HOME COMING DANCE 2005

This years homecoming dance was literally "One Big Party!". It followed a big win for the football team against Smithville. The party started Saturday, October fifteenth, at eight and was non-stop dancing until eleven. Student Council hired Video-to-Go to DJ the dance. Students shook their groove thing and had a blast. Overall, the dance was a huge success.

A Time of Change at CHS

A HUGE CHANGE OCCURRED THIS YEAR AT CAMERON HIGH SCHOOL. AN ADVANCEMENT AND AMOVE OF THE CAFETERIA WAS MADE. IN ORDER TO DO THIS, AN ADDITION WAS MADE TO THE OUTSIDE OF SCHOOL BY THE BASKETBALL GYM. THERE WERE ALSO CHANGES AND ADDITIONS MADE TO ADD MORE CLASSROOMS, A WEIGHT ROOM, RECREATIONAL ROOM, AND A NEW BAND AND CHIOR ROOM. THESE CHANGES WERE GREATLY ACCEPTED BY THE STUDENTS AND STAFF AT CAMERON HIGH SCHOOL.

Mr. CHS

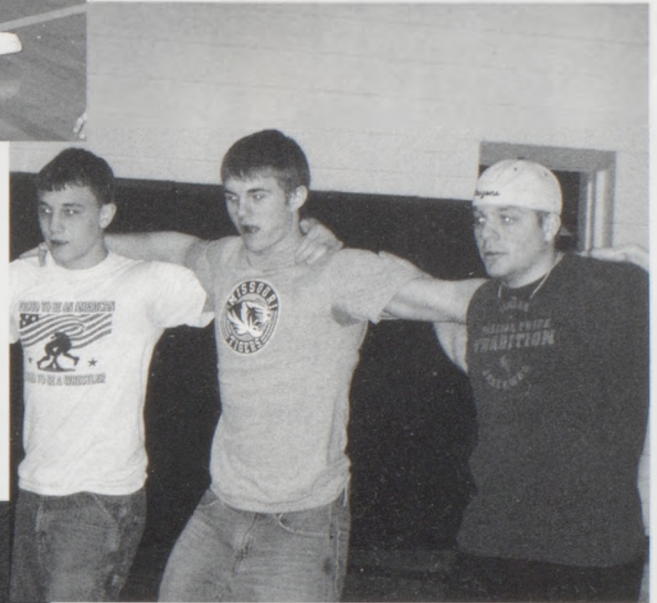

The first ever Mr.CHS was a big success. Put on by Student Council, this was a male beauty pageant that consisted of 9 contestants who were judged by a group of teachers. The pageant was hosted by Mr. Jeff Meyer and Mr. Matt Wenck. The judges consisted of Mrs. Wendy Danner, Mrs. Lori Robinson, Mr. Brandon Huckabay, and Mr. Chad Hopkins. The participants in the pageant were seniors: Dakota Darby, Roth Mallen, and Wes Ford. Juniors: J.A. Oehring and Thomas Conrad. Sophomores: Colby Morgan and Connor Kellerstrass. Freshmen: Kemper Kellerstrass and Caleb Cole. When the pageant concluded Roth Mallen was crowned Mr.CHS with J.A. Oehring being crowned Mr. Jr.CHS.

Midnight in Paris

Prom, a night to remember.

The Jounior-senior prom was a night filled with many meaningful memories. Although there was a lot of dancing and laughing, the decorations looked good. The Juniors went through a lot of stress to get the job done. Regardless everyone still had fun. As the night grew to an end they announced the prom King who was Michael Marsh, and the Queen Theresa Morgan. As the night ended the students gather there things and started to head home with tons of wonderful memories to cherish forever.

Tom Sawyer

This year the drama department is kicking off the play season with the production:

The Adventures of Tom Sawyer. As always, everyone involved has worked hard to make this play a hit. Our talented and devoted director Mrs. Farmer is aided by Mr. Williams (he who works extra, without the extra pay). A lot of hard work and dedication goes into making the play a success. Something Mrs. Farmer stresses on each year. You have to be willing to work, or not help at all. There is no room for horse play during practice or set construction. We had a return of one of last years dedicated seniors. Amber Duncan returned to help us out with Construction. It has been hard without the enthusiasm of the seniors everyone came to love and respect.

"I thought the cast performed wonderfully together..
..best H.S. plays I've seen in a long time."

- D.C. Hanson

"I thought the people in it
did a really good job, since
it was a serious play."

- Tessa(audience member)

"It was fun to do because
we as actors got to expand
more, & realize we could
do more than, we could."

- Sami Briant(Rebecca Gibbs.)

"It was fun and different,
because we usually do
comedies and this one was
a drama."

- Billy Steinman(Howie Newsome)

"It was very good,
I think that drama
is harder to do, very
effective"

-Mrs. Williams

the hardest things, since
its not a comedy you don't
get anything from the audience.."

