We're Off To See The Wizard!

Cameron High School presents "The Wizard of Oz" November 17th and 18th at 7:30 p.m.

This year's musical was a definite success! With two sold-out performances, a huge group of Meri's Dance Studio students, live animals, and pounds of baby powder, The Wizard of Oz, directed by Ms. Harper and Mr. Williams, was anything but average.

"There's no place like home!"

~Dorothy

The performances were earlier this year than they have been in the past. Normally the shows are the first weekend in December so the cast had to step it up to have the showings mid-November. The cast, as well as the directors, put in countless hours preparing for two nights of success.

The cast had a lot of fun at practices memorizing lines, working on songs, and especially late practices where dinner was served. The huge cast had a great time getting to know each other and making new friends. The musical this year was very time consuming, but very well worth it in the end.

The Whole Cast

Dorothy

Dorothy was played by a new-comer this year-- Taylor Love. Although she's been involved in the stage side of theater before, this was Taylor's first acting role in a school performance. She did a fantastic job as the famous Dorothy Gale and everyone was very proud of her.

Scarecrow

Claude Thompson played our heroic Scarecrow in the musical. Claude has been in numerous school performances and has quite a record of experience. Claude is known in the cast for being very enthusiastic about his parts and singing his heart out.

Tinman

The intelligent Tinman was played by Adam Duncan. Adam is a senior this year and was very excited to have a leading role in his last high school musical. Adam is one of the most talented actors in the cast and everyone is very fond of his good character.

Lion

Dalton Gentry (a.k.a. "The Fro") played the cowardly Lion in the musical this year. Dalton also is very active in the drama department here at the high school. With each performance, he comes out of his shell a little bit more. He is very persistent and always gives 100%.

New members at the NHS Awards Ceremony.

The National Honor Society is an organization that recognizes students who work hard in academics, service, and leadership. NHS participated in many activities this year including a Halloween party, a ceremony for the new inductees, and putting up flags around the community for Memorial Day. The club's sponsor, Mrs. Fagan has worked very hard this year to make sure all of the meetings and activities go smoothly, despite a case of gnome-knapping!

FFA

The Cameron FFA Chapter had another successful fun filled year. Another very popular Spencer Mattson Farm Fun Day raised money for the freshman scholarship. Members sold fruit for a chance to go to National Convention and danced the night away at Barnwarming. Sponsoring school blood drives and winning awards to help make the school and community proud.

Beta Chi Pi

Even though Beta Chi Pi is not an active organization, the students are recognized for their hard working ethics and scientific knowledge. The club is organized by Mr. Bishop.

The Tank

The Tank has resurfaced this year with a group of very hardworking students. The newspaper addition comes out every other week in the Citizen's Observer. It has been very successful this year and will most definitely continue under the direction of Mr. Derek "D-Dub" Williams. The students are very dedicated and also have a program shown during seminar every now and then called DSN. They have had a great year!

The stands filled quickly this year for each sporting event. The football team did awesome as did the volleyball, tennis, and golf teams. The basketball and wrestling season went equally well. And no one was disappointed with the baseball and track teams. The seasons have ended and as usual the winning goes on from year to year.

Kelly Thompson (below) gets ready to take her lead off first base.

During the beginning of the softball season, the girls got off to a bit of a rough start. As the season progressed, however, they showed the potential they really had by winning a few and losing a few. Overall, their final record was 8-14 with some amazing wins over some tough

competition. The girls played their last game against Maryville for districts and ended up losing by 1 in the 11th inning. Junior Varsity also had a promising season. They won over some tough competitors as well as falling to some. Their overall record was 5-5-1.

Aces, Vollies, and Love.....Tennis season is here!

This season the tennis girls endured many uphill battles and put forth 100% effort.

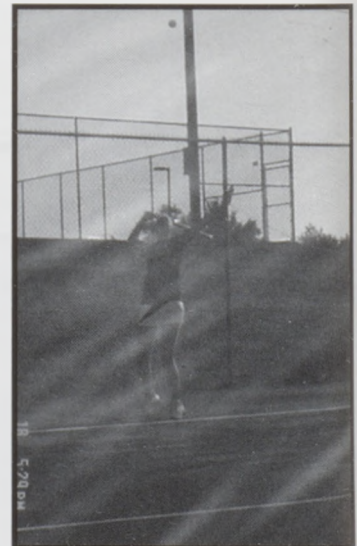

A fairly young team, the dragons had only 3 returning Varsity players, including Senior Holly Fenton and Sophomores Emily Funk and Kylie Parks. The top six included #1 Emily Funk, #2 Kylie Parks, #3 Holly Fenton, #4 Freshman Kelsey Salmon, #5 Sophomore Amber Nelson and #6 Senior Hollie Scott.

Kylie Parks (above) is being a good sport and talks to a player from the opposing team.

Emily Funk (right) waits to slam a serve to her opponent.

