Tree, Barnwarming dance, and the Businessman's Breakfast. Eight members attended the first National Convention held in Louisville, Kentucky. Members raised money this year by having the annual fruit sales. Jill Walker was the high seller. Members also compete on contest teams of their choice. They compete at the district, state, and national level. "FFA had taught me many leadership qualities, and has given me the opportunity to meet many new people," quoted Keri Cruickshank.

FFA members: Row 1: Ms. Sprenkle, Elizabeth Carpenter, Toni Reickerd, Andrew Davis, Jennifer McKinley, Lynn Searcy, Ashley Latimer, Cassie Shupe, Jill Walker, Jenni Ecton, Mr. Morphis. Row 2: Chad Scott, Shane Davis, Tiffany Frye, Hannah Jackson, Stacy Carder, Christian Lewis, Matt Lee, John Giese, Missy Thompson, Kristina Schaffer. Row 3: Darren Turner, Adam Gehrs, Kristen Carpenter, Amber Clark, Stephany Johnson, Travis Gentry, Karina Bush, Melissa Sullivan, Jennifer Boling, Steve Brown. Row 4: John Gienapp, Willy Huff, Randall Barnes, Ernie Cook, Blake Bickford, Doug Phair, Kelly Eads, Ryan Murphy, Jamie Johnson, Michael Hullinger. Row 5: Tim Hardin, John Hanrahan, David Harrison, Kyle Conley, William Locke, DJ Hartman, Chase Shearer, Andrew Smith, Luke Schlorff, Kyle Youngs. Row 6: John Clark, Kori Conley, Jeff Stretch, Amber Swindler, Brian Thompson, CJ Filley, Farren Gibson, Jerry Wagenka, Ricky Bottorff, Nick Ensign, Lindsey Smith, Cole Kemper. Row 7: Aaron Wood, Brett Arthur, Clayton Stutseman, Charles Leach, Kenny, Utley, Nathan Danner, Jimmy Wooster, Ronnie Heinse, Blake Sedgwick, Keri Cruickshank, Ashley Stiles. Row 8: Nelson Anderson, Trent Shupe, Chris Kelly, Matt Szatkowski, CJ Bottorff, Darren O'Loughlin, Jason Benedict, Amelia Crouch

FFA Closeup

The FFA National Convention was held in Louisville, Kentucky for the first time ever after being moved from Kansas City, Missouri.

Do You Make the Cut?

*Service,
Scholarship,
Leadership,
& Character*

Imagine yourself sitting in class, and suddenly feel someone "taps" you on the shoulder. If you belong to this organization, this has happened to you one time or another. It is the induction process each member goes through when they are chosen to represent the National Honor Society. As one may believe that being in National Honor Society is just about making the grade, they are sorely mistaken. It takes much more than grades to be selected. One not only has to exemplify scholar qualities, but also service, leadership, and character. The National Honor Society gets involved each year with the Special Service kids and throws them a Christmas party. One may notice that the students who represent this organization are also the ones involved in athletics, academic bowl, plays, and other various organizations trying to help benefit the school. The students that meet the qualifications for NHS are hardly unnoticable and the ones pushing themselves above and beyond the effort it takes to be successful.

Standing proud at the podium, NHS advisor Glory Fagan recites the components it takes to be a National Honor Society member.

National Honor Society members: Front row: Josh Fish, Abbey Gould, Jerod Kemper, Ashley Anderson, Ashley Welsh. Row two: Emily Watkins, Jeff Files, Heather Brown, Tiffany Edwards, Dana O'Loughlin, Lindsey Carroll. Row three: Sponsor Mrs. Fagan, Brooke Breckenridge, Tawnya Cooke, Garrett Estabrook, Derek Long, Beth Kirkwood, Lisa Wolfe, Amy Schlorff, Chad Scott, Jessica Blair. Row four: Alan Arthur, Abby Edwards, Erin Walley, Jennifer McKinley, Stacia Stallman, Billy Lowenstein, Rebekah Needham, Robin Rowley, Sandy Kirkwood. Row five: Darrin Kerr, Scott Gaines, Kelly McQueen, Alison Rodgers, Lindsey Mathena, Nick Ensign, Annie Skow, Brian Hurt, David Highfill, Drew Webb, Eric White. Row six: David Harris, Elizabeth Carpenter, Ashley Chastain, Lauren Kling, Luke Feighert, James Hoppenthaler.

President Lauren Kling stands sophisticated as ever while she leads the NHS induction ceremony.

Posing with Santa in hopes to get their Christmas wishes before the Special Services Christmas party are NHS members Derek Long, Dana O'Loughlin, Josh Fish, Emily Watkins, Santa Andrew Davis, Chad Scott, Tawnya Cooke, Brooke Breckenridge, Elizabeth Carpenter, Lisa Wolfe, Cristan Slaughter, and Abbey Gould.

National Honor Society new inductees: Front row: Blake Strack, Marcy Jackson, Lindsay Burt, Cayla Shupe, Tausha Cooke, Megan White. Row two: Beth Robbins, Matt Davis, Travis Gentry, Christy Adamek, Christina Schaffer, Alicia Clark. Row three: Kyle Youngs, Grant Luckenbill, Brady Copeman, Andy Wetzel, Gary Schrader, Trish Anson, Denita Rowley. Row four: Andrea Hudson, Tim Assel, Darren O'Loughlin, Kelly Jackson, Lindsey Long, Jessica Riddle. Row five: Brandy Thompson, Jessica Myers, Cara Seuferling, Francee Hernden, Stacy Carder, and Rachael Lipanovich.

New inductees Tausha Cooke and Lindsay Burt pass on the traditional flame for the joining of the National Honor Society at the induction ceremony.

D. *A Change in* irection

Composed of students from both the Marketing and Business Management classes, DECA is a very large and successful organization. A great deal of hard work and dedication was demonstrated frequently throughout everything this group was involved with. A major change took place with the addition of a new sponsor, Mrs. Williams. This did not stop this group from their usual activities. Along with their new teacher, the DECA students worked together to get going with several fund-raisers. Selling cookies, candy bars, raffle tickets, and gift wrap were a few of projects that funded members to district competition, and later allowed thirty qualifiers to advance to state. Though things didn't go as well as expected at state competition, with not one finishing high enough to make it to nationals, DECA has helped its' members become more well-rounded and ready to set foot in the growing business world.

Trying to become hypnotized,
Ashley Anderson focuses on
famous Ray Beam's every
word, as Amanda Dunham and
Stacia Stallman watch the show.