OUR TOWN

Directed By: Ms Farmer and Mr. Williams

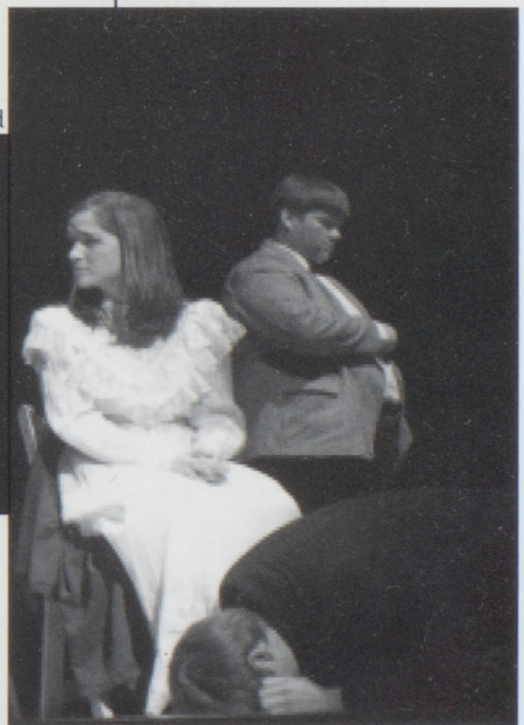

"Our Town" is one of the most performed American plays since its Broadway premiere in 1938. As the old theater saying goes, "at every moment somewhere in the world, in some high school, Thornton Wilder's Pulitzer Prize winning play, Our Town is being staged" - taken from the Program of Our Town

Our Town was written by Thornton Wilder and directed by: Ms. Farmer and Mr. Williams. The play had an excellent outcome. There were comments by students that they liked this play a lot better than former plays. Our Town is a drama, portraying the three main stages in life: Daily Life, Love and Marriage and lastly Death and Dying. What made this play different than others shown in the past,

is not only that it is a drama but also that it has virtually no set. The only props that are used are two tables and chairs, two tables, and two ladders. This play requires the audience to actually pay attention to it, and use their imagination while watching. This play could not have gone over so well, if it wasn't for the hard work and dedication of not only the cast, but also our highly devoted Director Ms. Farmer. And of course Mr. Williams. So we would like to offer a big hand to our Directing Duo.

Cameron Crazyies

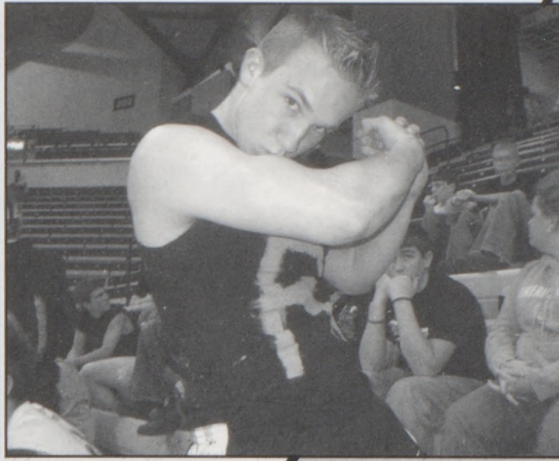

What a group of dedicated, caring, and respectful fans. These certain types of fans have been around Cameron High School sports for a number of years. Dedicated because they travel near and far to support the Cameron Dragons. Caring because they care about each and every call made and they care about the self-esteem of the opponents. Respectful because not too many people would be caught dead in the out-fits they feel appropriate for next basketball game. Where would Cameron Athletics be without the support of our Cameron Crazyies?

With 6 returning players and 7 new girls, this year's girls tennis team, coached by Jim Coolman, has focused on improving their skills and having a good time. High hopes and a positive attitude helped the team pull together to do the best they could. Although there were many obstacles to overcome, the girls worked hard and made some good improvements for next year.

A NEW YEAR, A NEW TEAM. THIS YEAR WAS SOMETHING UNEXPECTED LOSING THREE OF OUR STARTING DEFENDERS AND TWO OF OUR FORWARDS, THIS YEAR WAS A YEAR TO REBUILD THE DEFENSE AND FOR THE RETURNING FORWARDS TO SHINE. THE OFFENSE WAS STILL GOING STRONG ESPECIALLY WITH THE AIDE OF OUR FOREIGN EXCHANGE STUDENT, NILS MINSMANN. A NEW COACH WITH THE DEDICATION AND PERSISTANCE WAS JUST WHAT THE BOYS NEEDED TO GET WHAPPED INTO SHAPE. WITH A 7-1-1 RECORD WE STILL STRIVED TO BE THE BEST.

On The Road To Mizzou

The Cameron Dragons basketball team lead by a great group of Seniors, headed to Mizzou Arena to compete for the State Championship. If it weren't for a made half-court shot with only seconds left in the semi-final game to beat the Dragons, Cameron would have been bringing home yet another State Championship trophy. Though defeated in one game, the Dragons came out firing the next to bring home a well-deserved 3rd place trophy from Columbia.