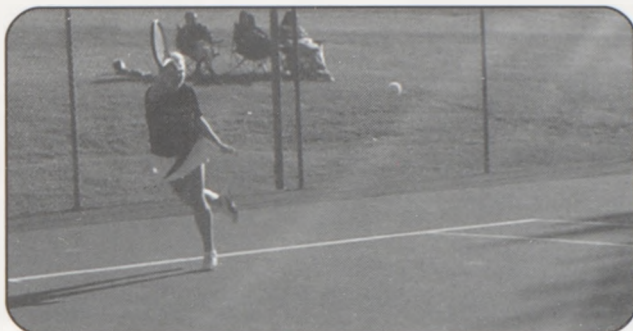

The Doubles team of Funk and Parks placed 4th at Conference and Districts. Kelsey Salmon placed 5th at Conference and 6th at Districts in Singles. The girls faced some very tough opponents and improved greatly over the season. They enjoyed loud bus rides and intense practices where the only sounds heard were that of the ball machine and Coach Coolman's "Thank You's!"

Bend it Like a Dragon

The boys soccer team didn't have as great of a season as they would have liked, but either way, they did come close to winning a couple of games. With a young team, the future looks bright for the program. A few players also received some honors for their performance during the season.

The people that got All-District honors were John Carr, Quinten Fleshman, Jacob Boswell, and Tyler Whiteaker. John Carr and Tyler Whiteaker also got All-Conference honors.

Although there were better hopes for this season, the newer program is growing and will only continue to get better.

Two-A-Days

This year the Cameron Dragon Football team did a good job at all of their games. There were many seniors this year who did a great job of stepping up to be the leaders of the team. Even though the boys did not get as far as everyone hoped, they still did a wonderful job and we are proud of them and their coaches!

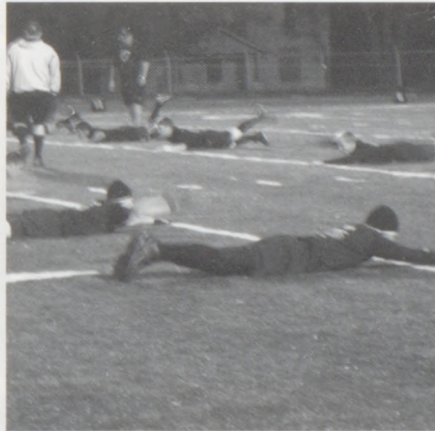

The team is announced as Tony McCallan breaks through the banner during the first home game of the season.

Freshmen and JV

The freshmen boys basketball team was very successful the 2006-2007 season. The freshman boys had an overall record of 10-4 and the Junior Varsity boys had a record of 4-11. Half way through the season, they had a change of coaches for all teams. Coach Dennis began the season as the freshman coach, but Coach Meyer finished the season while Coach Wenck started as the Junior Varsity coach but Coach Dennis finished the season as their coach.

CHS: Keepin' it Real

Homecoming 2006

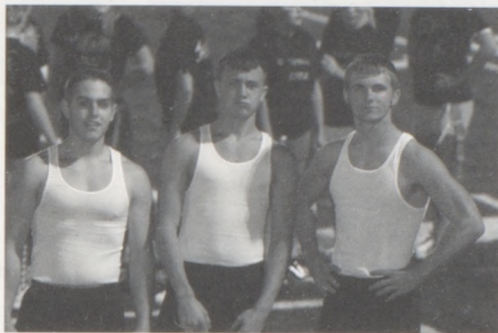

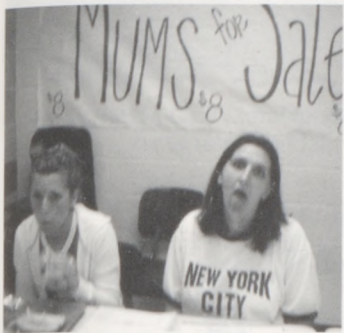

This year at CHS, students were "keepin' it real" during a spirited week inspired by reality TV shows. Themes included various reality hits such as Fear Factor, Survivor, American Idol, and the Amazing Race. The spirit competition was a close call and nearly came down to a tie between the Junior and Sophomore classes. In the end, however, the Sophomore class was victorious.

This year's morning spirit activities included a karaoke competition, obstacle course, race, and even a gross food eating contest. In place of skits performed in previous years, a Powder Puff football game was played prior to the bonfire. A team of Juniors and Sophomores faced off against a team of Seniors and Freshmen while they were cheered on by squad of male cheerleaders. The game was a huge success and ended with a tied score of 24 to 24.

The 2006 Float competition winner was the Cameron FFA Chapter with "Trick My Truck".

"It was a fun time in a great atmosphere. After the class of 2007, homecoming will never be the same. Goolay!"

Barnwarming

Fun was had by all at the Annual FFA Barnwarming. Besides dancing the night away, members enjoyed games such as get the idem, a pop chug, and a dummy roping.

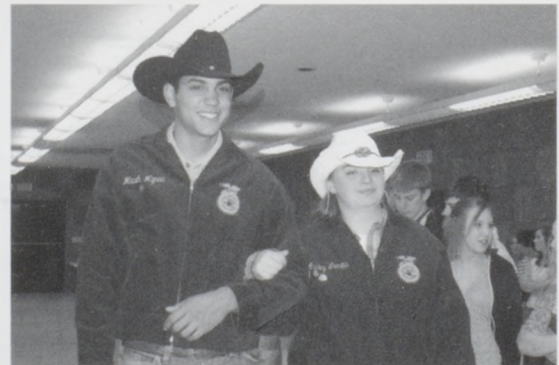

Members danced to a variety of music and dances such as the Cha Cha Slide, Electric Slide, and many more. The evening concluded by crowning King Kyle Forsythe and Queen Hollie Scott.