Learning the ropes of Business

*Students
reaching
their limits
and getting
ready for
the business
world*

Seniors? No, not this year. The FBLA chapter was mostly made up of underclassmen except for a few juniors. FBLA isn't the easiest organization to be involved in. At districts, you have to either place first or sometimes second to go on to state. In other organizations, you can place third or fourth and still qualify. Although they were young, the FBLA chapter still managed to have seven members place at districts and five qualify for state. "Usually there are about fifteen to twenty different schools at each district competition, so our group did very well considering the amount of people and the criteria you have to meet to qualify for state," stated Mr. Coolman. So, even though this group was young, they still held their ground in the business world.

Straight Flush?? Lincoln Krentz takes a little time off at the district FBLA contest to play a hand.

FBLA Front row: Sponsor Mr. Coolman, Andrea Hudson, Kelly Davenport, Jennifer McKinley, Allison Rodgers, Andy Wetzel, Gary Schrader, John Files, Lindsay Burt, Cayla Shupe, Aaron Boswell, Marcy Jackson. Back row: Kelly Jackson, Darrin Kerr, Kevin Carroll, David Highfill, Lincoln Krentz, Ashley Welsh, Lindsey Carroll, Cole Watkins, Alex Moser.

The students attending state were front row: Allison Rodgers and Gary Schrader. Back row: Darrin Kerr, Lindsay Burt, David Highfill and Andy Wetzel.

FBLA

The FBLA chapter consisted of twenty seven people this year. With all of these people, there wasn't one senior to be found. Also, one-half of the population were new to this organization with thirteen returning members and fourteen new members.

Future *Preparing for the*

*Helping
prepare
the
students of
CHS for
a career in
teaching*

Under the new guidance of Mrs. Tyrrell, the members of the Future Teachers of America were able to explore the career of teaching. Even though none had anticipated student-teaching, Mrs. Tyrrell set up a "shadow teaching" program which allowed the student to interact with teachers and the kids that they may eventually be teaching. FTA also helps teach students the actual rigors of teaching, which in turn provides us with a greater respect for our teachers.

FTA Officers President
Darrin Kerr; Vice
President Luke Feighert;
Secretary Lisa Wolfe;
Treasurer Trish Anson;
Stuco Rep Cayla Shupe.

New Location, Same Friendliness

New location. more room. same great people!

With a brand new look and location, the Media Center started off the year with a fresh start. However, you can rest assured that every time you walk in there you will still get the help that you need to find the things that you want. Because of Epsilon Beta under the direction of Mrs. Fish, any intimidation due to the new location is only as frightening as a house cat standing beside a loin. Whether you are a new student trying to sort through the abundance of books, or a regular trying to pick out a book for a class project, you can always get what you need in the Media Center!

Scott Gaines is always helping out librarian Fish out with the little odd jobs that seem to take up a lot of time!

Beta Chi Phi Scientific Honors

*Continued success in the
science*

*classroom
and lab
rewards
students*

Excellence in science classes is the key to induction into Beta Chi Phi. This organization involves a select few who have strived to achieve exceptional grades in classes such as Biology, Chemistry, College Chemistry, and Physics. Induction is based on a point system. Students must reach a certain number of points to be inducted, and then are placed in one of the three levels of the honorary club based on the number of points they have with the highest honor you can achieve at the Phi level. Beta Chi Phi members had the chance to participate in a science knowledge bowl competition and at Missouri Western State College's Chemathon. Members also worked at concession stands to earn money for honor medals that are received at the end of the school year. Beta Chi Phi also is involved in our school's government with a representative in STUCO.

Beta Chi Phi Officers: President David Harris, Treasurer Elizabeth Carpenter, Secretary Abbey Gould, Stuco Representative Bobbe Gray

Beta Chi Phi: Front row: Bobbe Gray, Darrin Kerr, Tawnya Cooke, Emily Watkins, David Harris, Elizabeth Carpenter. Back row: Alan Arthur, Abbey Gould, Lauren Kling, Lisa Wolfe.

Ecology Club is Environmentally Concerned

These eco-aware students care about our environment The environment is one of the major concerns in our society today. Ecology club is a way that students in school can show their support and dedication to making it the best it can be. Lead by Mr. Kohn, these students participate in various science related classes and activities such as Chem-com. They discuss important issues related to the care and improvement of the world that we live in and learn the affects of pollution, littering, and other man-made destructive forces have on it. With such a large number of members, the Ecology club is an important organization in our school, and will continue to grow and become more active in the future.

Ecology Club Officers: President Erin Walley, Vice President Amanda Dunham, Treasurer Jamie Curtis, Stuco Representative Cassie Shupe.

G *Making You Look* Good

*A closer look
at the makers
of the
Mystic*

Assigned with the task of making the yearbook and immortalizing memories in print for the next generation, the Graphic Arts staff has a big responsibility. With ten re-

turning graphic artists, along with ten new rookies, that responsibility was in good hands. "At the beginning of the year I had no idea what I was doing," says new graphic artist Jerod Kemper, "But now with the help of Mrs. Brizendine and the guys from last year, I could make a yearbook by myself." That is the feelings of most of the new and old members alike. With so much experience and the guidance of Mrs. Brizendine, this hopes to be one of the best yearbooks to date.

Working very diligently on her yearbook spreads??? Abbey Gould is a "model" Graphic Artist.

Checking out the cheerleading spread in the Oakpark yearbook, Kip Shuler sits through the yearbook workshop as Emily Watkins focuses on the speaker.

Graphic Arts staff Row one: Ashley Anderson, Emily Watkins, Dana O'Loughlin, Jessica Blair, Cassie Durant, Erin Walley. Row two: Trish Anson, Cassie Shupe, Cynthia Allen, Lauren Kling, Rebecca Rick, Crystal Belanger. Row three: Abbey Gould, Jerod Kemper, Drew Hatten, Josh Fish, Christmas Tree, Bobbe Gray, Sarah Stinson, Kip Shuler, Mrs Brizendine, J.C. Moore.

Much like hogs at feeding time, the Graphic Arts class is quick to devour pizza at the annual Valentines Day party.

*Jones Mart

Concentrating on her Varsity Basketball spread, Ashley Anderson makes sure that everything is perfect.

Discussing thoughts on the on the yearbook design Cassie Daurant, Jessica Blair, and Crystal Belanger give their attention to Dana O'Loughlin at a yearbook workshop at the Ramada Inn in St. Joe.