Great Work, Men!

Girls Varsity Basketball

The girls basketball team saw many changes this year. The team came together and improved their record from previous years. They practiced long hours and were very dedicated to getting better. The hard work paid off in the end. The team got to second round districts for the first time in a long while. Although the team will be losing three seniors next year, the basketball program will keep improving.

The freshman girls worked hard to achieve all they aspired for. To go from eighth grade to high school basketball is a big step for anyone, but these girls did it. They did a great job this year especially since they also had to play against JV teams. Congratulations on a great season and Good luck to you girls next year!

Dance Team

Shake wha cha mama gave ya!

With a new name and new attitudes the formerly known Pom pom squad had year to remember! The dance season started with the NDA camp at Tan-Tara. Following camp the dancers practiced Monday, Wednesday and Friday at 6:30am to perfect their routines. The girls performed at every home football game as well as the play off games and the state championship game in St. Louis. Shortly after football season the girls began performing at all of the home basketball games. The dance season ended with the half time performance at the State basketball final four games in Columbia.

Baseball

The baseball team worked very hard this year and improved with every game. Despite fighting the rain the baseball team concluded the regular season with 10 wins and 8 losses. The players, as well as the coaches, believe they have accomplished what they worked so hard to achieve. Even though the team will be losing four seniors there are still great underclassmen who will step up next year!

THE CAMERON BOYS GOLF TEAM DEFINITELY GOT IT DONE THIS YEAR. WITH MANY EXPERIENCED PLAYERS AND NEW FOUND TALENTS THEY SAW LOTS OF SUCCESS. THEY HAD THIRTEEN RETURNING GOLFERS AND THREE NEW FACES. EFFORT BY FINISHING FIRST AT THE CAMERON INVITATIONAL, FIRST AT THE SAVANNAH TOURNAMENT, THIRD AT THE CHILlicothe INVITATIONAL. THEY FINISHED THE SEASON WITH SIXTH PLACE AT DISTRICTS AND THIRD AT THE CONFERENCE TOURNAMENT.

Boys Tennis

The Boys Tennis Team had a completely different team than last year. With 17 players and only 2 returning from last season the team had a lot of work to do. The team worked hard and finished with a 6-7 record, not bad for a team with 15 new players and lack of experience. With most of the varsity squad graduating, look for next year's team to be very young and fun to watch!

This year the Regional meeting was held in October at Pleasant Valley Baptist Church. Over 1200 members regionwide attended. The members also helped organize a Halloween party for the Special Olympians. Cassie Gienapp and Lynze Hahn participated in the STAR (Students Taking Action for Recognition) program. Foreign Language Club

After trying various formats for our Foreign Language Club over the past few years, the sponsors decided to try something different. This year, the Foreign Language Club met one Friday night a month and took a bus to Kansas City to go eat at various ethnic restaurants, including Gojo's, Tasso's, Jazz, and Aixois. After having just around 20 members in the previous years, the club had a surprising turnout with 63 members. Given the success of the year, the format will be continued next year.

Renaissance

This year Renaissance has recently taken off, with the hard work from the steering committee and contributions from the community, Renaissance was able to launch their discount cards this year. Discount cards wasn't the only program Renaissance implemented this year. We also started up teacher appreciation, janitor appreciation and participated in the homecoming parade. We also held our first pep assembly. This is Renaissance's third year in action, and we plan to continue to improve in the future.

The students at the alternative school work hard to get a good education. Turning Point provides a school environment where any student can be successful. The class sizes are smaller and allows the students to get more attention from the teacher. Students can earn all the credits they need to graduate. Some students can choose to go to school for half a day and work for the other half. This allows them to get an education and get money. The alternative school is the best choice for some to get the education they deserve.

True joys of Cameron High School. Their enthusiasm for life is contagious. They are cared for by all students and staff at Cameron. Whether they are in class, in the halls, or competing at the Special Olympics, they are always excited. They spend several hours training for the Special Olympics; coming home with metals. Simply put, a great group of individuals.

Juniors Getting a Piece of the Action

CLASS OF 2006

As the year winds down the class of 2006 comes to the realization that they are moving on to a new place in their lives. Throughout the past four years we have grown to love and hate each other, but then love again as we all come close to the end. As we think of all the ways to try to sum up this amazing class we have concluded that there is one word that describes the class of 2006, "CHAOTIC".

Good Luck, Carpe Diem, Viva Vici Vici & God Bless.

Senior Class officers: President Kelsey Wood, Vice-President Katlynn O'Connor, Secretary Zach Lowenstein, Treasurer Kelsey Breckenridge, Stuco Reps: Hollie Mohl, Roth Mallen & Kalie McIntosh

GRADUATION

It was a wonderful, sunny day, in May. Parents, friends, faculty, staff, and students all came to celebrate the faithful Seniors of Cameron High School as they made their next step in life.

It was a day never to be forgotten by several of Cameron High School's finest.