Keeping a close watch on the clock, Erin Walley agitates every thirty seconds to insure high film development quality.

*To Prepare Students
For the Real World*

Gaining the Knowledge

Why exactly do students come to school? That is the question that was asked to senior Lisa Wolfe. "Obviously, the part I like best is hangin' out with my friends. How-

ever, I know my main purpose of being at school is to gain knowledge in hopes of becoming prepared for my future." No matter what the students decide to partake in after graduation, it can be inferred that some high school experiences will benefit and make each individual a more well-rounded person. From the time the first bell rings at 7:45a.m., until the time when the last bell sounds, high schoolers manage to work on their academics and have fun at the same time. Students have opportunities to work "hands-on" in real world applications. Who ever knew that during school hours you could help build a house, tend to the elderly, or start your own greenhouse? Even though many may like not to admit it, school isn't as bad as it is made out to be. Although the year is long and the work is hard, high school memories will surely remain as some of the best ever.

Preparing for the long day of school, Sarah Stinson grabs all of her books and assignments.

Kelley Jackson and Melissa Thompson compare density columns after finishing their home chemistry projects.

Showing her muscle strength, sophomore Cayla Shupe releases her bow in Archery as Coach Kemper observes.

Academics

At the beginning of the new year, five seniors and two juniors had already qualified for the Bright Flight Scholarship. Also, three students were added to the Academic Wall of Fame to make a grand total of fifteen.

*Taking Students to
New Heights*

Hopes for *Reaching the Stars*

From changing classrooms to teaching new classes to new air conditioning, the teachers at CHS had a great deal to prepare for the upcoming year. The teachers seemed to accomplish all the preparations needed before August nineteenth. Mrs. Fish said, "I really enjoy having the library where the old shop room used to be because it is more spacious and having windows allows a more pleasant learning environment." Whether it be manning the hallways or competing with the students in pep assemblies, the teachers try to be as involved as possible with their students to show that they care. The teachers always manage to take time from their personal agenda to make time for troubled students, and are always there to answer a question.

Enjoying a little free time, Mr. Simpson and Mr. Newhart converse with Coach Brown about one of the many Lady Dragon victories.

Cameron School Board Front row: Debbie Hahn, Dr. Ron White, Lynn Rogers, and Carol Arthur. Back row: Karen Feighert, Karen Hamlet, Don Lowenstein, Paul Beckwith, Dr. Neely, and Betty Weigand.

When students in Mrs. Brizendine's Graphic Arts class tell her they are 'happy to be here', she rewards them with a piece of candy.

Appearing to have dressed in the dark, Mrs. Hill plays along with one of her French classes.

Hands-on Activities at CHS

*You can touch, see,
hear, smell, and
even taste all of the*

Classes filled with hands-on activities and labs are a daily part of school at CHS. The Chemistry and Physics classes find plenty of time in the lab as do biology, anatomy, and physical science. The anatomy class performs labs such as dissecting hearts and fetal pigs. There are a select few classes that rely almost entirely on hands-on projects such as the art and carpentry classes. FACS classes, that require cooking, sewing, and family life labs are incorporated into daily lesson plans. There are plenty of other classes that include fun activities. The Spanish class has cooking labs and also made pinatas. The TV. and radio broadcasting class make weekly Channel One broadcasts. The students at CHS stay very busy participating in all of their classes and many activities.

With a smile on her face, Spanish student Toni Reickard works on her pinata during class.

Alex Moser, Alex Cole, Jake Nelson, and Amber Swindler are working hard on projects during one of Mrs. Brizendine's classes.

Dustin Johnson is showing his enthusiasm about being in a FACS class to fellow student Matt Murdock.

*B*rian Hurt, Amy Schlorff, and Crystal Kenzy are polishing their skills using a balance in Chemistry class.

*E*mily Watkins works with Marcy Jackson, Gary Schrader, and Drew Hatten to make Santa's at Christmas time for the teachers.

Oh the Places

You'll Go...

Field trips are usually one of the more enjoyable aspects of high school. Many of the classes make special trips to a variety of places like restaurants, theaters, and museums. The Constitutional Law class makes an annual trip to the Courthouse in Plattsburg where they get to witness the law at work. The french students got a taste of some escargot or snails at Le Fou Frog in downtown Kansas City. Mrs. Fagan's LA IV students got to spend a day off at the Renaissance Festival where they got a taste of life back in the days of Kings and Queens. And Mrs. Tyrrell took her College History class to the heart of Kansas City, 18th and Vine, the location of the Jazz and Negro League Museum. Teachers here know the importance of keeping students interested in learning and know hands-on activity is the best way to clear up classroom blues.

While on a trip to the Renaissance Festival, Morgan Troser gets kissed by the kissing bandit.

Mr. Green and Mrs. Anderson enjoy some authentic Spanish meals as they take the Spanish classes on a trip to Kansas City.

Gal pals Lindsay Smith and Ashley Stiles take a break from chowing down on some french bread.

*A New Way of Life
Across the Ocean*

Coming to America

*A*t the beginning of this school year we were fortunate enough to have two foreign exchange students in our midst; Emma Mendoza from Auckland, New Zealand and Franziska Herden from Leipzig, Germany. Franzi was involved in tennis this fall and played at the number two spot. Franzi was also a member of Jazz Choir and All-State Choir as well. Both girls participated in the fall musical production of "Annie" with Franzi on stage acting and Emma behind the scenes helping with set construction. Emma left in December to return home and begin her last year of high school in New Zealand. Along with the many experiences they have gained while in the U.S., they have also made a lasting impression on CHS.

*I*n preparation for an upcoming tournament, Franzi concentrates on sharpening her serving skills.

*T*he Ag Department introduced Franzi to a longtime FFA tradition: Barnwarming.

*W*hile becoming more familiar with the English language, Franzi is also able to keep up with her French in her French 4 class.

*F*ranzi cuddles up to a bunny while visiting the McKinley farm.

Emma and Franz became fast friends during their time in the States and managed to find time to sight-see together.

Did you know that Emma's flight from New Zealand to America took 24 hours!?!?

Did you say College?

Many opportunities for an early start

As if there weren't enough classes or other opportunities for students to prepare for their future, the option of dual credit classes seems to be escalating each year. Classes, such as History, Algebra, Chemistry, Language Arts, and Child Development, are all offered at the college level for students still in high school. Students that take these classes have the chance to feel the pressure of tests that are harder than usual, labs that have to be completed in one class period, and the experience of paying for college hours. While the classes might be harder, juniors and seniors say they are glad to have some basic classes and credits already taken before they even begin college.

Taking on the father role during a Child Development hands on project, Terrail Rawlings takes time out to take care of his "baby think it over".

Seniors, Travis Phelps and Jessica Blair help each other out during a "TLC" lab in College Chemistry. The lab dealt with food coloring and alcohol solutions.

*What do you want
to be when you grow
up?*

Hard decisions

Tough choices

Ever since grade school those words have been asked to each and every student. Some say fireman, policeman, nurse, or doctor. Now, we are in the last years of our decision making. Many can't decide what they want to be, but for those who do know, they have taken classes associated to what they want to be. Even though some classes are required for us to take, some realize that the college level classes seem a lot harder. Chem 2, College History, College Algebra, Language Arts IV, and Child Development are all offered through colleges for high school students to take for college credit while still in High School. Health Occupations is a class that allows students to have hands on experience in the medical field. Students are given the opportunity to be CPR certified and to get their CNA license. In the end everyone seems to find something their good at and follow the course through.

After spending the morning at the Negro Baseball Hall of Fame and Jazz Museum, the students in College History indulge themselves in some real B-B-Q at the famous Arthur Bryants.

During CPR Training, Senior Hillary Banks, performs the heimlich manuever on an infant model.

Josh Fish puts the true meaning to the saying "All eyes on you" as a giant eye ball tramples over the top of him during the College History field trip to Science City at Union Station in Kansas City.

Sweatin' much?

They are really working hard to make the grade!

Not only are they pressured for time, but they're pressured to make the grade. Another year with another task and another deadline. But, the Carpentry class has kept up their part of the bargain. They constructed a three bedroom, two bath house with a double garage, big basement and a fireplace located in Eagle's Landing. They have worked hard all year long and on the 6th of May, they had the chance to show it off. Open house is what they call it. On this day the public will be able to tour the house that these students have had the privilege to build. Not only are proud parents able to see the completed work, but so will the community. As they give their approval of a job well done, the students will take their skills and accomplishments to higher levels. Congrats!

Gold day student, Clayton Dennis, is putting the lock and door knob in the door.

To the black day students, Mr. Vaughn is known as DY, and he is the pride and joy of the class.

Back row: Paul Jones, Michael Moore, Dustin Hall, Joe Brockman. Middle row: Chris Collins, Sam Whiteaker, Macie Spicer, Brett Arthur, James Brownlee, Joe Enloe. Front row: Brandon Reynolds. Not pictured: Dusty Seitz and Nathan Danner. These are the members of the Black day class.

Dallas Myrick is concentrating hard to make sure it is a perfect fit.

T ogether *In Harmony*

*All voices create a
successful sound*

At the beginning of the year, the members of choir knew that they had a lot of hard work ahead of them. They started off learning many different pieces of music that helped their voices prepare for the traditional Thanksgiving concert. After mastering those pieces, they had to start working on the Christmas music. Any choir student will tell you this can be difficult to handle, but this group of kids always seems to pull it off. Evidence of this success was their spectacular performances. A single day was not wasted in class. They got right into practice for competition at Maryville, which also ended up with positive results. They gave a wonderful effort and got a II rating. After the competition they put together a great spring concert to finish out the year. All the hard work paid off for a very good and productive year.

M

Goodwin conducts the Jazz Choir, as they take part in the opening celebration for the new Veterans Home.

Drew Webb serenades the crowd with his voice as his fellow choir members back him up.

P *And the Band* Played On

*Band is more
than notes
and music*

Football games, parades, concerts, and contest, these are just a few of the events the CHS band preformed at during the school year. So needless to say the band stays busy practicing and performing throughout the year. Not to mention

being busy with fund-raisers to raise money for a trip to Orlando scheduled for next year. To help with this fund-raising this year, a band booster club was created made of band parents and alumni. This new club helped to organize such fund-raisers as a 50-50 drawing at all home football games, and a half time shoot out at home basketball games. Overall, the band members of CHS kept busy throughout the year with a number of performances and many fund-raising activities while maintaining the same prestigious playing level the band has developed over the years.

Band Officers:

President Morgan Trosper, Vice President Lauren Kling, Secretary/Treasurer Gary Schrader, Student Council Representative Lindsay Burt.

Band*

Playing for the Veterans day celebration, the flute section played through the rough winds and did a superb job.

Homecoming spirit is really taken to a high when the band plays the fight song in the hall. Chris Hendrix prepares for his part in the song.

"It was so cold" at the Maryville Homecoming parade that Paul Jones hair turned "blue" while he played his Yamaha Saxophone.

Making sure everything is perfect Morgan Trosper straightens Thomas Willam's bill before the Christmas Parade.

Putting Their Heads Together

Lugging home those trophies every other weekend just never seems to be a burden. Just ask the CHS Academic Bowl team and they'll tell you about the tradition of having each member kiss every trophy they win. This year the hours of flashcard work and buzzer practice paid off for the Academic Bowlers. Both the Varsity and JV teams put the smack down on the competition and became MEC Conference Champions. Winning at the Lexington and District Tournaments was sweet for Varsity and taking second place at state competition was even sweeter. But don't let a few titles fool you; it sometimes seems that this group is known for not being too serious and having as much fun as their coaches will allow. Although there were few freshmen to haze this year, the team made up for it by carrying on the tradition of wrestling on bus rides, imitating competitors and finding "souvenirs" wherever they went. The inside jokes will live on and this close-knit team ended the season with a lot of great accomplishments and memories.

R

eaching the Turning Point

Alternative way of thinking

Turning Point is designed to meet the needs of students who have not been successful with their education in the traditional school setting. The main goal of the program is to provide a place where all students can be successful in learning. Opportunities include traditional high school core classes as well as individually tailored programs to suit each student's needs. Other services include internships, work-based experiences, family support, counseling, and assistance with basic skills for those who wish to get their G.E.D. Classes are taught in 2 hour blocks on a 6 week term allowing students who pursue a diploma the opportunity to catch up on credits. Students don't graduate from Turning Point but rather transfer credit back to their sending schools. Credits are earned on a pass/fail basis with an 80% mastery as the pass level for ALL classes.

Seniors Ray Rounds and Toni Pyle prepare for graduation from the alternative school. Not pictured is Stephanie White.

Hard Fought Battles

Giving 100% in the pursuit of victory

Hard work definitely pays off, as all of the CHS teams proved. In the fall golfers Abbey Edwards and Lauren

Kling made it to the State competition that was held in Sedalia. The volleyball team, (backed by the suport of the Crazies) made it all the way to the District championship match and recorded a great record. The football team also had a much improved season but fell short of making the state playoffs by one game that was decided in the first overtime. Winter proved to be even more succesfull for CHS with outstanding records by both the girls and the guys basketball teams, and the wrestlers showed why they are among the best in the state. No matter what the differences are from one sport to another, all of the athletes shared one thing in common, they learned that determination and hardwork pay off.

When in need of a basket, Terrail Rawlings was always willing to step up and take a shot.

Senior James Brownlee makes his last Homecoming game memorable by hitting the open field for a huge run.

In volleyball, Junior Tolli Hamilton was the player to watch for excitement.

Did you know that in all the varsity sports combined, the Cameron Dragons overall winning percentage was 35% losses, and 65% wins!

Sports

Taking it into

*Triumphs,
Tournaments,
and Team-
mates*

If bigger was always better, these girls would have been the worst. The word BIG just didn't fit in this year, but it didn't matter. As six foot, Amy Ruff, from Excelsior was standing in the Lady Dragons way from remaining undefeated,

Their Own Hands

they stood as a team which overcame this obstacle in their victory. These ladies gave it their all, whether it was being on the floor to pick up a pass, or being on the bench cheering their team on. The Lady Dragons

played hard and won first place in two tournaments this year. They put everything they had into this season, pulling together as a team, and going on to compete for the District championship.

Hair standing on end. middle hitter Tolli Hamilton goes up in attempt to crush the ball in the District Semi-Finals match against Platte County. The Lady Dragons moved on to the District Championship match after defeating the Pirates.

Higginsville 2-0, Lathrop 2-0, Trenton 2-0, Benton 0-2, Richmond 2-0, LeBlond 2-0, Savannah 2-0, Richmond Tournament 1st, Excelsior Springs 2-0,

Varsity Volleyball Row 1: Lindsey Carroll, Ashley Anderson, Nicole Skilling, Abbey Gould, and Cayla Shupe. Middle row: Cristan Slaughter, Marcy Jackson, Lindsay Burt, and Cynthia Allen. Last row: Emily Watkins, Tolli Hamilton, Coach Kemper, LaTeshia Hoskins, and Brooke Breckenridge.

Leading them in serves, the Lady Dragons' setter, Nicole Skilling, puts another one in play to start a rally with Excelsior Springs.

Rising above the net, hitters, Lindsay Burt and Cynthia Allen, give it their all to reign the net. Even without much height, the Lady Dragons did a good job of blocking this year.

Maryville 0-2, West Platte 2-0, Chillicothe 2-0, Lexington Tournament 1st, Smithville 1-2, Lawson 2-0, Platte County 1-2, Pembroke Hill 1-2,

Lafayette 1-2, District Tournament 2nd

Passing from inside the knee, defensive specialist, Abbey Gould, gets the ball where it needs to go to set up for an attack.

With teammates down and ready, senior Cristan Slaughter goes up with confidence that her teammates won't let the ball drop on their side of the net.

Dragons and Lady Dragons,
And PROUD OF IT!*

In perfect form. Erin Rooney extends her arm to send the ball flying over the net.

Looking anxious. JV members Markeda Rawlings and Cayla Shupe just chill at the net, waiting for the next play.

Tossing up the ball. sophomore Charly Cameron prepares to deliver an ace as sophomore Marcy Jackson stares down the competition.

JV: Higginsville 1-2, Lathrop 2-0, Trenton 2-0, Benton 2-1, Richmond 2-0, LeBlond 2-1, Savannah 2-0, Excelsior Springs 2-0, Maryville 1-2,

West Platte 2-0, Chillicothe 2-0, Smithville 2-0, Lawson 2-0, Platte County 1-2, Pembroke Hill 2-1, Lafayette 2-1

Filling in the Shoes

Taking the Step

"Individuals will be ready to step up and fill the varsity shoes next year," stated junior Ashley Anderson. The junior varsity team had a

very successful year. They played together and moved quickly to keep the ball alive. These girls had a memorable season and are prepared for varsity competition next year.

JV Volleyball Team: Row 1: Ashley Anderson, Charly Cameron, Markeda Rawlings, and Cayla Shupe. Middle row: Abbey Newhart, Lindsay Burt, Amanda Dunham, Kelly Davenport, and Marcy Jackson. Last row: LaShay Harris, Brooke Breckenridge, Coach Seifert, Coach Kemper, Emily Watkins, and LaTeshia Hoskins.

Winning and Losing, the Dragons were a

*Improvement
key to 6-4
record*

Team All Together

After last year's 1-9 season, the varsity football team had lots of room for improvement, and improve they did. After a lopsided loss to Platte County, the football team turned it up with a victory over Lafayette and a hard fought double over time loss to

Maryville. Following that loss, the Dragons went on a three game winning streak. They then went on to lose a very controversial game at Chillicothe. With a 2-1 record in districts they had

victories over Trenton and LeBlond. A heartbreaking overtime loss to Marceline denied them the district title. Overall, the team and coaches were pleased with the finished season outcome.

*As Coach Bowers

Freshman Football

Overcoming Adversity, the Lady Dragons

*Playing as a
Team*

Come Out On Top

It was the first day of practice and the softball team waited in the parking lot for the arrival of new players and coaches. For most of them nervousness overcame them while they wondered "Would we run more?", "What if the new coaches are mean?", and "What if everyone forgot about practice?" But as

the season got underway, Coach Laure Tunks and Coach Cara Virtue proved that with only 3 returning starters, they could pull their team together and play softball. Despite a rough season with a record of 1-21, seniors Dana

O'Loughlin, Jill Walker, and Lisa Wolf led their teammates to keep their heads high and end the season with positive attitudes. It was times like Rachelle Eads' over the fence homerun, Coach Virtue almost missing the bus for an away tournament, and

the end of the season spaghetti dinner that kept the team smiling even when they weren't winning. "It was tough, but we stayed strong as a team and didn't give up. That's what made us a success!" said senior Lisa Wolf after the last district game.

Coach Virtue and Lenzy Foster watch the Lady Dragon's intense defense battle to get three outs so that they can then rally with their bats on offense.

During a J.V. game, first baseman Kelley Jackson cringes as the burn from a hard throw by her teammate Brandy Thompson enables them to throw the runner out at first.

Just ending a long inning, Senior shortstop Dana O'Loughlin takes a break and shares a laugh with the other players before preparing to step up to bat.

Awaiting the ball to be hit to them, infielders Brandy Thompson and Heather Drennen along with outfielder Rachel Lipanovich get in their ready stance ready to make the play.

Nick Ensign was voted "Fan of the Year" by the softball team and coaches. Nick attended every home game and most away tournaments.

Before the traditional "Heads up Dragons" breakdown, the Lady Dragons discuss the good and bad points of the game in a team huddle.

Following

Through

"I'm a very good driver," insisted CHS girls' golf coach Kevin Nichols on the way to every away match during the season--and there were quite a few matches away from home. The team hosted only 3 of 15 matches during the 1999 season, but playing on unfamiliar territory didn't hurt at all. The team's record was 11-4 and they took a first place finish in the Gallatin Invitational. They set a team record of 188 at home and then turned around and broke their own record with a 181 at Platte County. The girls nearly won the MEC Conference Tournament, (settling for second, a slim 6 strokes behind Chillicothe) where Abby Edwards and Lauren Kling took first and second individually, respectively. But what the girls did with all that extra time on the road between matches? Despite their lack of ability, they held their own sing-a-longs on the bus, played name-that-TV-theme-song, and tried to talk without showing their teeth (which is hard to do while laughing). Overall, they had a great season and a lot of fun.

Sophomore Jessica Riddle putts while freshman Emily Hudson watches her form.

Chipping her ball towards the target is junior Abby Edwards.

Behind

It All

With ten varsity players the team was huge, but as Liz Carpenter states, "With a big team and little courts, our team did its best this season overall since I can remember." Although no one made it to state, Liz Carpenter and Franz Herden won in doubles at the Richmond Tournament. Everyone had team spirit. They decorated lockers for the first time ever, brought cookies for the matches, and hung posters around the school. They showed their gratitude to Mr. Wake, their coach, early one morning before practice. The players organized a celebration for Wake's 40th Birthday. They all pitched in money to get him a black ice cream cake. He appreciated his gifts: a hand-built grim reaper holding a tennis racquet, a tongue scraper and an M&M dispenser. This season was the most memorable for most of the team players because they worked hard and well together with wonderful spirit. They were also lucky to have an easy-going, funny coach.

Nicknames of players:

Lordy, Lordy, look who's 40!

Coach Wake, along with Elizabeth Carpenter and the rest of the team, celebrate his 40th birthday one Saturday morning.

Flying High...

...And Defying Gravity

Cheerleading takes more dedication and practice than what meets the eye. They're always behind the players one hundred percent and work hard at getting everybody else into the games, also. All the squads attend a summer camp to help them

prepare for the upcoming season. The winter sports cheerleaders attended a NCA camp at Maryville where they did exceptionally well. Four of the Cameron squads were nominated for

All American. They were Sarah Stinson for jumps, Adrienne Long for tumbling, and Jamie Curtis and Lindsey Arthur. Jamie Curtis was picked for All-American Cheerleader.

During the William Jewell Tournament the boys basketball squad decide to try a new stunt. Not sure what the turn out of the stunt would be, Jessica Blair is looking somewhat nervous.

Prior to the Christmas parade, Meghann Curtis, Jessica Riddle, Ashley Dotson, and Hannah Jackson get into the spirit of things.

Girls Basketball Cheerleaders Front row : Beth Robbins, Adrienne Long, Cara Seuferling. Second row: Andrea Hudson, Beth Kirkwood, Crystal Boyers, Jessica Meyers, Kelly Jackson.

The winter sport cheerleaders received four superior ribbons for cheers and chants and the spirit stick twice throughout the week during summer camp!

Girls Basketball Cheerleaders

Hardwork, Dedication and Teamwork:

*Seniors lead
the way*

Some people dream of success... while others wake up and work hard at it. Expectations were high this year as the returning District Champions got prepared to face their most challenging schedule yet. In addition to the extra district games, such as Odessa and Oak Grove, the William Jewell Holiday Classic

Rulers of the Empire

was added to the schedule. Not only did the 3A underdogs rise to the occasion, but they defeated 4A teams such as Liberty and Rockhurst on their way to capturing the Holiday Classic title. Coming out of Christmas break with an undefeated conference record, they knew

they had one more title they hadn't yet captured: Conference Champions. This title was soon attained after battling a tough Chillicothe team on Senior night. As Coach Nichols would say "these overachievers" were crowned MEC Conference Champions.

Getting in there and

Scrappy Dragons have much to be proud of

Getting After It

"We need to get in there and get after it," were words taken to heart by the Lady Dragons this season. Under the direction of new varsity head coach Dave Brown, the Dragons proved that they would be a force to be reckoned with. Having attained a flawless record of 7-0 headed into Christmas break, the ladies used their momentum to carry

them through a very competitive MEC schedule. According to Coach Brown, it was the Lady Dragon's heart and determination that made their year a success. "We focused each day on getting better," Coach Brown said. "We wanted to make sure that no matter what the score was we were giving a better effort than the opposition." Some tough

conference losses during the season momentarily slowed the Dragon's down, but in the end the ladies totalled an impressive overall record of 22-6. The Dragon's fell just short in claiming a District title this year, but, if one thing is for sure, you can guarantee they will work even harder to be back in the hunt next season.

Junior guard Ashley Anderson rises above her competition in attempt to block her opponents shot.

Dedicated Sophomores Make the Season a

Heartfelt Success

This year's team was one with a lot of heart and dedication. With limited numbers everyone received ample playing time. They learned what it takes to become a successful team. With Coah Hane at the healm, they finished the season with a

winning record of 12-5 and many fond memories of the season. Every sophomore JV player dressed varsity this year, with many girls receiving varsity playing time. They came to Sunday practices and cheered our freshmen and varsity teams on every game. With this dedication and hard work, they are sure to be successful in year's to come at the varsity level.

Varsity/JV Girls Basketball: Back Row: Abbey Newhart, Marcy Jackson, Abbey Gould, Ashley Anderson, Lindsay Burt, LaShay Harris. Back Row: Coach Daryl Hane, Manager Ben Rippy, Lindsey Carroll, Brittany Neely, Bobbe Gray, Tolli Hamilton, Cristan Slaughter, Manager Toni Snook, Coach David Brown.

Sticking It Out, Freshmen Learn

What the Game's About

The freshman girls weren't scared at all with the thought of the varsity coach coaching them. With the absence of a freshman coach, Coach Brown assumed the responsibility. He put it best when he said "We started the season with twelve, but ended with 8 after running a few

sprints. They stuck it out." Early morning practices and at times having a substitute coach, the freshman didn't let it phase them a bit. Their record of 5-12 may not reflect the year's achievements. With the loss of players due to injury, everyone played a very important role on the team. Some of the girls worked hard and found themselves playing in JV games. These girls will be the nucleus of our teams in the future.

And Now For Your

Putting the Show Together

Halftime

Show

From dancing with the band during the football halftimes to "Shimming" their way across the basketball court, the Pom-pon Squad always entertains the crowd. The season began in July at camp in Maryville, MO where they placed high in all categories as a team and as individuals. Stacey Carder and

Lindsey Mathena were chosen as All-Americans along with Tausha Cooke who was a second year All-American. Then, it continued with many practices preparing for football games, basketball games, and pep assemblies. On occasion there were a few

extra members like during a pep assembly when Brian Bickford showed his skills in the barrel and another when Marcus Green proved he was the biggest fan by showing the students his own routine. The season concluded with the traditional trip to State Basketball.

The four seniors: Dana O'Loughlin, Abbey Gould, Lisa Wolfe, and Tawnya Cooke.

These seniors led the squad through an outstanding performance to "Hit the Road Jack" at the State Basketball games.

Kelly Davenport, Lindsey Burt, Marcy Jackson, and Cayla Shupe flaunt their smiles during one of their class competition routines.

1999-2000 Pom-pon squad: First row: Stacy Carder, Cayla Shupe, Ashley Anderson, Kelley Davenport. Second row: Denise King, Tawnya Cooke, Dana O'Loughlin, Jamie Bates. Third row: Tausha Cooke, Abbey Newhart, Abbey Gould, Lindsey Mathena, Lisa Wolfe, Lindsay Burt, Marcy Jackson, and Ashley Gould.

Smiling in the holiday spirit. Tausha Cooke, Stacey Carder, Jamie Bates, and Denise King march in the Christmas Parade hoping to put the community in the holiday spirit.

A Team Thing

"To have a good team, you must have dedicated individual efforts," says Lindsay Burt. With outstanding sophomores like Lindsay and Charlie Cameron, its

no surprise that the girls are one of the top competitors in the MEC conference. On the boys side, first time trackster Terrail Rawlings said, "This is tougher than I

thought, You can't just go out there and run. It takes mental preparation." There are no weak links for the Dragons. That is why they are contenders in every meet.

*The Booster Club
Helping Student Athletes
Good luck Dragons
Go class of 2000*

Ben Miller lands a stellar jump in the long jump competition.

First row: Lindsay Burt, Charlie Cameron, Cara Sueferling, Shea Smitherman, Heather Drinnin, Stephanie Rodriguez, Megan White, Brittany Anderson, Franze Herden, Tausha Cooke
Row two: Jessica Myers, Adrienne Long, Robert Graham, John Bolinger, Lincoln Krentz, Josh Ziemann, Brandon Robinson, Megan Hightower, Angie Henry, *Third row:* Kevin O'Connor, Alex Moser, Charles Leech, Blake Strack, Coach Jacobson, Coach Tokarz, Terrail Rawlings, Kyle Zeimann, Aaron Boswell, Kevin Carroll, *Back row:* Stephen Schmidt, John Davis, John Parman, Phil Limb, John Fanning, Louis O'Brien, Nelson Anderson, James Hoppenthaler, Eric Tilford.

Adrienne Long runs the final leg of her relay at the Quad State Meet in Maryville.

Burning around the turn, Terrail Rawlings shows his form in the 200 meter dash.

Down the home stretch James Hoppenthaler carries the baton on the final leg of the 4x100 meter dash.

Sophomore Tausha Cooke clears the hurdle with ease on her path to the finish line.

The Golf Team Knows How To...

Grip It and Rip It

One factor of a golfer's performance is the course on which he competes. The boys' golf team had very few home matches, so they rarely got to compete on their home course. However, playing different courses presented a challenge to the team and made them better players. Another thing that comes along with away matches are long bus rides.

Once on the way to Maryville, boredom led the boys to unravel the string of rubber inside a golf ball, which ended up being about 200 yards long. More of their favorite pastimes involved catcalling and making fun of each other, but they did have their serious points. These boys practiced hard. Tim Blackwell missed the cut for State by only one stroke, while Drew Hatten advanced to take 6th place in State Competition. The team played well, and its underclassmen will definitely be able to support a good team for next year.

One of the most important things in golf is sportsmanship. Here, sophomore Jake Nelson illustrates how *not* to handle your temper on the course.

Sophomore Grant Luckenbill shows perfect form as he winds up his powerful backswing while approaching the green during a quad meet in Cameron.

Maryville/Chillicothe 171-168/181, Lawson/St. Mary's/Smithville 156-157/175/187, Higginsville Tournament-1st Place, Tournament-3rd Place, Maryville Tournament-2nd Place, Richmond Tournament-10th Place (of 24) MEC Tournament-4th, Districts-4th

Our Final Stand

*If only for
a moment
we all come
together*

Together

It has been an eventful year at CHS. New classes & new teachers contributed to the excitement in the school. Growing up is more than

just a change in appearance. It is knowing who you are, what you stand for and what you enjoy. Everyone remembers the butterflies fluttering in their stomach on the first day of high school. Things have changed over four years, however. Yesterday's freshman will come together to receive their diplomas, as their life moves to a new level. In the end things all come together in our lives: like from passenger to driver, freshman to senior, and from student to alumnus.

Senior members of the Cameron Crazies : Brian Bickford, Terrail Rawlings, Drew Hatten, and Josh Fish start a rally with the crowd at a girls basketball game.

*P*reparing for their final performance, make-up artist Angelica Welton helps Jamie Curtis with the final touches on her make-up.

*C*hristina Schaeffer and Scott Robeson are thoroughly enjoying each others company at the FFA barnwarming.

Out of 93 seniors, there are 66 that are part-time. This is a record for most part-time seniors.

Class of 2003

On August 25, 1999, the class of 2003 began their 700 day graduation countdown. It is a sudden change from being the top dogs of the middle school to the youngest of the high school. The freshman class saw many adjustments in their first year of high school. They ranged from going from seven periods to block scheduling to being able to chew gum in class. The ability to chose their own classes and the option of ala carte lunches are also new and different responsibilities that the class of 2003 acquired. The class of 2003 is blossoming into a group of model citizens.

Class of 2002

Drivers license, varsity practices, and weighted classes are all the activities factoring in to make your sophomore year complete.

The sophomores knew they had many goals and expectations to fulfill. They are not the youngest in the school anymore and are faced with a whole new variety of experiences to deal with. The year starts with picking classes that are beneficial and suitable to their interests. The extra responsibility doesn't stop there. If they're involved in sports you're now expected to step up to varsity practices and in some cases be a big factor on the varsity teams. The sophomore class showed that they can perform well under pressure, by competing in the class skit competition as well as three other categories in the Homecoming competition and winning the class float division. Finishing the year with great success, this class is ready to take on the role next year as upperclassmen.

Class officers: Front row: Scott Wolfe, Stuco Rep., Gary Schrader, Stuco Rep., Kevin O'Connor, Vice President. Back row: Marcy Jackson, Stuco Rep., Rachel Lipanovich, Treasurer, Cayla Shupe, President.

A group of girls share a laugh during the Powder Puff football game paired with the Junior class.

This year the sophomore class won the Homecoming float competition for the first time in three years, and was also the first year that they participated in the skit competition

Stuco Rep. Scott Wolfe show his Christmas spirit by helping decorate the Stuco Christmas tree.

Class of 2001

When I think about you, I touch myself..." Remember hearing this last October as Caleb Gudde stepped onto the field in the likeness of Austin Powers? Many in the crowd watching are not likely to forget John Fanning and his never ending laugh as Dr. Evil or his counterpart Jeff Files (one-eighth his size) as Mini-Me. Thanks to their hard work and creativity the Juniors won the skit competition. Another project for the Class of 2001 was to raise money for Prom. This year for the first time ever prom was held at the Moila Shrine Temple, since the number of people attending had risen considerably. Each junior planning to attend prom was required to work at least one concession stand shift. This class also exceeded expectations academically, with DECA members taking three first place finishes and three second place finishes at District contests. With their junior year finished they now look forward to the rewards and responsibilities of their senior year.

Caleb Gudde, a.k.a. Austin Powers, leaves the field after vanquishing the Smithville Warriors

Staying out late, Billy Lowenstein tries to help the junior class build the float in hopes of winning the spirit stick.

Class of 2000

Being the first class to graduate from CHS in the new millenium, the class of 2000 will always hold a special place in our memories. The class has been known for years as being fun, goofy, and sometimes a little crazy. Who could ever forget the sheets that were hung from the building during homecoming and the midnight runs to rehang it over and over again? Although 90% of the students were part-time by the end of the year, they proved to be hard workers with 45% enrolled in college prep classes. From getting serious about school to hanging loose on the weekends, this class is one to be remembered.

Senior class officers: back row: Garrett Estabrook, Vice President, J.C. Moore, StuCo Rep, Terrail Rawlings, StuCo Rep. Front row: Dana O'Loughlin, President, Cassie Shupe, Secretary, and Amber Harper, Treasurer. Not Pictured: Stuco Rep Cristan Slaughter.

laugh.

One last time

Together as a class

Getting on the school bus, all nervous, but excited, of the new people they'd meet. Going to writing their names and making beautiful finger painted pictures for mommy. Their teachers gave them a piece of paper marked "Good Job" with a big smiley face. Well, now they're not getting smiley faces anymore. This day they receive a diploma to recognize all the hard work and dedication they put in for many years. It seems like only yesterday when they got that smiley sticker and they were so proud. Now, they get their diplomas. Remembering old times and new, these students deserve everything awarded to them. Sure, graduation can be hard. Going off to college and living away from the friends they've had all their lives can hurt. In the other hand though, they can now realize everything they have accomplished together. Ready to go on, no matter how far, these students have realized they can always count on their friends.

van Blair and Franze Herden exchange goodbyes after the graduation ceremony.

Senior choir members let their beautiful voices shine through one last time.

Stacy Stodden and Dawn Todd congratulate Morgan Trosper and Lauren Kling after the graduation ceremony with some laughs and a group hug.

*W*ith high honors and expectations, Tawnya Cooke, valedictorian, and David Harris, salutatorian, stand together in academic excellence.

*M*arcus Green, Ben Miller and Terrail Rawlings stand together one last time at CHS.

A graduated class of 2000! While throwing off their mortarboards, they throw themselves into a new and bright future.

together in our
memories.

Cristina Schaeffer tips the bottle as she leads her team to win the cider-chugging contest at Barnwarming.

Brian Hickford "boosts" not only school spirit, but also Drew Hatten as they decorate the senior hall during Homecoming.

During Homecoming coronation, the football cheerleaders watch the festivities.

With their t-shirts advertising the play, Franziska Herden, Dawn Todd, Jenny Packard, and Stacy Stodden become human billboards to publicize the musical, "Annie".

Preparing for a warm embrace, Queen Abbey Gould and her sister, Ashley Gould, find time for a hug shortly after Homecoming coronation.

In order to create a Santa ornament for every staff member at the high school, the Student Council members form an assembly line at the Christmas party

The first day of school, 10 returning Graphic Arts staff members along with 10 new members met in the art room with their ideas for the 1999-2000 Mystic. Before the hands-on work began, five section editors and an editor-in-chief were elected. They were: Josh Fish, student life, Drew Hatten, sports, Emily Watkins, academics, Jessica Blair, organizations, Cassie Durant, individuals, and Dana O'Loughlin, Editor -in-Chief.

The cover was created in Photoshop and a drawing was held for the face pieces on the cover as well as throughout the book. Along with the staff members, the following people were used: Kelley Jackson, Jennifer McKinley, Heather Heldenbrand, Matt Vaughn, Gary Schrader, Eric White, John Fanning, Lindsey Carroll, David Highfill, Brandon Calder, Ben Miller, and Charles Leech. The pages were created by PageMaker 6.0 and Adobe Photoshop 3.0. The stories and captions were written in Times and Brushscript. When all was said and done, approximately 275 yearbooks were sold. "Thank you" to Mrs. Fish for opening the computer lab during week nights. A big thanks to the staff for putting in late nights before deadlines and your cooperation and teamwork while making this yearbook a success. "A special thanks" to Mrs. Brizendine for your patience and inspiration to all of us. Good Luck in the future.

Graphic Arts Staff Front: Lauren Kling. Second row: Trish Anson, Cynthia Allen, Crystal Belanger, Dana O'Loughlin, Jessica Blair, Cassie Durant.
